

# Mrs. Moulton's Supply List

## Fourth Grade

### School Supplies

In order to reduce any inequalities in supplies, I am offering the option of sending in money instead of having to go shopping for school supplies. I will be asking for twenty dollars (cash only) from each student to cover the expenses of their supplies throughout the school year. I will be keeping the classroom funds in a place that is safe and accessible to only me. I will use the money as necessary throughout the year for things such as pencils, tissues, notebooks, crayons, folders, etc. If you choose to send the \$20, you do not have to send in any supplies for your child (including pencils, crayons, paper, etc.). Thank you in advance for your support!

### SUPPLIES

If you would prefer to send in the supplies, your child will be responsible for the following supplies.

### SCHOOL SUPPLIES

#### OPTION 1:

Items to bring:

(By the first week of school)

8 two pocket solid color folders

4 classroom sets (24) of #2 Pencils

4 boxes of tissues

2 packages of baby wipes

2 packages of lined paper (wide ruled)

1 hard covered journal notebooks (the black and white ones)

10 single subject notebooks

I will collect all of the extra items and place their name on their supplies. I will distribute extras to them when needed. This will insure that supplies will not be wasted or lost. At the end of the year anything left over will be sent home.
