

## **NHA PRACTICES AND PROCEDURES: ADMISSIONS AND ENROLLMENT (LA-DOE)**

The school will enroll students in grades K-8 and comply with all applicable federal and state laws related to admissions and enrollment.

### **Non-Discrimination**

A charter school shall not discriminate against or limit the admission of any student on any unlawful basis, including on the basis of ethnicity, national origin, gender, disability, intellectual ability, measures of achievement or aptitude, athletic ability, race, creed, national origin, religion or ancestry. A school may not require any action by a student or family (such as an admissions test, interview, essay, attendance at an information session, etc.) in order for an applicant to either receive or submit an application for admission to that school.

### **Enrollment Eligibility**

All student applicants must be residents of Louisiana State at the time of enrollment. At the time of enrollment, families must provide proof of residency, which includes two of the following: Mortgage payment receipt, tax documents, closing paperwork or current lease including parent/guardian name and address and utility bills (issued within the last 30 days) in the name and address of the parent/guardian (electric, gas, water/sewer, cable, or telephone bill will suffice).

If the parent/guardian and child(ren) reside with someone else, the parent/guardian needs to provide: picture I.D. of the person with whom they reside. (If the bills are not in the name of the person they are living with, they will need the bill and the I.D. of that person also); and parent's picture I.D.; and two (2) different types of current utility bills (issued within the last 30 days) in that person's name/address (electric, gas, water/sewer, cable, or telephone; OR current lease and one (1) current rent bill. Students in temporary housing, as defined by McKinney-Vento, are not required to submit proof of residency documentation.

All students who enroll in kindergarten must turn five by September 30th of that school year. First grade students must turn 6 by the same deadline.

### **Open Enrollment Period and Notice**

The "**Open Enrollment Period**" for the first year of operation will be determined prior to June 30 by the NHA Enrollment Department and included in the notice of Open Enrollment. In all subsequent years, the Open Enrollment Period is January 1 of the current school year until 5:00 p.m. (school's local time) on the last day of business in February of the current school year. Notice of the Open Enrollment Period and application process will be designed to inform the persons most likely to be interested in the school.

National Heritage Academies (NHA) and/or the school will provide notice of Open Enrollment on its website and by (a) printing a legal notice of the enrollment period in a local newspaper of general circulation; (b) posting a written notice of the Open Enrollment Period at the school. In addition, notice may also be provided by airing a public service announcement on local television.

### **Application Procedures**

Interested parties may obtain applications at:

- The school's website
- The offices of the school
- The service center of NHA at 3850 Broadmoor SE, Suite 201, Grand Rapids, MI 49512 or by calling 866-NHA-ENROLL from 8:00 a.m. to 5:00 p.m. EST.

Applications will be mailed, emailed or faxed to anyone requesting an application by telephone.

## **NHA PRACTICES AND PROCEDURES: ADMISSIONS AND ENROLLMENT (LA-DOE)**

Applications for the current school year will be accepted until the end of the current school year and available seats will be filled. Applications for the subsequent school year are received during and after the Open Enrollment Period. If applications received during the Open Enrollment Period exceed offered seats in any grade level a random selection process will take place for all affected grade levels. If applications received are fewer than offered seats in each and every grade level all eligible applicants will be accepted, and a random selection process will not be conducted.

All applications received after the Open Enrollment Period (“late applications”) will not be eligible to participate in the random selection process. If seats are available, late applications will be added to the end of the accepted list in the order received. If no seats are available, the late application will be added to the end of the waiting list or, if the late application is entitled to preference, inserted in the waiting list immediately before all applicants on the waiting list with a lower enrollment preference category.

### **Currently Enrolled Students**

Every student who is enrolled in the current school year and remains enrolled on the last day of the current school year is eligible to re-enroll for the subsequent year without participating in the random selection process. Enrolled students do not have to submit an application for the subsequent year; however, they will be requested to complete a re-enrollment form during the school year showing intent to re-enroll for the subsequent school year.

### **Random Selection Process**

The random selection process shall be open to the public, shall be announced at least one week prior to the date of the lottery, and the school will notify all applicants of the time and place. A neutral third-party person will be present during the random selection process. This person will not be related to any student, staff member, board member, anyone applying to the school, or an NHA employee.

Students will be randomly selected until all offered seats have been filled. Any remaining students will be randomly selected to establish waiting list priority used to fill available offered seats prior to and during the school year for which the student applied. After all eligible students have been randomly selected, the school will add the names of applicants who submitted applications after the Open Enrollment Period in the order in which they were received.

The random selection process is open to the public and will be video recorded. In the event of any discrepancy, the video recording will be the official record of placement of students.

### **Procedural Steps for the Random Selection Process**

#### **Step 1: Setup**

A list with the name of each student who submitted an eligible application during the Open Enrollment Period will be created. The list will include, but not be limited to, the student's name, birth date, grade level to which the student is applying, street address, and names and grade levels of any siblings who are also applying for admission to the school.

#### **Step 2: Admission of Applicants**

A neutral third-party person (as previously described) will perform an electronically random selection of the names of each applicant. Any grades that will not be filled to capacity in the lottery will be considered before other grades in descending order. After all these grades have been identified, the order of the grades that will be filled to capacity in the lottery will be randomly selected.

## **NHA PRACTICES AND PROCEDURES: ADMISSIONS AND ENROLLMENT (LA-DOE)**

Once the grade order has been established, randomly selected students will be placed in available seats or on the waiting list in the applying grade if an offered seat is not available. If the selected student is accepted and has siblings who are also applying for admission, the siblings will be accepted if there are offered seats available or placed on the waiting list with sibling preference if offered seats are not available. If the selected student is placed on the waiting list and has siblings who are also applying, the siblings' names will not be selected at this time or granted sibling preference but will wait until their grade level is selected.

