

Be Safe
Be Responsible
Be Respectful

Our school wide behavior system focuses on building positive relationships and correcting behavior through problem solving and consistent consequences.

This 6-level, color-coded system, outlined below, provides clear information about how misbehavior will move through the level system.

LEVEL	DESCRIPTION
GREEN	<ul style="list-style-type: none"> Meeting behavior expectations. Students start every day at GREEN.
YELLOW 1	<ul style="list-style-type: none"> Repeated minor to moderate impulsive misbehavior that disrupts the class.
BLUE 2	<ul style="list-style-type: none"> Continued minor to moderate impulsive misbehavior after receiving Level 1 disciplinary action or minor to moderate intentional misbehavior.
RED 3	<ul style="list-style-type: none"> Continued minor or moderate impulsive or intentional misbehavior after receiving Level 2 disciplinary action.
RED 4	<ul style="list-style-type: none"> A student receives Level 2 or 3 disciplinary action 10 times in a 20 day period.
RED 5	<ul style="list-style-type: none"> Ongoing minor to moderate misbehavior not successfully modified by the Behavior Corrective Action Plan or severe impulsive or intentional misbehavior.
RED 6	<ul style="list-style-type: none"> Repeated (2-5) Level 5 misbehavior or misbehavior that constitutes extreme noncompliance with school rules or threatens the safety of others or serious intentional misbehavior considered criminal.

Token Economy

Students earn KEYSTONE CASH for positive behavior choices.

Students have the opportunity to shop at the monthly Keystone Market. The store will have items for immediate purchase and also activities and privileges to purchase.

All community members are involved in the Keystone Economy.

Students begin each day on GREEN.

1st-5th: begin on green again after lunch

6th-8th: begin on green each class period

This allows student behavior to be tracked in all environments in the building.
