

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Endeavor Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Mary McAlvey for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/endeavor/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tNqIBo>

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school was identified as an Additional Targeted Support School.

Based on the 2017-2018 assessment data (i.e. M-STEP and NWEA), Endeavor Charter Academy consistently outperforms our immediate school district in all content areas. Although this is commendable, we are challenged with our students continuing to score below the average state thresholds in all content areas, specifically in writing, science and social studies. Several key initiatives were implemented to assist and support staff members in closing the achievement gap at Endeavor Charter Academy.

This past school year, additional training was provided to all staff members who provide intervention services to students below the 30th percentile; we have implemented a highly structured literacy block in grades K-2 that focuses on both growing reading fluency and developing critical comprehension skills; AimsWeb benchmarking and weekly progress monitoring programs have been fully implemented for all students in grades K-2 and for students in grades 3-8 who are below the 30th percentile in reading; Reading Mastery has been implemented for all students in grades K-2 and for students in grades 3-8 who are below the 30th percentile in reading; additional resources were purchased to supplement grade level instruction; the availability and the use of computer adaptive programs (Moby Max, Prodigy, Reading A to Z) allowed students to practice skills and staff member to track and monitor student growth; the deans met one-on-one with staff members and with grade level teams to discuss planning and data to inform instructional decisions.

Monthly data meetings between the Intervention Team and classroom teachers were held to report on progress being made in the intervention program as well as to address individual student needs. We also implemented changes to our ELA and Math curricular tools to specifically accelerate student growth and proficiency in these areas and worked closely with specialists from NHA's Curriculum and Instruction department to grow teacher capacity in improving instruction.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

2017-2018

Endeavor Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random selection process shall be open to the public, and the school will notify all applicants of the time

and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2016-2017

Endeavor Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. Names are randomly selected until all offered seats have been filled. Any remaining names are selected to establish waiting list priority. Applications received after the Open Enrollment period will be accepted until the end of the current school year and available seats will be filled.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/endeavor-charter-academy/en/school-operations>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area

The school's School Improvement team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In Spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Associations (NWEA) Primary Grades Assessment and Measures of Academic Progress, Interim Assessments, AIMSWeb Plus benchmarking and progress monitoring criterion-referenced assessments (MSTEP), and classroom assessments.
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes data

As a part of the school improvement process we continue to use curriculum that is aligned to the Common Core State Standards. Working with the curriculum and instruction team, staff

continues to receive on-going, job-embedded professional development on how to best use the curricular tools. Professional development was provided on understanding and desegregating the data from the assessments to better inform instruction in the classrooms. Individualized Reading Programs were developed and put into place for students in grades K-3 who were at risk of not reaching grade level proficiency. All students in grades K-2 were benchmarked in reading fluency using AimsWeb Plus and students in grades 3-8 scoring below the 30th% on NWEA were benchmarked in reading fluency using AimsWeb Plus

C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.

Yes. In order to evaluate the success of the School Improvement Plan and to create an implementation plan to continue working to close the achievement gap for the 2017-2018 school year the School Improvement Team and the Leadership Team determined the following next steps:

- Schedule regular, in-depth data meetings using the Learning Continuum and Interim Assessments.
- Implement NHA's Simplified Playbook in order to focus on 4 primary goals – Increasing proficiency and growth in ELA, increasing proficiency and growth in Math, strengthening our culture, and delivering consistent Systematic Intervention.
- Bi-weekly instructional coaching for each grade level/wing to drive backwards planning from interim assessments and differentiation of workshop lessons.
- Implementation of the K-2 Literacy block with intervention services provided for every student in grades K-2 (Reading Mastery and AimsWeb Plus)
- Additional resources to support Tier 3 interventions include the implementation of Reading Mastery for grades K-2 and Corrective Reading for grades 3-8.
- Full implementation of AimsWeb Plus – a progress monitoring tool. It is described by Pearson as “a web-based assessment, data management and reporting system for grades K-12 that is perfectly suited to Response to Intervention implementation and tiered instruction.
- Implementation of “Math Stories” in grades K-5 in order to build conceptual knowledge of critical math skills.
- Continuation of the Socio-Emotional program called “Positive Action” together with NHA's Moral Focus curriculum to address the socio-emotional needs of our students.
- An Achievement and Behavior Support Specialist is in place for each of our K-2, 3-5, and 6-8 hallways to assist and support student behavior and school culture.
- Implementation of Restorative Justice and Practices across the school.
- Participation in a Chronic Absenteeism pilot designed to minimize the number of students experiencing chronic absenteeism (more than 18 school days).

The School Improvement Team formally reviewed progress against its 2017-18 SIP goals and objectives in spring 2018, as part of its preparation for the 2018-19 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

E. How was this year's school improvement process similar or different from last year's process?

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2016-2017

<https://www.nhaschools.com/schools/endeavor-charter-academy/en/school-operations>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes Data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year

B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area.

The school's School Improvement team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In Spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Associations (NWEA) Primary Grades Assessment and Measures of Academic Progress, Interim Assessments, criterion-referenced assessments (M-STEP), and classroom assessments.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

2017-2018

Endeavor Charter Academy began in Springfield, Michigan on August 25, 1998 with 250 students in kindergarten through fifth grade. Since its inception, Endeavor has increased its student population yearly.

Endeavor Charter Academy, now a kindergarten through eighth grade school, is within the Battle Creek Public School District. It draws its students not only from Battle Creek, but Lakeview Public, Harper Creek Public, Pennfield, Gull Lake Community, Hastings Area Schools as well as additional surrounding school districts.

Endeavor Charter Academy takes great pride in its academic programs and commitment to educational excellence. Our academic success is made possible because we excel in:

- An outstanding Moral Focus (character building) program
- A rigorous academic curriculum focused on the basics
- A professional staff committed to “Challenging Each Child To Achieve...”

As you review the annual report, you will find many other interesting facts about Endeavor Charter Academy that make this educational environment such a great place for your child.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be

successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2017-2018

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2017 to spring 2018.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2018 administration of the NWEA MAP assessment.

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2017-2018

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2016	K-8	522	79.5%
Spring 2017	K-8	492	79.0%

2016-2017

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2016	K-8	521	78.3%
Spring 2017	K-8	508	79.4%

7. SCHOOL YEAR HIGHLIGHTS

- Full implementation of NHA's Simplified Playbook to accelerate student growth and proficiency across all grades K-8.
- Continued outperformance of Battle Creek school district in all content areas
- Increased security measures in our school to provide a safer environment for staff, students, and parents including a new camera system, push button locks on all classroom doors, and a card entry security system.
- Increased after school tutoring, technology clubs, and related learning opportunities for students to enrich and extend the school day.

We are looking forward to another rewarding and successful school year in 2019-20!

Sincerely,

Kathleen Grinwis
School Principal
Endeavor Charter Academy
