Core Function:			Domain 3: Instructional Transformation			
Effective Practice:			Practice 3A: Diagnose and respond to student learning needs			
!		A3.01	Instructional Teams use student learning data to identify students in need of instructional support or enhancement.(5110)	Implementation Status	Assigned To	Target Date
Initial Assessment:			Quarterly data is reviewed and analyzed with the deans and teachers to create small groups for workshop time to target specific standards. This quarterly data is also used to qualify students for intervention services or exit them from services if goals are met. Classroom data and BOY, MOY, and EOY data is also used for targeted instruction and placement. Based on EOG results, certain grade levels my be targeted for more support than others. The results from 24-25 indicate a target on 3rd grade math and reading. Data in 24-25 indicates that the supgroup SWD is performing well below the rest of the school. Monitor and tracke student progress and the use of research based intervention tools. Some students with IEP's, may receive additional support through intervention, after school tutoring, and summer programming.	Limited Development 08/31/2022		
			Priority Score: 3 Opportunity Score: 3 Index Score: 9			
How it will look when fully met:			When this objective is fully met, a 5% improvement on mastery of standards will be indicated by Check in quarterly data combined with the BOY NWEA data. Intervention students will decrease in numbers and demonstrate growth of 2-4% on their assessment data and will be out of the bottom quartile.		Sarah Carroll	06/07/2025
Actions				4 of 5 (80%)		
	2/21/25	Interventionists (paraprofessional) and dean over intervention will be biweekly to review progress monitoring data and after each BOY, MOY,EOY assessment to make adjustments to services.		Complete 06/06/2025	Tara Chandler	06/05/2025

Implementation:		05/06/2025		
Evidence	5/6/2025 Meeting notes, data reports			
Experience	5/6/2025 We have scheduled meetings planned for the year and the data hubs are used to review.			
Sustainability	5/6/2025 This will be ongoing each year			

Core Function:			Domain 4: Culture Shift		
Effective Practice:			Practice 4C: Engage students and families in pursuing education goals		
		E1.05	The "ongoing conversation" between school personnel and parents/guardians is candid, supportive, and flows in both directions. (5181)	Implementation Status	Assigned To
Initial Assessment:			When a family withdraws from our school they meet and share their reasons with the registrar. Very little conversation happens before the family withdraws. There is limited depth in the conversation that might enable us to keep the family enrolled.	Limited Development 08/03/2022	
			Priority Score: 1 Opportunity Score: 3 Index Score: 3		
How it will look when fully met:			All leaders and staff members value student enrollment and have implemented ongoing communication with families. Families are aware of the process and feel comfortable sharing concerns and other information with the school.	Jeff Kinlaw	06/05/2026
Actions				1 of 3 (33%)	
8/3/22	Teachers will share parent concerns as they are made aware of them to allow for the dean to meet with the parents.			Complete 06/05/2026	Jeff Kinlaw

<i>Notes:</i> As needed; may not be daily but teacher should reach out to the dean as soon as possible.				
8/3/22	Teachers will connect with the families multiple times through out the school year included but not limited to grade level nights, parent conferences, progress and report cards, etc. Teachers will have open communication with families at the start of the year that provides information regarding how to contact the teacher.		Jeff Kinlaw	06/05/2027
<i>Notes:</i> Periodically throughout the year which may be daily, to weekly, to monthly, to quarterly.				
8/3/22	Deans will meet with (or communicate by phone) families that are considering withdrawing or have expressed concerns/needs the school can address.		Jeff Kinlaw	06/05/2027
<i>Notes:</i> This is on an as needed basis.				
Implementation:		07/28/2023		
Evidence	7/28/2023 Grade level nights and parent nights were scheduled in the fall and spring, teacher/parent conferences twice per year and as needed, report cards and progress reports sent quarterly.			
Experience	7/28/2023 Consistent and clear communication between families we have been able to address issues in a timely manner and head off possible conflict or disagreement.			
Sustainability	7/28/2023 Continue the efforts put in place this school year.			

	KEY	E1.06	The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning).(5182)	Implementation Status	Assigned To	Target Date
Initial Assessment:			Increase in our parental partnership through the use of grade level information nights and parent learning events. PLE's are new to our school this year in the respect that parents are able to meet with their children's teachers directly and are provided with tools and strategies to assist and support their child at home. Share CIP with parents and staff twice a year: to include Title 1 funding, CNA, school/parent compact and wellness policies.	Limited Development 08/29/2022		
			Priority Score: 3 Opportunity Score: 3 Index Score: 9			
How it will look when fully met:			Parents will have the tools and strategies needed to support the learning at home. We will gather feedback via surveys and increase attendance with each event. Quarterly workshops will be offered to parents on various topics and resources for parents to use at home will be shared.	Objective Met 04/22/26	Jeff Kinlaw	06/05/2026
Actions

<i>Notes:</i>						
	8/27/25	Link all weekly grade level newsletters to the weekly principal communication		Complete 06/05/2026	Jeff Kinlaw	06/05/2026
<i>Notes:</i> to decrease the number of emails parents receive and increase parents reading the communications						
	10/17/25	Review parent/student compact at the beginning of the year and at parent/teacher conferences		Complete 06/05/2026	Sarah Carroll	06/05/2026
<i>Notes:</i>						
Implementation:				04/22/2026		
Evidence			3/20/2023 I have the agendas, sign in sheets, surveys, presentations and handouts available			

<i>Experience</i>	3/20/2023 We need to plan ahead and share with parents multiple times to get enough participation and response. It worked well to incorporate family fun and food in our spring meeting			
<i>Sustainability</i>	3/20/2023 We will need to schedule these meetings ahead of time, be sure the objectives are clear and provide valuable materials to our parents, including the students in an activity is essential.
