

'POPSICLE AND WATER PLAY DAY'

Parents and students take a break from the heat last week and cool off at Paramount

COURTESY/PARAMOUNT CHARTER ACADEMY

Second-grader Justin Harpole enjoys an ice-cold Popsicle at Paramount Charter Academy's summer party, the recent Popsicle and Water Play Day for students and families. More than 60 students came and cooled off at the school. The kids played in sprinklers and pools and at water tables, made visors, created drawings with sidewalk chalk, played games and won prizes.
