

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Prevail Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Jen Bell for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/prevail/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tOHuQu>

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

\* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

Based upon our 2017-18 assessment data, the key focuses for Prevail are to continue to increase our proficiency on our state assessment and increase the rate of growth for our scholars with IEPs. As we work to reach our goal of college readiness, our first area to address is to increase the rate of growth for our scholars with IEPs. In order to accelerate their rate of growth, we will be examining the structure of the services provided. Currently, a majority of the scholars are receiving their special education services in a pull out structure. We will be continuing with the structure implemented this year that allows for a majority of push in services for our scholars so that they can better access their grade level content. In addition, as a

building we are working to strengthen our core reading instruction to better meet the needs of all scholars at every level. Our second step in reaching our goal of college readiness is to increase our percent of scholars scoring proficient on our state assessment. In order to make gains in this area, we have ensured that all core content areas are being taught every school day. In addition, we have implemented a strategic assessment strategy in order to pace and plan instruction based on the standards, regularly assess students based on the CCSS, and address learning gaps throughout the school year.

State law requires that we also report additional information.

## 1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

### 2017-2018

Prevail Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

#### 2016-2017

Prevail Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

## 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/prevail-academy/en/school-operations>

### **A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

### **B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

Prevail's overall curricular implementation plan for the 2017-2018 school year is based on a triangulation of assessment data. Included are M-STEP results, AIMS data and Interim Data. Recognizing triangular trends, it was evident that our professional development and focus would need to continue to support our scholars in the bottom quartile.

Strategies at Prevail Academy will include data analysis to identify scholars falling in the bottom quartile on state assessments and Interim Data. These scholars will receive highly structured intervention services maximizing a multi-tiered support system (MTSS). Strategies will also include math and reading workshop across all grade levels based on student achievement data. Continued intentional unit planning with formative assessments will also support differentiated instruction daily in all classrooms.

Staff will continue to implement the Common Core State Standards to support college and career readiness with the use of new curricular resources. A strategy we will continue is planning and implementing standard based lessons with daily small group workshop. Teachers will intentionally plan small group workshop based on data to target scholars learning gaps. The school improvement team will continue to communicate school-wide goals with all stakeholders, providing opportunities to review, revisit, and revise where necessary.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

Yes, the SIP has done what it was set out to do. The SIP has been a road map for our year long plan for continuous improvement. It effectively outlines action steps required to meet our SIP goals. The School Improvement Plan and committee provide an opportunity to have effective dialogue with all stakeholders. Through this dialogue and analysis as a school community we analyze data, identify needs, set and review goals, and implement the most effective action plans and strategies to achieve student success. The evidence of increasing proficiency and growth on the state assessment proves our process to have had a positive impact on student achievement along with lowering of behavior incidents through staff training.

The School Improvement Team formally reviewed progress against its 2017-18 SIP goals and objectives in spring 2018, as part of its preparation for the 2018-19 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2016-2017

<https://www.nhaschools.com/schools/prevail-academy/en/school-operations>

**A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys

**B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

Prevail's overall curricular implementation plan for the 2016-2017 school year is based on a triangulation of assessment data. Included are M-STEP results, MAP testing results, and formative and common assessment results. Recognizing triangular trends, it was evident that our professional development and focus would need to continue to support our scholars in the bottom quartile.

Strategies at Prevail Academy will include data analysis to identify scholars falling in the bottom quartile on state assessments and norm referenced tests. These scholars will receive highly structured intervention services maximizing a multi-tiered support system (MTSS). Strategies will also include math and reading workshop across all grade levels based on student achievement data. Continued intentional unit planning with formative assessments will also support differentiated instruction daily in all classrooms.

