

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Fortis Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Sarah Lau for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/fortis/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tSJE1D>

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

\* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

Based on availability of data, the all students group showed a decrease in proficiency in 2017-2018 from the 2016-2017 state testing in reading.

The continued use of My Sidewalks and of MobyMax allowed for more differentiation and targeted of individual student deficit areas in reading. However, the My Sidewalks program was replaced in the 2018-2019 school year with Reading Mastery and Corrective Reading. Teacher professional development sessions to improve instructional practices and teacher skills to create and complete meaningful assessments should also continue.

State law requires that we also report additional information.

#### 1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

##### 2017-2018

Fortis Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

### 2016-2017

Fortis Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. Names are randomly selected until all offered seats have been filled. Any remaining names are selected to establish waiting list priority. Applications received after the Open Enrollment period will be accepted until the end of the current school year and available seats will be filled.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

## 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/fortis-academy/en/school-operations>

### **A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

### **B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

School improvement plan goals for the 2017-2018 school year were:

- 3-8 Teachers will use interim and common assessment data to create pre-planned extensions or correction opportunities which they will then deliver during small group instruction.
- K-2 Teachers will use student goals created from NWEA assessment data to create pre-planned extensions or correction opportunities which they will then deliver during small group instruction.

Staff professional development on the curricular tools (Reading Street, Big Ideas, My Sidewalks) and AimsWeb Plus for progress monitoring in reading were implemented. Increased inclusion of informational text, use of MobyMax, Ten Marks, Khan Academy, and Reflex Math to differentiate instruction, and a summer learning program that included targeted instruction in reading, math, science, and social studies along with Summer Bridge books for home use were noted in the SIP as strategies for achieving these goals.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

The subgroup data for the 2018 M-STEP shows that progress toward the SIP goals in math were made. Reading showed a slight decrease. Moving forward, SIP goals focusing on differentiation to increase student achievement are in place for the 2019-2020 school year.

The School Improvement Team formally reviewed progress against its 2017-18 SIP goals and objectives in spring 2018, as part of its preparation for the 2018-19 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2016-2017

<https://www.nhaschools.com/schools/fortis-academy/en/school-operations>

**A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- 
- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
  - Student demographics
  - Discipline, tardy, truancy, and attendance rates
  - Parent surveys
  - Staff surveys and teacher quality information
  - Programs and processes Data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

**B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

School improvement plan goals for the 2016-2017 school year were:

- Objective: The free lunch subgroup will increase the percent meeting typical growth by 8% in Math as measured by Fall to Spring scores on the NWEA MAP by June 30, 2017.
- Objective: The free lunch subgroup will increase the percent meeting typical growth by 4% in Reading as measured by Fall to Spring scores on the NWEA MAP by June 30, 2017.
- Objective: The economically disadvantaged subgroup will increase 5% of students in the Advanced and Proficient score ranges in Social Studies as measured by MSTEP (or equivalent state test) by June 30, 2017.
- Objective: The economically disadvantaged subgroup will increase 6% of students in the Advanced and Proficient score ranges in Science as measured by MSTEP (or equivalent state test) by June 30, 2017.

Staff professional development on the curricular tools (Reading Street, Big Ideas, My Sidewalks) and AimsWeb Plus for progress monitoring in reading were implemented. Increased inclusion of information text, use of MobyMax, Ten Marks, Khan Academy, and Reflex Math to differentiate instruction, and a summer learning program that included targeted instruction in reading, math, science, and social studies along with Summer Bridge books for home use were noted in the SIP as strategies for achieving these goals.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

The subgroup data for the 2017 M-STEP shows that progress toward the SIP goals in math and Science was made. Reading and Social Studies showed slight decreases overall. Moving forward, SIP goals focusing on differentiation to increase student achievement are in place for the 2018-2019 school year.

The School Improvement Team formally reviewed progress against its 2016-17 SIP goals and objectives in spring 2017, as part of its preparation for the 2017-18 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

**3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

2017-2018

Fortis Academy is a grade K-8 public school Academy located in Ypsilanti, MI. It was opened in 2004 and is authorized by Bay Mills Community College. Fortis Academy provides a college-bound approach to students at all grade levels that focuses on the Common Core State Standards and the Michigan Grade Level Content Expectations. The 2017-2018 school year enrollment was 720 students. There was an increase in students who qualify for free or reduced lunch to 74%. The percentage of students that are identified as English Language Learners also increased from previous years, to 16%. The percentage of students identified as receiving

Special Education services decreased slightly from previous years to 11%. The demographics for Fortis Academy show great diversity. 60% of the student population is African American, 16% are Caucasian, 15.8% are Hispanic, 6.9% are Asian, 0.8% are American Indian or Alaskan Native, and 0.4% are native Hawaiian or Pacific Islander. The diversity of the student population has helped to create a culture of academic excellence.

#### 2016-2017

Fortis Academy is a grades K-8 public school Academy located in Ypsilanti, MI. It was opened in 2004 and is authorized by Bay Mills Community College. In the 2015-2016 school year, enrollment at the school increased to 722 students from 706 students in the 2014-2015 school year. Fortis Academy provides a college-bound approach to students at all grade levels that focuses on the Common Core State Standards and the Michigan Grade Level Content Expectations.

In the 2015-2016 school year there was an increase in students who qualify for free or reduced lunch to 68% from 64% in the 2014-2015 school year. The percentage of students that are identified as English Language Learners also increased from previous years, to 14% from 10% in the 2014-2015 school year. The percentage of students identified as receiving Special Education services decreased slightly from previous years to 10%.

The demographics for Fortis Academy show great diversity. 52% of the student population is African American, 19% are Caucasian, 14% are Hispanic, 8% are Multi-Racial, 6% are Asian, and the remainder are Native American, Native Hawaiian, American Indian, and/or Alaskan Native. The diversity of the student population has helped to create a culture of academic excellence.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

#### 2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2017-2018

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2017 to spring 2018.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2018 administration of the NWEA MAP assessment.

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2017-2018

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2017</b>	K-8	691	95.6%
<b>Spring 2018</b>	K-8	673	97.3%

2016-2017

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2016</b>	K-8	687	96.1%
<b>Spring 2017</b>	K-8	690	96.5%

## 7. SCHOOL YEAR HIGHLIGHTS

- The school implemented several events (NAAPID event, the Cultural Extravaganza, and an increase in Title 1 parent learning events to include a family game night, Science night, Reading Night, and Math night) that increased parent participation.
- Fortis increased community partnerships to include Greenhills School, YMCA, EMU, and Concordia, and Madonna to provide additional support for the students.
- Students participated in the Michigan Youth in Government program which allows middle school students to participate in governmental procedures and debate topics in the Capital building.

We are looking forward to another rewarding and successful school year in 2019-2020!

Sincerely,

Ira Kleiman  
School Principal  
Fortis Academy
