WAKE FOREST CHARTER ACADEMY

Elevating education. Building character.™

September 1, 2026

Dear Parents/Guardians,

In accordance with Section 1112(e)(2)(a) of Every *Student Succeeds Act* (ESSA), we are writing to provide information regarding the assessments that will be administered this year among students at Wake Forest Charter Academy.

The North Carolina READY Accountability Model (adopted in 2012-2013) acknowledges that we owe every child an education that properly prepares him or her for their next big steps after graduation – college, career, and adulthood. To measure student progress toward this goal, and maintain a focus on educational equity and excellence, the law maintains that all students are required to take annual statewide assessments. To provide assessment transparency, we would like to share with you below, the various state assessments that we are required to administer to our students throughout the school year.
