

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-2018 educational progress for Regent Park Scholars Charter Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Leslie Riase-Mitchell for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.nhaschools.com/schools/regentpark/> and clicking on the "Annual Education Report" link at the top of the page or you may review a copy from the school's office at your child's school. You may also access the AER by clicking here: <http://bit.ly/2tSPtvS>.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels.

Regent Park Scholars Charter Academy is located in a relatively high-poverty, urban area in Northeast Detroit. The Academy's student population is comprised of 99% African American students and approximately 1% Hispanic and Caucasian students. Currently, more than 96% of Regent Park students qualify for free or reduced lunch. Some of the unique challenges that have affected Regent Park are a significant lack of viable employment opportunities in our community, urban flight, neighborhood destruction, increased crime rates, and a rise in homelessness. In addition, the opportunity to develop community partnerships are a challenge as the area experiences increases in blight with both homes and local businesses.

An additional challenge we experience is in our academic achievement on state tests. Regent Park has consistently underperformed the state average in tested content areas and grade levels (20% below proficiency on average). We had a significant number of students who were not proficient on the state assessment. Our M-STEP proficiency for 2017-18 were: 17% proficient in ELA, 8% in Math, and 5% in Social Studies. In addition, only 3% of students new to Regent Park in state testing grades scored at or above grade level on the Fall NWEA assessment in math and only 10% were proficient in ELA.

Student attendance is another significant challenge. Our average daily attendance rate was 87.7% in the 2017-18 school year, which is under the state goal of 90%. 380 students (52%) were chronically absent in 2018-18, missing 18 or more days of school. Student attendance continues to be an area of needed improvement for Regent Park.

The key initiatives and interventions in place to address these challenges include our dean model (which provides teachers with ongoing feedback, coaching and support), 3 Achievement and Behavior Specialists, 2 school social workers, an attendance liaison, support from a Math curriculum and instruction specialist, strategic need-driven professional development in Math and ELA, our small-group instruction model, afterschool programming, tutoring programs, and our summer learning programs.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

2017-2018

Regent Park Scholars Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. The random

selection process shall be open to the public, and the school will notify all applicants of the time and place. A neutral third party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee. Names will be randomly selected until all offered seats have been filled. Any remaining names will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible names have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received. The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. All applicants on a waiting list must submit an application for the following school year during the next Open Enrollment period in order to be considered in the lottery.

In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2016-2017

Regent Park Scholars Charter Academy is a state-funded, public school academy. Therefore, there is no cost to attend the Academy. The school is open to any child wishing to attend. Students must be age-appropriate for their respective grade, and they must reside in the state of Michigan.

By law, the school cannot restrict enrollment based on selection criteria. The school can, however, limit the total number of students who may attend the school. If the number of

applications exceeds the number of offered seats, a random selection process will determine who attends the school.

The school's Open Enrollment period begins on the first day of the current school year and ends at 5 p.m. on the last day of business in February of the current school year. During this Open Enrollment period, all applications receive equal consideration regardless of the date submitted. At the close of Open Enrollment, all applications received during the Open Enrollment period will be counted. If applications received are fewer than offered seats in each and every grade level, all applicants will be accepted and will receive a notice of acceptance into their respective grades. If the number of applications received exceeds the number of offered seats in any grade level, a random selection process will take place for all affected grade levels. Names are randomly selected until all offered seats have been filled. Any remaining names are selected to establish waiting list priority. Applications received after the Open Enrollment period will be accepted until the end of the current school year and available seats will be filled.

Once students are Enrolled and remain Enrolled, they will remain eligible to be Re-Enrolled at the school for successive years without having to re-apply. However, they will be requested to complete a re-enrollment form by the end of the Open Enrollment period showing their intent to Re-Enroll for the subsequent school year. In an effort to accommodate parents who have more than one child eligible for enrollment, siblings of accepted and currently Enrolled students are given enrollment priority over children who have no such siblings. Siblings of currently Enrolled students at the school will be drawn first in the random selection process, if one is necessary, for offered seats. In addition, if a child is selected during the random selection process, that child's sibling will be offered an available offered seat or the next spot on the waiting list in his/her respective grade. Though siblings are afforded priority for offered seats, they are not given priority over a previously Enrolled student.

In addition to sibling preference, children of staff members employed at the school working a regularly scheduled minimum of 20 hours per week (at least 0.5 FTE) or children of current board members are given enrollment priority. Though these children are afforded priority for offered seats, they are not given priority over a sibling, or a previously Enrolled student.

All applications received after the Open Enrollment Period will not be eligible to participate in the random selection process, and will be added to the end of the accepted list if offered seats are still available after the random selection process, or to the resulting waiting list created at the time of the random selection process.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

2017-2018

<https://www.nhaschools.com/schools/regent-park-scholars-charter-academy/en>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2018, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. This review included the following data, among others:

- Student achievement on norm-referenced assessments, including Northwest Evaluation Association's (NWEA) Primary Grades Assessment and Measures of Academic Progress (MAP), criterion-referenced assessments (state assessment), and classroom assessments
- Student demographics
- Discipline, tardy, truancy, and attendance rates
- Parent surveys
- Staff surveys and teacher quality information
- Programs and processes data

As a result of the School Improvement Team's review of data, priority improvement objectives in the core academic curriculum were selected for the upcoming school year.

