

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Vanguard Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Laurie Piechocki for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.nhaschools.com/schools/vanguard/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tRWXPZ>.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

\* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

The School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in language arts, mathematics, science and social studies. Vanguard desires to increase growth and proficiency in these areas.

The school is taking the following steps to accelerate student achievement:

1. Continue to analyze demographic, perception, student achievement, program and process data to identify areas of need.
2. Differentiate instruction for all students.
3. Provide focused teacher professional development in EL strategies and instructional alignment between the Common Core State Standards and how the standards are assessed.
4. Provide additional instructional support for students at-risk of not meeting challenging state standards through small group or one-on-one instruction and extended learning time beyond regular school hours, including after school tutoring.
5. Provide additional instructional support for students at-risk of not meeting challenging State standards through providing high quality, on-going professional development for teachers and support staff.
6. Student achievement data, including state test data, NWEA data, and local and formative assessment data (including subgroup analysis) is analyzed and discussed by the Leadership Team or a designated School Improvement Team. Results of the analysis determine the school's focus areas and are shared and confirmed by the following stakeholders: 1) Staff, 2) Parents, and 3) Board members.
7. We have determined that an increased focus on cognitive engagement will improve overall student performance, particularly through meeting the needs of more students by keeping them more engaged in their learning. Teachers will work together in the development of a common definition of cognitive engagement and will observe colleague's implementation of strategies to grow individually and also collectively as a school.
8. Parents, caretakers and family are a critical part of a child's learning and academic success. Parents can become involved in the following ways:
  - Participate on the School Improvement Planning Team or in Title I/School Improvement Planning Meetings
  - Volunteer in their child's classroom, provide lunch assistance, and assist as a recess monitor
  - Attend parent learning events hosted by the school
  - Utilize the school's Parent Room
  - Participate on the Parent Teacher Organization
  - Join a Parent Committee
  - Attend Parent-Teacher Conferences
  - Attend Parent Nights, which often teach parents reading and/or math skills/activities to use at home
  - Attend Parent Trainings which include learning how to understand state test scores

State law requires that we also report additional information.

## 1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

### 2017-2018

Vanguard Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings.

Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

#### 2016-2017

Vanguard Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

## 2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/vanguard-charter-academy/en/school-operations>

### **A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum**

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys

- 
- Staff surveys and teacher quality information
  - Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

**B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area**

The Vanguard School Improvement Team (SIT) continued to review and revise the School Improvement Plan (SIP) throughout 2017-2018. The overall goal is for all students to be proficient in Math and ELA as measure by the annual M-STEP assessment. The SIT met monthly to analyze instruction, curriculum, procedures, and program design and their effectiveness.

Some of the focus areas include:

1. We provide teachers a common planning time to identify students' strengths and weaknesses, set goals, and develop instructional strategies.
2. A workshop model, or small group time is used in both Math and Reading to better differentiate instruction with smaller groups of students who were identified with similar needs.
3. Workshop teams, consisting of specialists, grade level teachers and support staff, have a structured schedule and implement specific instructional and learning strategies during small group instruction targeting the learning gaps.
4. We utilize AIMS Web to progress monitoring to adjust intervention strategies as necessary to promote growth.
5. We have monthly data meetings to ensure all students in K-3<sup>rd</sup> are growing in reading fluency and comprehension.
6. Data meetings were implemented in all grade levels to adjust instruction to better meet student needs.
7. We utilize Reading Mastery as tool for reading intervention.
8. Math and Reading tutoring occurred after school for students below grade-level to help close the gap.
9. Grade level assessment analysis and planning days were provided to grade level teachers to analyze and plan for instruction based upon student performance on assessment of common core standards.
10. Professional Development was provided in assessment literacy and cognitive engagement.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

2017-2018 M-STEP Proficiency

- Math: 58% proficient
- ELA: 57% proficient
- Social Studies: 26% proficient

The SIT team has analyzed the data for the 2017-18 goals in preparation for the 2018-19 school year. The evaluation process includes evaluating data collected through state assessments, interim assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

The School Improvement Team formally reviewed progress against its 2017-18 SIP goals and objectives in spring 2018, as part of its preparation for the 2018-19 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year**

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

**E. How was this year's school improvement process similar or different from last year's process?**

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2016-2017

<https://www.nhaschools.com/schools/vanguard-charter-academy/en/school-operations>

3. Workshop teams, consisting of specialists, grade level teachers and support staff, have a structured schedule and implement specific instructional and learning strategies during small group instruction targeting the learning gaps.
4. We utilize AIMS Web to progress monitoring to adjust intervention strategies as necessary to promote growth.

