

May 30, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-2017 educational progress for Chandler Woods Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Pam Wenzel for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.nhaschools.com/schools/chandlerwoods/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <https://goo.gl/MJzgnX>.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

The key challenges for our school based on the 2016-17 data gathered, lead us to establish the following goals and actions.

- Increase hands on and real-world connections in all subject areas
- Increase use of current technology and implement new uses. This includes student use of web-based differentiated tool Mobymax for math and reading.
- Implement RTI procedures and resources for struggling students in reading and math.
- Provide professional learning community time for grade level and content area focus.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

2016-2017

Chandler Woods Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. Names are randomly selected until all offered seats have been filled. Any remaining names are selected to establish waiting list priority. Applications received after the Open Enrollment period will be accepted until the end of the current school year and available seats will be filled.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2016-2017

<https://www.nhaschools.com/schools/chandler-woods-charter-academy/en/school-operations>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes Data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area

Chandler Woods Charter Academy's School Improvement Plan (SIP) was developed from the most recent testing data that has been gathered: the M-Step test is a state-required criterion referenced battery of tests given to students in grades 3-8 in April and May and the MAP/PGA test is a nationally normed battery of achievement tests which is administered to all students in grades K-8, two times a year.

This past year, the Chandler Woods Charter Academy's School Improvement Team (SIP Team) agreed to our continuous focus on the school goals of proficiency of all of our students in Language Arts, Mathematics, Science, Social Studies, and Computer Literacy, plus a special emphasis on student data, formative assessment, rigorous instruction, and the Common Core State Standards.

Consequently, Chandler Woods Charter Academy's SIP Team and the total teaching staff established action steps to meet these goals. This is the continuation of a school improvement process that has been on-going at Chandler Woods Charter Academy. The SIP Team members monitor the SIP throughout the school year to assist with the implementation of the plan.

The staff participated in a variety of professional development activities to enhance the school improvement process throughout the school year. They included training in: Common Core State Standards, differentiation to meet student needs and an intervention plan that utilizes common tools to progress monitor and for instruction.

C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.

The staff participated in a variety of professional development activities to enhance the school improvement process throughout the 2016-17 school year. They included training in: Differentiate to student learning needs and Common Core State Standards.

We feel that we have succeeded in our SIP efforts for the 2016-17 school year. By evaluating our year-end data and the current year's school improvement process, we have determined that we will work to sustain our content objectives in the areas of Math, Reading, Science, and Social Studies, and concentrate on a school-wide development/implementation plan focused on the Common Core State Standards for English-language arts and math for the 2016-17 school year.

The School Improvement Team formally reviewed progress against its 2016-17 SIP goals and objectives in spring 2017, as part of its preparation for the 2017-18 school year. A review of student performance data and other data pertaining to the school's selected focus area was

conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

E. How was this year's school improvement process similar or different from last year's process?

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2015-2016

<https://www.nhaschools.com/schools/chandler-woods-charter-academy/en/school-operations>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2016, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes Data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area

Chandler Woods Charter Academy's School Improvement Plan (SIP) was developed from the most recent testing data that has been gathered: the M-Step test is a state-required criterion referenced battery of tests given to students in grades 3-8 in April and May and the MAP/PGA test is a nationally normed battery of achievement tests which is administered to all students in grades K-8, two times a year.

This past year, the Chandler Woods Charter Academy's School Improvement Team (SIP Team) agreed to our continuous focus on the school goals of proficiency of all of our students in Language Arts, Mathematics, Science, Social Studies, and Computer Literacy, plus a special emphasis on student data, formative assessment, rigorous instruction, and the Common Core State Standards.

Consequently, Chandler Woods Charter Academy's SIP Team and the total teaching staff established action steps to meet these goals. This is the continuation of a school improvement process that has been on-going at Chandler Woods Charter Academy. The SIP Team members monitor the SIP throughout the school year to assist with the implementation of the plan.

The staff participated in a variety of professional development activities to enhance the school improvement process throughout the school year. They included training in: Common Core State Standards, differentiation to meet student needs and an intervention plan that utilizes common tools to progress monitor and for instruction.

C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.

The staff participated in a variety of professional development activities to enhance the school improvement process throughout the 2015-16 school year. They included training in: Differentiate to student learning needs and Common Core State Standards.

We feel that we have succeeded in our SIP efforts for the 2015-16 school year. By evaluating our year-end data and the current year's school improvement process, we have determined that we will work to sustain our content objectives in the areas of Math, Reading, Science, and Social Studies, and concentrate on a school-wide development/implementation plan focused on the Common Core State Standards for English-language arts and math for the 2015-16 school year.

The School Improvement Team formally reviewed progress against its past SIP goals and objectives, as part of its preparation for the new school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to

evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the M-Step assessment, NWEA assessments, iReady assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

The School Improvement Team formally reviewed progress against its 2015-16 SIP goals and objectives in spring 2016, as part of its preparation for the 2016-17 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

E. How was this year's school improvement process similar or different from last year's process?

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

2016-2017

Chandler Woods Charter Academy first opened its door on the northern edge of Grand Rapids (Belmont) in September of 1999 with 221 students in grades K – 5. Now approaching its nineteenth year of being chartered by Grand Valley State University and managed by National Heritage Academies, Chandler Woods officially enrolled 720 students in grades Young Five – 8 during the 2016-17 school year. Our maximum class size was 29 students. A few demographic details from 2016-17 include: 23% students were "economically disadvantaged" (meaning they qualified for the federal free/reduced lunch program), 11% received special education services, 51% were females, 49% were males. Our curriculum can most accurately be described as academically challenging and best suited for students interested in attending college after completing high school.

Chandler Woods strongly encourages parental involvement. Parents play an important role in the life of our school. Our Parent Satisfaction Survey results continued to be strong. We scored the overall highest level of satisfaction among parents/guardians in the area: Likelihood to Enroll Next Year (83%).

We scored the overall highest level of satisfaction among parents/guardians in the area: Likelihood to Enroll Next Year (83%).

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL

2016-2017

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the

curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

2015-2016

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

In 2016-2017, our curriculum is fully aligned and implemented using the Common Core State Standards and the Michigan Grade Level Content Expectations (GLCE) as the foundation.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

2015-2016

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2015 to spring 2016.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2016 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2016-2017

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2016	K-8	713	100.0%
Spring 2017	K-8	713	99.7%

2015-2016

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2015	K-8	706	96.4%
Spring 2016	K-8	735	100.0%

7. SCHOOL YEAR HIGHLIGHTS

- Our middle school students participate in the ATYP (Academically Talented Youth Program) facilitated by Kent Intermediate School district.
- Chandler Woods has a successful parental partnership program that encourages father figures to participate in the daily academic programs (Watch D.O.G.S).
- Chandler Woods middle school students competed in the GVSU Science Olympiad and qualified for the regional and the state competition in the spring. The team placed 3rd at regionals and 12th at state as a team.
- Our annual Fine Arts Show exhibits student artwork and vocal and instrumental music performances.

We are looking forward to another rewarding and successful school year in 2018-19!

Sincerely,

Joe Hammond
