

# Middle School Supply Lists, 2011-2012

Please check below your child's grade for the 2011-2012 school year for their required supply list. Individual teachers may add items based on their individual class needs. Please note that supplies for class projects will be detailed to your child when each assignment is given. **Students are expected to have all supplies on the first day of school, and should come to each class fully prepared.** Grade 6 does not require a calculator. In grades 7 & 8, the school will provide each student with a calculator for class use. If you are interested in purchasing a calculator for home use, we use the TI 30X 2S.

## Grade 6:

Four (4)-Five subject notebooks (1 notebook per marking period)  
Three (3)-Marble notebooks  
One (1) 2 subject spiral notebook (Math P.O.D. book)
