

Stay Connected. Anytime. Anywhere.

Download our two parent apps to get school news, manage your child's information, and stay in the loop — all from your phone or tablet. You can also view in a web browser at app.nhaschools.com.

1. NHA app — Communicate with Your Child's School

Get school news, calendar updates, alerts, and key information from your child's school — all in one place. This is your everyday connection to what's happening at your child's school.
