Are Administered

Testing Window	Time Allotted for Standard Administration	Availability of Results
Locally determined	Unique to each individual student	State Board of Education policy TEST-001 requires that "LEAs (local education agencies) shall, at the beginning of each school year, provide information to students and parents or guardians advising them of the districtwide and state-mandated tests that students will be required to take during that school year. In addition, LEAs shall advise students and parents or guardians of the dates the tests will be administered and how the results from the tests will be used. Information provided to parents shall include whether the State Board of Education or the local board of education requires the test(s)." Additionally, the policy requires LEAs to "report scores resulting from the administration of districtwide and state-mandated tests to students and parents or guardians along with available score interpretation information within thirty (30) days from generation of the score at the LEA level or receipt of the score and interpretive documentation from the North Carolina Department of Public
