

## Girls on Track Shoe Fittings

This year we will have two Shoe Fitting Open Houses for the Fall 2011 Girls on Track Season. Staff from Gazelle Sports will be sizing each girl and will provide information on sizing for parents. Volunteers from the Greater Kalamazoo Girls on the Run will also be there to assist and answer questions.

Below are the two open houses. You may attend either open house. Please be prepared for a potential wait at the open house site. If you are unable to make either open house, please be sure to stop by Gazelle Sports on Monday, September 19 from 4-8 to have your daughter fitted for her shoes. This will help ensure that your daughter receives her New Balance shoes as soon as possible.
