**STEP ONE:** Before you go any further, save this Excel spreadsheet on your computer. To do this:

Pull down the File menu from the upper left of your screen

Press "Save As"

Select "Desktop "or whatever location you chose on your computer

Enter "Your Charter School Name - Annual Report 2017" -- *but be sure to enter the actual name of your school instead of "Your Charter School Name". Be sure to put your school name FIRST, as in the example.*

Press Save.

**STEP TWO:** Answer all the questions in Tabs 2-9.

*Be sure to Save your file frequently while you are working on it so that you don't lose any of your answers.*

**STEP THREE:** Once you have answered the questions, Save your file one last time.

**STEP FOUR:** Attach your completed file to an email addressed to [kpritchard@doe.k12.ga.us](mailto:kpritchard@doe.k12.ga.us) along with the Attachments (2 ,3, 4, and 5) that you are required to submit (*see Table 1 at lines 8-12 above*).

**STEP FIVE:** Enter *Annual Report 2017 - Your School Name* as the Subject line of your cover email (be sure to replace "Your School Name" with the actual name of your school - -and be sure to put your school name first in the title of your Attachment 1 file).

**STEP SIX:** Indicate in your cover email what files you have attached to your email.

**STEP SEVEN:** Please indicate in your cover email which group (A-G) your school is in (*see Table #1 at lines 8-12 above*).

**STEP EIGHT:** Press Send.

**STEP NINE:** Check to be sure you receive an email within one business day from [kpritchard@doe.k12.ga.us](mailto:kpritchard@doe.k12.ga.us) in which we confirm that we received your submission.

**STEP TEN:** Check to be sure that you receive a follow-up email within TEN business days.

Once we receive your initial submission, we will review it to see if you answered all required questions and submitted all required attachments.

We will then send you a follow-up email saying your submission was complete or that your submission is rejected.

If your submission is rejected, you will have to address the issues raised and then resubmit a completed Annual Report Form and attachments before the November 1, 2017 deadline.

**PLEASE NOTE:** Your legal obligation to submit your Annual Report is not met until you receive a follow-up email confirming that your submission is complete.

You should therefore not wait until November 1 to submit your Annual Report -- since you may have missed something and therefore would have no time to revise and resubmit your Annual Report Form and attachments.

**We strongly recommend that you start answering the questions in Tabs 2-9 IMMEDIATELY upon receipt of this file.**

41 To properly submit Attachment 2: Proof of non-profit status you must perform the following steps.

42 STEP ONE: Open an Internet browser window on your computer and go to <https://ecorp.sos.ga.gov/BusinessSearch>

43 STEP TWO: Type in your charter school's name.

44 STEP THREE: Click on your school to bring up your most recent Annual Registration Form.

45 STEP FOUR: Save your Annual Registration Form as a PDF file with and name the PDF file *Your School Name - non-profit*.

46 STEP FIVE: Attach the PDF file you saved in STEP FOUR (*at Line #41 above*) to the email you are sending us with your Annual Report Form (*see Line #26 above*).

47 To properly submit Attachment 3: Audit Report you must perform the following steps.

48 O.C.G.A. 20-2-2065(b)(7), the State Board of Education charter rules, and your charter contract require that you submit an independent Audit Report conducted by the State Auditor or a Georgia licensed CPA.

49 NOTE: The Audit Report must include the opinion of the auditor as regards the accuracy of your school's accounting records, financial position, change in financial position, compliance with rules of various governing entities, including GAGAS (Generally Accepted Government Auditing Standards (the "Yellow Book") or, for those schools not yet converted to GAGAS, compliance with GAAP (Generally Accepted Accounting Principles). Charter Schools as defined by O.C.G.A. 20-2-2062 are public schools, therefore the Governmental Accounting Standards Board (GASB) Statements and Interpretations constitute GAAP.