Other preferences will be incorporated as detailed in Enrollment Preferences.

### **Step 3: Waiting List Priority**

Students will continue to be randomly selected until all are selected. After a grade level's seats are full, all remaining students will be placed on the waiting list in the order in which they are selected. Applications received after the Open Enrollment Period will be added to the end of the waiting list for the appropriate grade in the order in which they were received.

### **Class Size and Offered Seats**

Class size and offered seats will be recommended by NHA and submitted to the school Board for approval. In order to make provision for student attrition (reenrolling students who indicate that they are coming back but do not return on the first day of school) and erosion (new students who have been accepted for offered seats but are absent without excuse on the first day of school), the school may over-subscribe grades. The number of students to be over-subscribed will be determined based on historical and forecasted attrition and erosion.

In addition, the number of classrooms may fluctuate in the event the number of students enrolled warrants the increase or decrease in number of classrooms. The number of students in any particular grade and/or the number of students within a class may vary for the purpose of accommodating staffing exigencies and attrition patterns.

In no event will over-subscription, fluctuations in the number of classrooms or variations in the number of students in a grade or class result in a violation of any provision or limit contained within the school's charter contract or applicable law.

The school's openings by grade level change daily and will be posted at the lottery. Parents can contact the school registrar to obtain updates.

### **Enrollment Preferences**

Any resident of eligible age and eligible to attend a public school is eligible to apply. Enrollment preference is first given to currently enrolled students. Next preference is given to the following ordered categories of applicants: siblings of currently enrolled students, students with disabilities (only during lottery), siblings of students selected in the random selection process, all remaining applicants.

If permitted by law, other enrollment preferences may be granted.

Siblings are defined as a student who is a sibling of an Accepted or Enrolled student who has at least one common parent/legal guardian and is living in the same household at least 50% of the time. If a student is selected for a grade level that still has offered seats available and the student has a sibling applying for a grade that no longer has offered seats available, the student will be accepted for his/her grade level and the student's sibling will be placed on the waiting list for his/her grade level with sibling preference. Therefore, while sibling preference applies, siblings are not guaranteed a seat.

# **NHA PRACTICES AND PROCEDURES: ADMISSIONS AND ENROLLMENT (LA-DOE)**

## **Accepting a Seat**

Prior to the start of school, accepted students must confirm their intent to attend the school within two weeks of acceptance by returning certain initial forms, including an Admissions Form, Official Release of Records Form, and proof of residency documentation (individual schools may choose to offer a defined grace period). One month prior and throughout the school year, the process will be accelerated and families will have 5 school days to verbally accept the seat. The school will include multiple contact points in communication to the family.

The school will send all applicants a reminder to parents/guardians that if the student does not attend the first day of school or call in to request an excused absence by the date and time indicated, the student will forfeit his/her registered status in the school and will not be enrolled. The school may attempt to contact all applicants who have not responded to inquire whether the applicant is still planning to attend. If families do not respond within the deadline specified in the acceptance letter or decline, the seat will be filled by the next person on the waiting list. The declining family will need to reapply if they change their mind.

## **Waiting List Policy**

The school will keep accurate records of their waiting list containing the names home addresses, telephones numbers and grade levels of students. All applicants on a waiting list must re-submit an application for the following school year beginning in the next Open Enrollment Period.

When a seat becomes available in a particular grade due to attrition, erosion, or other event, if that particular grade has a waiting list, that available seat will be filled by the first student on the waiting list. If a waiting list does not exist for that particular grade, but exists for another grade, the school may (subject to applicable enrollment limits and board approved offered seats) fill the available seat using the first student on the waiting list in a different grade, the grade deemed most beneficial to student and school considering class size, teacher capacity, and other school operational factors.

## **Communication Prior to the First Day**

As part of the enrollment process, the school staff will communicate or meet with families, parents/guardians and students prior to the first day of school. The school will send all applicants a reminder communication to inform parents/guardians of the importance of being present on the first day of school. If the student does not attend the first week of school or call in to request excused absences by the date and time indicated on the reminder, the student will forfeit his/her accepted or registered status in the school and will not be enrolled. The school may attempt to call all applicants who have not responded to inquire whether the applicant is still planning to attend.

## **Re-Enrolling No Shows**

If a student does not attend and the student's family does not respond to communication from the school during this period of absence, the student may be removed from the student list. The school will make every effort to reach absent students during the first few weeks of school and will fill vacant seats in accordance with the process outlined above.

## **Withdrawal Process**

Students may be withdrawn from the school at any time in accordance with the procedure outlined below. Only the enrolling custodial parent/guardian may withdraw a student.

1. The school will verify that the withdrawing parent/guardian is the custodial parent/guardian.
2. The withdrawing parent/guardian must complete a withdrawal form and provide a signature to confirm the withdrawal decision.
3. The school will confirm receipt of the completed withdrawal form and signature and may follow up with the parent to further discuss the nature of the withdrawal. If resolution is not made as a

result of the follow up conversation, the school will remove the student from the school's roster.

### **Appeals**

Any parent or guardian may contest or appeal the random selection process, in writing, to the school's board of directors. Following receipt of the parent's/guardian's written appeal, a school board designee will contact the parent/guardian to discuss the nature of the concern or objection. Final decisions will be made by the school board or its designee.