B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area

Grade level teams are working to analyze MSTEP data to create intentional teaching plans for science, reading, and math that align with the curricular tools and the district-wide interim assessment. Teachers are more comfortable with the ELA and Math curriculum tools introduced last school year. Teachers are partnering with Academic Specialists or Paraprofessionals to provide more individualized instructional opportunities and small group instruction for at risk students.

C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.

The School Improvement Team reviewed progress against its goals and objectives as part of its preparation for the 2018-2019 school year. A review of student performance data and other data pertaining to the school's selected focus areas was conducted in order to evaluate progress toward meeting its goals. Specific data that was used to evaluate includes previous years' MSTEP assessments, NWEA assessments, interim and unit assessments from the curriculum tools, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal. The results of this analysis indicate: Regent Park outperformed the local district in 86% of tested content

areas and grade levels. Regent Park outperforms all the closest located schools with similar demographics in ELA proficiency and is among the top 3 in Math proficiency. As students become more familiar with standardized assessments and extended reading material as demonstrated by the Michigan State Test for Educational Progress, (MSTEP), performance levels will increase in proficiency and the gap will close even more.

The School Improvement Team formally reviewed progress against its 2017-18 SIP goals and objectives in spring 2018, as part of its preparation for the 2018-19 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

E. How was this year's school improvement process similar or different from last year's process?

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

2016-2017

<https://www.nhaschools.com/schools/regent-park-scholars-charter-academy/en>

A. Describe how data led your School Improvement Team to select your school's improvement objectives in the core academic curriculum

The school's School Improvement Team reviews data formally and informally throughout each school year as part of its continuous school improvement process. In spring 2017, the school reviewed school and student performance data and perceptual data aligned with the Michigan School Improvement Framework. B. Describe your implementation plan for the core academic improvement objectives identified in your school improvement process. You may choose to describe your overall curricular implementation plan or you may choose to describe the plan in each content area

Grade level teams are working to analyze MSTEP data to create intentional teaching plans for science, reading, and math that align with the curricular tools and the district-wide interim assessment. Teachers are more comfortable with the ELA and Math curriculum tools introduced last school year. Our Intervention program will be continued but tailored more to students in the bottom 10th percentile. Teachers are partnering with Academic Specialists or Paraprofessionals to provide more individualized instructional opportunities for at risk students.

C. Did the SIP do what it set out to do? Describe the evaluation process that led you to this conclusion.

The School Improvement Team reviewed progress against its goals and objectives as part of its preparation for the 2017-2018 school year. A review of student performance data and other data pertaining to the school's selected focus areas was conducted in order to evaluate progress toward meeting its goals. Specific data that was used to evaluate includes previous years' MSTEP assessments, NWEA assessments, interim and unit assessments from the curriculum tools, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal. The initial results of this analysis indicate: Regent Park outperformed the local district in 75% of tested content areas and grade levels. We have continued to decrease the gap between our percent of student's proficient and the state average. As students become more familiar with performance tasks, and extended reading material as demonstrated by the new Michigan State Test for Educational Progress, (MSTEP), performance levels will increase in proficiency and the gap will close even more.

The School Improvement Team formally reviewed progress against its 2016-17 SIP goals and objectives in spring 2017, as part of its preparation for the 2017-18 school year. A review of student performance data and other data pertaining to the school's selected focus area was conducted in order to evaluate progress toward meeting its goals. Specific data evaluated includes that collected through the state assessment, NWEA assessments, summative assessments, and formative assessments. The evaluation process includes ascertaining the degree to which each goal has been met or what progress has been made toward each goal.

D. Describe how the evaluation of data and the current year's school improvement process led your school improvement team to select your school's improvement objectives in the core academic curriculum for the next school year

See A and C above. Additionally, the School Improvement Team's evaluation of data, as part of its continuous school improvement process, revealed key focus areas for improvement. Identified through the process were specific student performance targets in English language arts, mathematics, science, and social studies.

E. How was this year's school improvement process similar or different from last year's process?

On the whole, this year's school improvement process was similar to last year's process. The School Improvement Team met formally in the spring both to evaluate progress against the prior year's identified school improvement goals and to assess data and identify school improvement goals for the next year.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

2017-2018

The mission of Regent Park Scholars is to offer the families of Metro Detroit a K-8 public school with a challenging academic program and a school culture that values integrity, academic excellence, and accountability, where each student is given the opportunity for success. Regent Park Academy is a National Heritage Academy School, authorized by Lake Superior State University. The school is located on the eastside of Detroit, Michigan on East 7 Mile Rd. Regent Park Scholars Charter Academy opened in 2011, providing education to approximately 700 students in grades K-8. Current enrollment for 2018-19 includes 684 students in grades K-8.

