Plan Information

1. Goal #1 of 3

1. Root Cause Analysis

Increasing parent involvement will increase parent satisfaction and loyalty to the school. It will allow parents to be educated in the importance of school and how to help their student at home. In turn, this will increase enrollment and lessen chronic absenteeism over time.

2. SMART Goal Statement

By **06/04/2027** we will improve the performance of **All Students, All Grades** students at/in **Alliance Academy of Cincinnati** to **increase 10.00 %** in **Attendance** using **Average Daily Attendance Rate** .

3. Student Measures

1. Student Measure #1

All Students will be monitored for **Attendance - Average Daily Rate** every **Month** by **Principal** with an overall improvement of **increase 10.00 %** by end of the plan.

4. Strategies and Actions

1. Strategy #1: Community, Family Engagement

1. Strategy Level: Level 1

2. Description:

This program uses a nudge postcard to reduce student absenteeism by increasing parents or guardians' awareness of non-attendance. The postcard is designed to motivate them to encourage their children to improve attendance and academic performance. The program is rated Promising. There was a statistically significant decrease in posttreatment absenteeism for the intervention group, compared with the control group.

3. Embedded Plan Requirement(s):

- This strategy addresses the parent engagement requirement for LEA plans in ESEA Section 1112.

4. Action Steps

1. Start Action Step: 2025, End Action Step: 06/06/2025

Recurring Parent orientations to share the importance of attendance.

Participant(s):

- Teachers
- Staff
- Principals
- Building Leadership
- Support Staff

2. Start Action Step: 2025, End Action Step: 06/04/2027

Weekly communication to families regarding their current absences.

Participant(s):

- Teachers
- Principals
- School Social Worker

3. Start Action Step: 2026, End Action Step: 06/04/2027

Use short- and long-term attendance data to identify root causes of absences during monthly Academy meetings.

Participant(s):

- Teachers
- Staff
- Principals

4. Start Action Step: 2026, End Action Step: 06/04/2027

Identify and collaborate with strategic community partners to strengthen efforts to support attendance and exposure to and engagement in learning.

Participant(s):

- Support Staff

5. Start Action Step: 2027, End Action Step: 06/04/2027

Incentives (weekly, monthly, quarterly) to promote a higher average daily attendance. Incentives will be given for improving attendance as well.

Participant(s):

- Teachers
- Staff
- Principals
- Social Worker

5. Adult Measures

2. Goal #2 of 3

1. Root Cause Analysis

Addressing the gaps in student learning in math strategies. Teachers need to receive additional PD and development in the appropriate background knowledge and math strategies that support their grade level. Additional intervention time will be spent on math using the program's intervention tool. This can help close the gap as well.

2. SMART Goal Statement

Using **State Report Card - Performance Index, All Students** students in **Third Grade, Fourth Grade, Fifth Grade, Sixth Grade, Seventh Grade, Eighth Grade** attending **Alliance Academy of Cincinnati** will **increase 30.00 %** in **Math** by **06/30/2027**.

3. Student Measures

1. Student Measure #1

Every **Quarter, Math - Interim Assessments** of **All Students** will be monitored by **Principal, Classroom Teacher/s**, with an annual improvement of **increase 10.00 %** resulting in an overall improvement of **increase 30.00 %** by the end of the plan.

4. Strategies and Actions

1. Strategy #1: Curriculum, Instruction and Assessment

1. Strategy Level: Level 3

2. Description:

The Alabama Math, Science, and Technology Initiative (AMSTI) is primarily a professional development strategy for elementary and middle school teachers and principals, who attend a 2-week training session in the summer, followed by on-site coaching during the school year. The focus of professional development is on hands-on, inquiry-based instruction in math and science. In addition to professional development, teachers are provided with all necessary materials, including teacher and student guides, student assessments, software, manipulatives, and hands-on activities, all organized in "kits" that are rotated among schools.

3. Embedded Plan Requirement(s):

- This strategy addresses the professional development requirement for LEA Plans in ESEA Section 1114, Section 2102(b)(2)(D), 3115(c)2.

4. Action Steps

1. Start Action Step: 2025, End Action Step: 06/04/2027

Quality professional development for math instruction.

Participant(s):

- Math Coaches from NHA

2. Start Action Step: 2026, End Action Step: 06/04/2027

Develop or provide resources to facilitate root cause determination or concerns with instruction or achievement.

Participant(s):

- Teachers
- Principals
- Building Leadership

3. Start Action Step: 2027, End Action Step: 06/04/2027

Provide professional development and instructional coaching for teachers on Math standards and effective Math instruction, specifically classroom discourse, explicit vocabulary instruction, and productive struggle.

Participant(s):

- Teachers
- Staff
- Principals

5. Adult Measures

1. Adult Measure #1

- Curriculum, Instruction and Assessment

Every **Month, Math - Classroom Observations and O3 Feedback** of **All Staff** will be monitored by **Principal, Deans**, with an overall improvement of **increase 100.00 % of teachers teaching appropriate strategies to students** by the end of the plan.

3. Goal #3 of 3

1. Root Cause Analysis

The achievement gap needs to close to ensure special education students are also achieving and growing not only on their special education goal, but it must correlate to growth within the classroom, common and state assessments in ELA and Math as their peers.

2. SMART Goal Statement

By **06/30/2027** we will improve the performance of **Students with Disabilities, Third Grade, Fourth Grade, Fifth Grade, Sixth Grade, Seventh Grade, Eighth Grade** students at/in **Alliance Academy of Cincinnati** to **increase 40.00 %** in **ELA and Math** using **State Report Card - Performance Index**.

3. Student Measures

1. Student Measure #1

Every **Month, ELA and Math - District Formative Assessments** of **Students with Disabilities** will be monitored by **Intervention Specialists**, with an annual improvement of **increase 15.00 %** resulting in an overall improvement of **increase 40.00 %** by the end of the plan.

4. Strategies and Actions

1. Strategy #1: Curriculum, Instruction and Assessment

1. Strategy Level: Level 1

2. Description:

Intervention Specialists and Classroom Teachers will be trained in co-teaching to help facilitate learning in the classroom. Co-Teaching is defined as two teachers (teacher candidate and cooperating teacher) working together with groups of students; sharing the planning, organization, delivery, and assessment of instruction, as well as the physical space. (Bacharach, Heck & Dank, 2004).

3. Embedded Plan Requirement(s):

- This strategy addresses the gap closure requirement for Equitable Access to Effective Educators ESEA Section 1112.

4. Action Steps

1. Start Action Step: 2025, End Action Step: 06/04/2027

Staff will attend weekly meeting to review and evaluate test results and student progress.

Participant(s):

- Teachers

- Principals
 - Building Leadership
2. Start Action Step: 2026, End Action Step: 06/04/2027

Assign all teaching staff, including teachers of elective, foreign languages, specials, students with complex needs, etc. to TBTs to support and share effective inclusive instructional practices.

Participant(s):

- Teacher-Based Teams
3. Start Action Step: 2027, End Action Step: 06/04/2027

100% of the teachers will participate in collaborative planning meetings at least once a month to analyze student data and progress, identify areas of need for students, and determine appropriate steps to address academic deficits.

Participant(s):

- Teachers
- Principals
