Dear Parents/Guardians,

In accordance with Section 1112(e)(2)(a) of the *Every Student Succeeds Act* (ESSA), we are writing to provide information regarding the assessments that will be administered this year to scholars at Matthews Charter Academy.

The North Carolina READY Accountability Model (adopted in 2012-2013) acknowledges that we owe every child an education that properly prepares him or her for their next big steps after graduation – college, career, and adulthood. To measure student progress toward this goal, and maintain a focus on educational equity and excellence, <u>the law</u> <u>maintains that all students are required to take annual statewide assessments</u>. To provide assessment transparency, we would like to share with you below, the various state assessments that we are required to administer to our scholars throughout the school year.
