

Young Fives Supply List

Items Your Child Needs:

Your child needs a backpack that is big enough to hold a folder and many other items (you can use the Endeavor backpack from today). Your child will need a responsibility folder (polypropylene) which will travel back and forth from school to home **daily**. The following is a list of supplies that we wish for your child to bring either to the Open House or during the first week of school. These items are essential for the things that we will be doing in the classroom and some **will be shared**. If we need more things throughout the year I will put a request in our newsletter.

Personal Items:

- Hard Plastic Pencil Box (put your child's name on it)
- One Polypropylene Folder *any color* (I call them the slippery folders. It needs to have 2-pockets with 3 prong fasteners). Please put your child's first and last name along with Responsibility Folder on the top of the folder.
- Crayons (at least two boxes-place one box in your child's pencil box and the other in the "community" box in our classroom. If your child is struggling with basic color names, I would suggest an 8 pack. If not, you choose.)
- 1 box of washable markers (place them in your child's pencil box)
- Glue sticks (2 or more- large size preferred –place one in your child's pencil box, the others in the "community" box)

Community Items:

- 1 roll of paper towel
- 1 or 2 boxes of tissue
- If last name = A-M =Disinfecting wipes (2 or more – we use them a lot)
- Ziplock Baggies – Quart Size
- If last name = N-Z =Baby wipes (2 or more – we use them a lot)
- Ziplock Baggies – Gallon Size
- 2 pack of dry erase markers (4 in a pack or more if you are able)
- Page protectors (one package 20+ would be greatly appreciated!)

Items I need but do not need *everyone* to donate (if you are able to help with these items, it would be greatly appreciated!)

- Band-aids
- Disposable bowls
- Plastic spoons
- Chocolate Syrup
- Package of straws
