MICIP Portfolio Report

Westfield Preparatory High School

Improve Academic Infrastructures

Status: ACTIVE

Statement: By Spring 2027, the district will strengthen instructional infrastructure through the implementation of MTSS-focused supports, including weekly PLCs centered on common assessment data, weekly O3 meetings, ongoing feedback cycles with on-the-spot coaching, and new teacher mentoring and coaching, in order to increase student access to high-quality instruction and improve ELA and math proficiency rates on state assessments by 3%.

Created Date: 05/19/2026

Target Completion Date: 05/28/2027

Strategies:

(1/1): New Teacher Center Induction Model

Owner: Keyheatia Walker

Start Date: 09/08/2026

Due Date: 05/28/2027

Summary: The New Teacher Center (NTC) Induction Model is a comprehensive and systemic approach to support beginning teachers (i.e., teachers new to the profession). The induction model aims to accelerate the effectiveness of beginning teachers at increasing student learning by providing one-on-one mentoring and professional development in a supportive school environment. The NTC works with school districts and state departments of education to design, develop, and implement induction programs that are aligned with both district priorities and NTC standards.

Improve Chronic Absenteeism

Status: ACTIVE

Statement: Our goal is to reduce chronic absenteeism in grades 7, 8, and 9 from 76% to 38% and decrease Level 5 suspensions by 25% by June 2027 through the consistent implementation of MTSS, restorative practices, PBIS attendance and behavior incentives, Strive for Five initiatives, staff attendance and behavior trainings, accurate attendance procedures, and in-house discipline alternatives to improve student engagement and school attendance.

Created Date: 05/21/2026

Target Completion Date: 06/18/2027

Strategies:

(1/1): MTSS - PBIS (Behavior)

Owner: Keyheatia Walker

Start Date: 09/08/2026

Due Date: 06/18/2027

Summary: The behavior components of a Multi-Tiered System of Supports (PBIS) is a three-tiered framework that integrates data, systems and practices to improve outcomes. The data, systems and practices necessary to implement the behavior components of MTSS are defined by the PBIS Tiered Fidelity Inventory and aligned to MDE's five essential components of MTSS.

Improve systems to identify English Learners and s...

Status: ACTIVE

Statement: Improve systems to identify and support needs of English Learners and students experiencing homelessness

Created Date: 06/02/2026

Target Completion Date: 06/18/2027

Strategies:

(1/1): Student Support System

Owner: Samantha Nevado

Start Date: 06/02/2026

Due Date: 06/18/2027

Summary: This system is concerned with implementing and supporting a vision of high-quality student support to effectively nurture and support all students who come to school with non-academic needs that create obstacles for high achievement. Development of this system can include addressing emotional, physical, social or academic needs of students. System components can include staffing, programs or evidence-based practices that help students to grow and thrive.