- 
5. We have monthly data meetings to ensure all students in K-3<sup>rd</sup> are growing in reading fluency and comprehension.
  6. Data meetings were implemented in all grade levels to adjust instruction to better meet student needs.
  7. We utilize Reading Mastery as tool for reading intervention.
  8. Math and Reading tutoring occurred after school for students below grade-level to help close the gap.
  9. Grade level assessment analysis and planning days were provided to grade level teachers to analyze and plan for instruction based upon student performance on assessment of common core standards.

Professional Development was provided in EL strategies to better instruct all students in learning key academic vocabulary.

**C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.**

2016-2017 M-STEP Proficiency

- Math: 55% proficient
- ELA: 57% proficient
- Science: 24% proficient
- Social Studies: 24% proficient

2016-2017 NWEA Growth

- Math: 118% Median Rate of Growth
- Reading: 123% Median Rate of Growth

2016-2017 NWEA at/or above Grade Level Proficiency

- Math: 73%
- Reading: 73%

The SIT team has analyzed the data for the 2016-17 goals in preparation for the 2017-18 school year. The evaluation process includes evaluating data collected through state assessments, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

**3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

2017-2018

Vanguard Charter Academy opened in 1996 with a K-5 enrollment of 248 students and 10 teachers. Today Vanguard has grown into a K-8 school with an enrollment of 776 students and more than 39 full and part-time teachers, and 12 support staff.

Vanguard Charter Academy is a National Heritage Academies school authorized by Grand Valley State University. Vanguard believes in operating on a four pillar approach to education that includes a focus of academic excellence, moral virtues, student responsibility, and parental partnership. Vanguard believes in a structured academic environment. Our students on average are well above the national norms for reading and math. Our program not only supports state standards, the Common Core State Standards, but provides a unique college-bound approach that delivers the specific knowledge, skills and objectives students are expected to master in each subject area at each grade level. The overarching goal for our students is to have them academically and morally ready to enter college after high school graduation.

Vanguard Charter Academy shares in a parent's desire to develop a child's heart as well as their mind. As a result, Vanguard designed a unique moral focus program that works to support our parents' efforts to instill character in their children by reinforcing and demonstrating universal virtues such as integrity, wisdom, courage, and respect. We believe our success as a school has been a result of excellent teachers that hold high expectations for students, a challenging curriculum, and highly involved parents.

### 2016-2017

Vanguard Charter Academy opened in 1996 with a K-5 enrollment of 248 students and 10 teachers. Today Vanguard has grown into a K-8 school with an enrollment of 771 students and more than 36 full and part-time teachers, and 12 support staff.

Vanguard Charter Academy is a National Heritage Academies school authorized by Grand Valley State University. #### 4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

### 2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness.

Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

### 2016-2017

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. 5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2017-2018

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2017 to spring 2018.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2018 administration of the NWEA MAP assessment.

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2017-2018

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2017</b>	K-8	729	93.8%
<b>Spring 2018</b>	K-8	730	93.5%

2016-2017

<b>Parent-Teacher Conferences</b>			
	<b>Grades</b>	<b># of Students Represented</b>	<b>% of Students Represented</b>
<b>Fall 2016</b>	K-8	723	95.1%
<b>Spring 2017</b>	K-8	705	93.5%

## 7. SCHOOL YEAR HIGHLIGHTS

- Vanguard increased the Academic Quality Measure increased by 9 percentile points to an overall to 91<sup>st</sup> percentile, based upon the 17-18 MSTEP.
- Vanguard hosts assemblies throughout the year to promote our focus moral virtues through classroom presentations to the student body and also to recognize students who exemplify the moral virtues at school, both inside and outside of the classroom.
- Vanguard has very strong parental support which is led by our PTO. There have been many events including, volunteer days, a Watch-DOG dad program, donuts with dads, muffins with moms, a daddy-daughter dance and several other activities that had great parental participation. Along with activities to encourage parental support, the PTO has also raised funds to support classroom teachers and other school improvements. Our PTO continues to enrich our school in many ways.
- More than 80% of Vanguard Middle School students are involved in Vanguard extra-curricular activities, such as, band, choir, student council, drama and athletics.
- Vanguard students “lived” the moral focus curriculum by organizing a wide variety of community service projects including food drives, clothing drives, and other community support projects.

We are looking forward to another rewarding and successful school year in 2019-20!

Sincerely,

Mark DeJong  
School Principal  
Vanguard Charter Academy
