

C.R.S. § 22-7-1014(2)(a)– Preschool individualized readiness plans - school readiness - assessments.

- *Rationale:* MVA should have the authority to implement relevant curriculum and assessments that ensure students success in higher learning. The domains of physical well-being, motor development, social-emotional development, language and comprehension development; and cognition and general knowledge are assessed daily due to the present curriculum and assessments. Support is readily available through numerous avenues based throughout the program.
- *Replacement Plan:* MVA will administer school readiness assessments for all Kindergarten students within the first 30 days of the school calendar.
 1. The assessments utilized will be research based, will be valid, and will be reliable.
 2. MVA will implement readiness plans tailored for individual students based upon readiness assessments (this includes DIBELS).
 3. Students will not be denied enrollment or progression to first grade based on the results of assessments.
 4. MVA will fulfill the requirement to administer the literacy component of school readiness by implementing compliant DIBELS for the READ Act assessment within the first 30 days of the school calendar.
