

May 30, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-2017 educational progress for Detroit Merit Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Kenya Morris for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/detroitmerit> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <https://goo.gl/wJ5amq>.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Detroit Merit has increased in proficiency according to the 2016-17 M-STEP assessment results in 3rd and 5th grade ELA and in 3rd, 4th, 5th, 7th and 8th grade math. In other subjects and grades they either stayed the same or decreased. In comparison to our city district Detroit Merit outperforms them in 100% of the categories tested. We also outperform all charters in 75% of the categories tested and 31% of tested categories statewide. In addition, in analyzing our progress with our bottom 30%, we have not made the same growth with these students compared to the rest of our student body. In response Detroit Merit has dedicated additional time for our most needy students to work on individualized intervention plans with qualified support staff. We have restructured our staffing model to ensure our most needy students have time with certified interventionists throughout the day.

State law requires that we also report additional information.

## 1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

### 2016-2017

Detroit Merit Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. Names are randomly selected until all offered seats have been filled. Any remaining names are selected to establish waiting list priority. Applications received after the Open Enrollment period will be accepted until the end of the current school year and available seats will be filled.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

### 2015-2016

Detroit Merit Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

## 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2016-2017

<https://www.nhaschools.com/schools/detroit-merit-charter-academy/en/school-operations>

### **A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes Data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

**B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

The school's School Improvement Team, comprised of various committee chairs, leadership team members, and parents, reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the entire staff reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress, criterion-referenced assessments (M-STEP), and interim, common assessments and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information

As a result of the staff, parents and School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

The school improvement plan supported the academic goals and objectives developed by the team, although adjustments will need to be made along with continued close monitoring of the SIP goals, ELA proficiency was 48% (a 3 point decrease) and math was 30% (just over a 2 point increase). According to NWEA-MAP results in the spring of 2017, students in grades 2-8 were 58% proficient in Reading, and 44% proficient in math. Of the students in grades 2- 8, 51% in reading, and 49% in math made their typical spring to spring growth targets. Student in grades K-1 had 62% combined reading and math make their typical fall to spring growth targets with a combined rate of growth of 115% according to the NWEA-MAP test. Detroit Merit continues to strive for growth as a school.

The School Improvement Team formally reviewed progress against its 2016-17 SIP goals and objectives in spring 2017, as part of its preparation for the 2017-18 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2015-2016

**A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2016, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes Data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

**B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

The school's School Improvement Team, comprised of various committee chairs, leadership team members, and parents, reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2016, the entire staff reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress, criterion-referenced assessments (M-STEP), and interim, common assessments and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information

As a result of the staff, parents and School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

The school improvement plan supported the academic goals and objectives developed by the team, although adjustments will need to be made along with continued close monitoring of the SIP goals. Our overall RaMP (reading and math proficiency) was 38.4% as measured by the M-STEP test. This was a 5 point increase from 2014-15. Reading proficiency was 48% (a 6 point increase) and math was 28% (just over a 3 point increase). According to NWEA-MAP results in the spring of 2016, students in grades 2-8 were 68% proficient in Reading (a 5 point increase), and 47% proficient in math (a 1 point decrease). Of the students in grades 2- 8, 65% in reading, and 50% in math made their typical spring to spring growth targets. Student in grades K-1 had 66% in reading and 71% in math make their typical fall to spring growth targets. Detroit Merit continues to strive for growth as a school.

The School Improvement Team formally reviewed progress against its 2015-2016 SIP goals and objectives in Spring 2016, as part of its preparation for the 2016-2017 school year. A similar review of data is on-going for the 2016-17 school year as well. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through M-STEP assessments, NWEA assessments, interim assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

The School Improvement Team formally reviewed progress against its 2015-16 SIP goals and objectives in spring 2016, as part of its preparation for the 2016-17 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

**3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

2016-2017

At Detroit Merit Charter Academy, our staff is committed to educating the students of Detroit based on four key values: Academic Excellence, Student Responsibility, Moral Focus and a Partnership with Parents. It is our mission to challenge each child of Detroit Merit Charter Academy to achieve their full potential through our rigorous curriculum, values and individualized attention.

We offer an excellent academic curriculum monitored by the leadership within the building, our governing board, our management company (NHA), and our authorizer (GVSU). Our teachers are held accountable to teaching the well-structured curriculum set forth by the curriculum team at our service center, to ensure our students receive the best education. Our staff is committed to creating the best urban school in the country and believes this can be achieved through the hard work of all of our stakeholders. We strive to achieve academic excellence for each child in our school family, and thus it is important that we treat every child as an individual who is expected to be his/her very best and nothing short. The school creates individualized instruction to meet all students at their level, giving extra support or challenge as needed.

We believe students will be successful if they are held to high expectations. In setting high educational and behavioral expectations, we create an environment where each child will grow and learn.

We believe students will be successful if they are held to high expectations. In setting high educational and behavioral expectations, we create an environment where each child will grow and learn.

We are excited to offer parents in the Detroit area a tuition free, quality education alternative to Detroit City public schools for their children.

#### 4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

## 2016-2017

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the

curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

### 2015-2016

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

In 2015-2016, our curriculum is fully aligned and implemented using the Common Core State Standards and the Michigan Grade Level Content Expectations (GLCE) as the foundation.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

2015-2016

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2015 to spring 2016.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2016 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2016-2017

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2016</b>	K-8	753	100.0%
<b>Spring 2017</b>	K-8	733	100.0%

2015-2016

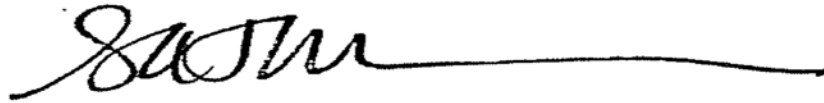

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2015</b>	K-8	726	100.0%
<b>Spring 2016</b>	K-8	714	100.0%

## 7. SCHOOL YEAR HIGHLIGHTS

- 100% of all graduating eighth graders were placed into their high school of choice with almost 1/3 receiving academic scholarships to elite private high schools
- Named one of Michigan's top 100 schools by the Mackinac Center for Public Policy – DMA was #16
- Students have an opportunity in 4th grade to travel to Mackinac Island, in 5th grade to Washington, D.C., and in middle school to various Michigan colleges for campus tours
- Offered a free after school tutoring program and club program for all students, along with athletics for grades four and up

We are looking forward to another rewarding and successful school year in 2018-19!

Sincerely,

Sandra Terry-Martin