Staff will continue to implement the Common Core State Standards to support college and career readiness with the use of new curricular tools. A strategy we will continue is planning and implementing standard based lessons with daily small group workshop. Teachers will intentionally plan small group workshop based on data to target scholars learning gaps. The

school improvement team will continue to communicate school-wide goals with all stakeholders, providing opportunities to review, revisit, and revise where necessary.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

Yes, the SIP has done what it was set out to do. The SIP has been a road map for our year long plan for continuous improvement. It effectively outlines action steps required to meet our SIP goals. The School Improvement Plan and committee provide an opportunity to have effective dialogue with all stakeholders. Through this dialogue and analysis as a school community we analyze data, identify needs, set and review goals, and implement the most effective action plans and strategies to achieve student success. The evidence of increasing proficiency on the state assessment proves our process to have had a positive impact on student achievement.

The School Improvement Team formally reviewed progress against its 2016-17 SIP goals and objectives in spring 2017, as part of its preparation for the 2017-18 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

### 3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

#### 2017-2018

Prevail Academy is managed by National Heritage Academies (NHA). Founded in 1995, NHA stands at the forefront of educational reform, operating over 80 charter academies in nine states. Each school is open to all students, without exception, free of charge. NHA is headquartered in Grand Rapids, MI. Prevail Academy opened on August 23, 2004, providing education to 200 scholars in grades K-5. In the 2017-18 school year, Prevail Academy had an enrollment of approximately 600 scholars serving grades K-8 with a FRL percentage of approximately 80%. Prevail Academy offers an academically challenging, character-based education with strong emphasis on parent involvement.

**Academic Excellence:** Prevail Academy utilizes a college preparatory approach. The curriculum is based upon the Common Core Standards in order to achieve college and career readiness. All scholars are tested in the fall and spring using the Northwest Evaluation Assessment Measures of Academic Progress. This is a norm referenced test that allows us to track the progress of our scholars against the national population.

**Moral Guidance:** Prevail Academy's mission is to develop scholars who are of strong character to positively contribute to society. Prevail Academy works to reinforce universal values and morals. Character development is not a separate program but an encompassing theme that is integrated throughout all subject areas. Scholars are expected to exhibit proper conduct and are recognized for their positive behavior and contributions.

**Parent Involvement:** The Prevail Academy Board and staff believe strongly that parent support and involvement is a key ingredient for student success and academic achievement.

#### 2016-2017

Prevail Academy is managed by National Heritage Academies (NHA). Founded in 1995, NHA stands at the forefront of educational reform, operating over 80 charter academies in nine states. #### 4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

##### 2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core

curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2017-2018

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2017 to spring 2018.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2018 administration of the NWEA MAP assessment.

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2017-2018

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2017</b>	K-8	543	90.7%
<b>Spring 2018</b>	K-8	510	88.1%

2016-2017

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2016</b>	K-8	553	92.9%
<b>Spring 2017</b>	K-8	508	88.3%

## 7. SCHOOL YEAR HIGHLIGHTS

A few highlights from the 2017-18 school year include:

- Prevail implemented a K-8 reading structure with leveled reading classes and targeted push-in intervention support. In addition, in the middle school we implemented co-teaching in math classes to accelerate growth and achievement.
- Prevail increased AQM score from 66 to 68
  - Growth increased from 64-65
  - Proficiency increased from 69-73
- Prevail continued to utilize AIMS Web Progress Monitoring for all K-2 scholars and scholars that fall in the bottom quartile in grades 3 – 8. The progress monitoring data allows us to closely watch the literacy growth of our beginning readers and of our most at-risk scholars. The data allows us to make quick instructional adjustments to meet the needs of all learners.
- Prevail Academy made some significant achievements in regard to state test performance and data.
  - Overall proficiency in ELA increased by 4% from the 2015-16 school year.
    - 59% of 8<sup>th</sup> graders demonstrated proficiency in ELA
    - 38% of 5<sup>th</sup> graders demonstrated proficiency in ELA
  - Prevail outperformed our local district in 100% of tested areas and was 13% higher when averaging all tested areas.

We are looking forward to another rewarding and successful school year in 2019-20!

Sincerely,

Mark Weigle  
School Principal  
Prevail Academy  
353 Cass Avenue  
Mount Clemens, MI 48043