2016-2017

The mission of Regent Park Scholars is to offer the families of Metro Detroit a K-8 public school with a challenging academic program and a school culture that values integrity, academic excellence, and accountability, where each student is given the opportunity for success. Regent Park Academy is a National Heritage Academy School, authorized by Lake Superior State University. The school is located on the eastside of Detroit, Michigan on East 7 Mile Rd. Regent Park Scholars Charter Academy opened in 2011, providing education to approximately 700 students in grades K-8. Current enrollment for 2016-17 includes 712 students in grades K-8.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

2017-2018

Our goal of preparing students for college success has required us to take a unique view in terms of our curriculum. Our goal is to graduate students who have not only had the opportunity to experience academic excellence, but have acquired the knowledge and skills necessary to be successful in high school and college. What makes our curriculum particularly unique is that it has been developed to support state standards with a college-bound approach.

Our curriculum was developed based on the analysis of standards and assessment experts across the nation, including groups such as National Assessment of Educational Progress (NAEP), ACT®, Achieve, Inc., the Thomas B. Fordham Institute, the National Council of Teachers of English, The National Mathematics Advisory Panel, the American Association for the Advancement of Science, and the National Council for Social Studies. This analysis, conducted by National Heritage Academies, comprehensively researched what students need to know to be successfully prepared for rigorous high school and college educational programming. NHA then worked backward to develop a curriculum that defines the expertise needed by students in kindergarten through eighth grade to enter high school on the path to college readiness. Since college readiness goes beyond academic preparedness, the curriculum not only includes learning goals in core academic and co-curricular areas, but also includes an integrated character development component.

The curriculum's objectives are aligned to those identified by the Michigan Academic Standards: both the Common Core State Standards (CCSS) and the Grade Level Content Expectations (GLCE). Moreover, all students are expected to reach the CCSS and GLCE goals. However, modifications/accommodations are sometimes necessary to ensure learning for all students. This support comes through classroom differentiation, in-class support services, targeted programmatic resources, out of class intervention, and out of school time opportunities—all of which are designed to accelerate student growth trajectories.

The only variance in our curriculum when compared to the Michigan Academic Standards is the addition of a Moral Focus component. We believe great schools develop both a student's heart and mind, and the Moral Focus program is designed to support parents' efforts to teach character at home by reinforcing and modeling universal human virtues, such as compassion, respect, and integrity. This Moral Focus program is explicit and integrated with the school's core curriculum. A different virtue is featured each month of the school year. Teachers model behavior that exemplifies the virtue and recognize and praise students when they do the same.

A copy of the core curriculum can be obtained by parents via written request submitted to the school administration.

2016-2017

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

2017-2018

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2017 to spring 2018.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2018 administration of the NWEA MAP assessment.

2016-2017

Detailed below is a graph depicting the percentage of students in our school meeting growth targets from fall 2016 to spring 2017.

Detailed below are the percentages of students performing at or above the 50th percentile on the spring 2017 administration of the NWEA MAP assessment.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

2017-2018

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2017	K-8	528	73.3%
Spring 2018	K-8	616	87.4%

2016-2017

Parent-Teacher Conferences			
	Grades	# of Students Represented	% of Students Represented
Fall 2016	K-8	558	79.8%
Spring 2017	K-8	575	82.3%

7. SCHOOL YEAR HIGHLIGHTS

As we conclude the year, we reflect on the year as a team and take pride in the accomplishments we have achieved. Last year, Regent Park celebrated its fourth graduating class of 8th graders. Many of the students who graduated were accepted into magnet and advanced high schools like Cass Technical High School, Martin Luther King and East English Village Academy.

We continue our partnership with the local Detroit Police Department, as well as citizens in the community who watch out for our students when they are coming to and from school. The incidence of gun violence perpetuating our neighborhood and our student body continues due to

the area and the devastation that is going on in the school community. However, we have created a safe haven for our students that provides, a safe, caring and acceptable environment for students to thrive morally, socially, and academically. Regent Park continues to sponsor Safety Awareness events to address gun safety.

Once again, Regent Park was honored to partner with The Leukemia and Lymphoma Society for our annual Pasta for Pennies fundraiser. Students donated spare change into classroom collection boxes during the month of March. All donations were sent to The Leukemia and Lymphoma Society to help with their efforts to cure blood cancers. In the spring students participated in Field Day. Events included a bounce house, inflatable obstacle course, water games, tug-o-war and relays! The student council community service projects this year included providing Gleaners groceries monthly, our annual coat drive, and the Holiday Adopt a Family program. We were able to provide gifts for over 50 families and also provided coats for all students in need. We took this opportunity as an excellent way for our students to give back to their community and help to provide families with meal essentials for the holidays.

Our Regent Park leadership team has remained a strength and has provided stability and consistency needed for our student body to be successful. Dean support has been outstanding support to the culture and climate of the building. The perception of instructional coaching, relationships with teachers, and modeling effective relationships with students has improved. As a team, we have also focused on safety in and around the building for staff and students.

We are looking forward to another rewarding and successful school year in 2019-20!

Sincerely,

Crystal Byse
School Principal
Regent Park Scholars Charter Academy
