1/24/24	2:40		<p>Students not respecting/ listening to teachers, being loud and disruptive.</p> <p>This was a make up drill originally scheduled 11/14. We had a safety incident at school with social media threats being posted that week, families pulled students from school early and kept them home from school for a few days after. We decided as a team that it would not be in the best interest of the students and families to hold a lockdown drill so soon after they were faced with those safety concerns.</p>