50 If your school's audit firm cannot complete your audit in time to submit it by November 1, 2017, then you must submit your school's unaudited financial statements (Statement of Net Assets, Statement of Activities, and all Fund Financial Statements that have yet to be audited) by November 1, 2017 along with a letter from your auditor explaining why the deadline will not be met -- and then submit the Audit Report when it is completed.

51 If this applies to your school, please note that your school's legal obligations are not met unless you BOTH submit the unaudited financial statements by November 1, 2017 AND then submit the Audit Report when it is completed.

52 STEP ONE: Request that your Auditor present to you in a PDF file your FY 2017 Audit Report or (*if your Audit will not be done by November 1*) your FY 2017 unaudited financial statements with a letter explaining why the audit will not be done on time.

53 STEP TWO: Name the files *Your School Name - 2017 Audit Report* and attach the PDF file(s) you received from your Auditor in STEP ONE (*at line #48 above*) to the email you are sending us with your Annual Report Form (*see Line #26 above*).

54 To properly submit Attachment 4: Signed Governing Board Training Affidavit you must perform the following steps.

57 Press "Save As"

60 Press Save.

61 STEP TWO: Fill out the name of your school in the document

62 STEP THREE: Print the Affidavit

63 STEP FOUR: Have your governing board chair sign and the Affidavit in front of a notary public

64 STEP FIVE: Scan and save into a PDF file your signed "Your Charter School Name - Governing Board Training Affidavit 2017" -- but be sure to enter the actual name of your school instead of "Your Charter School Name", and put the school name first

## Charter School - 2017 Annual Report

### 7. PROMISING PRACTICES

Charter schools are known for implementing "Best Practices" in many areas -- from academics to operations to finances to governance.

This section gives you a chance to share with us all the best practices your school has already implemented or plans to implement this year.

INSTRUCTIONS: For each best practice listed, please enter YES or PARTIALLY only for those that your school can provide hard evidence that it has or will fully or partially implement the practice.

*Note: You do not have to provide hard evidence of these best practices as part of your Annual Report. It is not until we follow up with you later for the separate study of the impact your best practices had on your performance outcomes (mentioned above) that we will ask to see examples of the best practices being implemented at your school.*

## Charter School - 2017 Annual Report

### 8. AUTONOMY

The basic "Charter Bargain" is an exchange of Autonomy for Accountability in which a charter school is granted the freedom to control everything about the school in exchange for agreeing to being held accountable for higher school performance.

This section gives you a chance to share with us all the ways your charter school has exercised Autonomy or *plans* to exercise Autonomy this year.

In other words, which of the many charter school freedoms from the law, rules and regulations, the State, and your local school district (if you are locally approved) have you used or will you use?

We will be following up with you later this fall for a separate study of the impact of your use of autonomy on your performance outcomes as part of the "Beating the Odds" CCRPI performance analysis.

**NOTE: If you did NOT exercise autonomy in an area, please indicate whether it was Not Needed or Not Permitted by your local school district.**

## Charter School - 2017 Annual Report

### 9. AUTHORIZER INFORMATION

Please answer these questions to give your authorizer(s) input on how well they are doing in serving your school. Your participation will support the efforts of all Georgia's charter school authorizers to improve their authorizing policies, procedures, and practices as a way to strengthen chartering in Georgia.

THANK YOU!

The questions in this section are based on the Principles and Essential Practices of NACSA (National Association of Charter School Authorizers).

This section gives you a chance to share information regarding your relationship with your authorizer; your authorizer's application and decision making processes and procedures; their ongoing oversight and evaluation of your school including performance evaluation and compliance monitoring; their respect for your school's autonomy; their protection of student rights; their intervention policies and practices; and their revocation and renewal decision making including the role of merit and evidence, a cumulative report on your school's performance, and a fair, transparent process -- as well as closure procedures.

INSTRUCTIONS: If your school is locally-approved by your school district, answer the questions for both your local district and for the State. If you are a state charter school, answer the questions as they relate to your State authorizer.
