

Research has indicated that children do better in school when parents play an active role in their child's education. The importance of parents reading, listening, talking, and working with their children from birth through age 4 cannot be overstated. There is no doubt that you play an important role in your child's future success in school. We need you to partner with us to ensure for your child's success in kindertgarten.

We will administer the test below to your child prior to his/her first day. Please help prepare your child to answer the questions below. There is no passing, or failing score. We are hopeful that your child will be able to do well on this test. Thanking you in advance for helping to prepare your child for a successful start in kindergarten.
