

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Eagle Crest Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Karen Prins for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/eaglecrest/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tQnKfc>

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

Eagle Crest Charter Academy saw a downward trend in some of the major indicators of school success. Parent satisfaction, enrollment, and student achievement saw a downward trend from 2012-2014. However, in the 2014-2015 school year all three of these indicators improved a great deal and today Eagle Crest is one of the top performing schools within NHA.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

2017-2018

Eagle Crest Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2016-2017

Eagle Crest Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. Names are randomly selected until all offered seats have been filled. Any remaining names are selected to establish waiting list priority. Applications received after the Open Enrollment period will be accepted until the end of the current school year and available seats will be filled.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/eagle-crest-charter-academy/en/school-operations>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys

- 
- Staff surveys and teacher quality information
 - Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area

During the 2017-2018 school year we continued to focus on the Common Core standards and establish an academic program of rigor and high expectations. We continued our work on school-wide goals of instructional rigor and actionable feedback. Teachers utilized grade level common planning time to align expectations and instruction in each classroom at the same grade level. Previous implementation of reading workshop, writing workshop and Math Expressions has enabled us to meet higher academic expectations. The addition of Math Stories to our math curriculum has provided a sturdy framework for higher level thinking skills and increased opportunity for academic conversations and higher level of engagement. Additionally, our professional development has been focused upon these core curriculum content areas and improving systematic intervention support for our students.

The current Rtl process that was begun during the 2014-2015 school year continues to play a large role in the success of our students. We continue to improve the way we provide intervention for our students and helping ALL students grow academically. Progress monitoring and utilizing best available resources and creating a culture of ownership for all students are important factors contributing to a more successful Rtl program.

Resource room teachers and special education paraprofessionals work one-on-one and in small groups with students with IEPs, scaffolding instruction according to individual needs. We have two full time ELL teachers to help the classroom teachers support the ELL students by providing additional small group instruction.

C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.

1. A 5% increase in the number of economically disadvantaged students who are proficient on the 2017-2018 math M-STEP.
2. A 3% increase in the number of EL students who are proficient on the 2017-2018 ELA M-STEP.
3. A 5% increase in the number of EL students who are proficient on the 2017-2018 social studies M-STEP.
4. A 5% increase in the number of EL students who are proficient on the 2017-2018 science M-STEP.

Eagle Crest was not able to meet all of our past academic goals for improvement within our subgroups. However, Eagle Crest continues to be a top performing school district in the entire Holland/Zeeland area based upon data from the 2017-2018 M-STEP.

The School Improvement Team formally reviewed progress against its 2016-17 SIP goals and objectives in spring 2017, as part of its preparation for the 2017-18 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

E. How was this year's school improvement process similar or different from last year's process?

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2016-2017

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

2017-2018

The mission of Eagle Crest Charter Academy is for the staff, parents and Board members to accept the responsibility to develop students of high moral character, who attain mastery of academic skills, are superb communicators and have the foundation for lifelong learning. Opening our doors in the fall of 1997 to 136 students in grades K-5, we have grown to serve approximately 700 students in Young Fives - 8th grades. Our average class size is 24 students per class. Eagle Crest is comprised of 19% Asian American, 42% Caucasian, 34% Hispanic and 6% African American and 1% other ethnicities. Parent satisfaction has generally been high with 81% of respondents indicating that the academic program at Eagle Crest is among the best in the area and 82% of respondents indicating that Eagle Crest has high expectations. Our school is managed by National Heritage Academies and chartered through Central Michigan University.

2016-2017

The mission of Eagle Crest Charter Academy is for the staff, parents and Board members to accept the responsibility to develop students of high moral character, who attain mastery of academic skills, are superb communicators and have the foundation for lifelong learning.

Opening our doors in the fall of 1997 to 136 students in grades K-5, we have grown to serve approximately 700 students in Young Fives - 8th grades. Our average class size is 24 students per class. Eagle Crest is comprised of 18% Asian American, 44% Caucasian, 32% Hispanic and 5% African American and 1% other ethnicities. Parent satisfaction has generally been high with 98% of respondents satisfied or highly satisfied with Eagle Crest, 96% likely to recommend Eagle Crest to other families and 99% of parents are proud that their student attends Eagle Crest. Our school is managed by National Heritage Academies and chartered through Central Michigan University.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

2016-2017

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence but have acquired the knowledge and skills necessary to be successful in high school and college. 5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2017-2018

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2017 to spring 2018.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2018 administration of the NWEA MAP assessment.

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2017-2018

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2017	K-8	701	96.8%
Spring 2018	K-8	713	98.2%

2016-2017

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2016	K-8	691	97.3%
Spring 2017	K-8	712	100.0%

7. SCHOOL YEAR HIGHLIGHTS

Kindergarten-2nd grade teachers continued work in reading workshop, provided targeted instruction for small groups, addressing each student's needs at an individual level. Paraprofessionals worked alongside classroom teachers to set individual goals for student achievement.

The K-2 teachers and our math interventionist continued to utilize the Delta Math assessment program to progress monitor students' proficiency in previous-year and current-year math standards. From the data collected, teachers and interventionists planned groups and instruction to reteach and shore up student proficiency in their required standards. Our 3rd-5th grade students continued our book challenge, with the majority of students meeting or exceeding goals set by themselves with their classroom teacher. Reading comprehension scores increased throughout the year, and growth was also seen in the quality of writing produced by students.

2017-2018 was the third year of utilizing the Math Expressions curriculum in grades 3-5. Math Expressions is a research-based curriculum tool aligned to the CCSS offering opportunities for student collaboration, problem-solving and critical thinking at a variety of differentiated levels. Along with our Delta screener results, teachers utilized the intervention opportunities during the scheduled math intervention time to reinforce skills needed for each student to progress in their math understanding. This year, through the use of common assessment data and classroom assessments, we are finding students better prepared for math content and thinking processes in the next grade level.

The 2017-2018 school year was our third year of the Middle School wing fully implementing an Academic Intervention block to provide additional support in reading and math. 30-40 minutes each day was set aside to provide additional support for students who were below grade level in reading or math. Teachers used a variety of data points (i.e. NWEA scores, Delta math; F&P scores) to determine which students would benefit from additional support and in what specific areas. Every 4-6 weeks the teachers would look at student progress and any new data they had in order to realign groups. This allowed teachers to address additional areas of concerns or provide support for new students. Students working at or above grade level were placed into enrichment groups. These students were challenged to excel and grow in a variety of ways such as hands on science projects, research-based history projects, and literature circles using books at a challenging reading level.

We are looking forward to another rewarding and successful school year in 2019-20!

Sincerely,

Louise Moore
