Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Paramount Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Rosa Ruiz for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/paramount/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tTDLkC>

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

\* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

Key challenges for Paramount academically was the decline in achievement in all subject areas. There was also a high percentage of teacher turnover than in past years. Current staff were shifted to help support until the building was fully staffed. In efforts to close the achievement gap several initiatives were put into place.

- Hired more interventionists
- Hired academic specialist to support in small group
- Four Achievement and Behavior Support Specialist were hired to support at-risk scholars.
- Backwards planning and assessing from three benchmark assessments to guide instruction and pacing of CCSS.
- Two programs were purchased to support intervention.
- Professional development is/will be intentionally planned to meet the needs of a less experienced staff.
- Corrective Reading was implemented for grades 2-8.
- Reading Mastery implemented for Y5-1
- Intense instructional coaching to enhance and /or improve the teaching of Paramount's new staff.

State law requires that we also report additional information.

#### 1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

##### 2017-2018

Paramount Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random selection process shall be open to the public, and the school will notify all applicants of the time

and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

## 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/paramount-charter-academy/en/school-operations>

### **A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

### **B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

The School Improvement Plan was created by the School Improvement Team consisting of school leadership, numerous classroom teachers, paraprofessionals, parents, and school board members. School Improvement Team goals are based on norm-referenced and criterion-referenced assessment data, and all implementation strategies are research-based. The SIP team evaluated current initiatives and strategies to determine their effectiveness in meeting the School's Improvement goals. The Plan was formulated after a detailed data review process by the SIP team. Adjustments in implementation are made based on feedback from teachers and test data. The SIP also includes a plan for school-wide professional development.

Improvement of student achievement continues to by our school wide playbook. Our playbook focuses on the following goals within our school improvement plan:

#### **K-2 Balanced Literacy Model:**

The K-2 Balanced Literacy Block has two primary functions: 1. Ensure all domains of literacy are addressed daily (Phonemic Awareness, Phonics, Vocabulary, Comprehension, Writing) and 2. Develop our students as independent readers through a balanced literacy gradual release

model (Read Aloud, Shared Reading, Guided Reading, Independent Reading). These two goals are accomplished through a strategic and research-based format of repeated skill-based instruction and practice that moves students fluidly through both whole and small group application.

**K-2 Balanced Literacy Model:**

We believe this model addresses our three beliefs about effective literacy instruction.

- ✓ We must teach the reader, not the text
- ✓ We are what we repeatedly do
- ✓ We must teach students to read before they can read to learn

Through the process of addressing these beliefs, the structure targets fluency development which is the key to developing proficient readers.

In our 3-8 classrooms our playbook focuses on utilizing a scope and sequence so teachers know what to teach, it includes time structures so teachers know when to teach it, it includes instructional routines so teachers know how to teach it, and lastly assessments so teachers know how to assess it. We also have increase support from our curriculum and instruction team.

ABSS will work with at risk students to remove barriers to academic achievement. School wide Corrective Reading/Novel study system is in place to enrich and remediate Paramount Scholars.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

Overall combined NWEA scores decreased in both ELA and Math on the M-Step for the 2017-18 school year. While all initiatives and action steps were implemented, there was some issues with consistency due to a variety of staffing issues.

The School Improvement Team formally reviewed progress against its 2017-18 SIP goals and objectives in spring 2018, as part of its preparation for the 2018-19 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement.

Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

The SIP team evaluated current initiatives and strategies to determine their effectiveness in meeting the School's Improvement goals. The Plan was formulated after a detailed data review process by the SIP team. Academic goals and objectives were written in all four core academic areas. The

School Improvement Team meets monthly in order to monitor and evaluate progress toward school improvement goals. Adjustments in implementation are made based on feedback from teachers and test data. The SIP also includes a plan for school-wide professional development.

Improvement of student achievement continues to be driven by four main strategies. Further development and implementation of these initiatives will be closely monitored by the School Improvement Team.

Continued professional development for teachers in the instructional strategy of formative assessment, with setting and monitoring of specific classroom implementation goals. Additional instructional support in the core areas of ELA and Math will be provided to at-risk and accelerated learners in grades K-8, M-F during school day hours by Interventionists under the direct supervision of a Dean of Intervention. Instructional Coaches and Specialists will monitor intervention services to targeted students through observation and coaching provided to both teachers and paraprofessionals in the use of inclusion and small group instruction in order to increase student achievement in the four core content areas. ABSS will work with at risk students to remove barriers to academic achievement. School wide Corrective Reading/Novel study system is in place to enrich and remediate Paramount Scholars.

**3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

2017-2018

Paramount Charter Academy (PCA) is located in the heart of Kalamazoo Public Schools (KPS) and is part of National Heritage Academies (NHA). NHA is a growing charter organization having schools across eight different states all of which are Young 5/K through 8th grade. Paramount is chartered by Bay Mills Community College. There are three classrooms in Kindergarten, 3 classrooms in 1<sup>st</sup> grade, 2 classrooms in 2<sup>nd</sup>-5th grades, with 6 classrooms in grades 6-8. Demographically, Paramount has a diverse student body; 51% African American, 37% Caucasian, and 12% others. The Socio-economic status is varied as well as 85% of students receive free or reduced lunch. The school qualified as Title I school wide beginning in the 2009-2010 school year. This allows all students to be eligible to receive Title 1 services. Special Education services are received by 16% of the student body.

**4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL**

2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be

successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

## 7. SCHOOL YEAR HIGHLIGHTS

- Implemented Math Stories in grades K-2.
- Moved our intervention block to the morning.
- Hired teacher in residence positions for the 17-18 school year.
- Created a strong leadership team, who all uphold the same vision for Paramount.

We are looking forward to another rewarding and successful school year in 2019-20!

Sincerely,
