What if my Child has homework?

Homework is offered Monday through Thursday. With Open Programming choices, homework will be offered as a choice. Every child is given an opportunity to participate. It is their own responsibility to attend homework, if they need it. Please let the Site coordinator know if you need your child to attend homework and which days you need them to attend. We have a staff member to help with questions that arise, but we are unable to work one-on-one with your child during homework time.

What kinds of activities are offered?

The day is filled with fun, age-appropriate activities. They include but are not limited to: Sports and Active Games, Skill Development Clinics, Arts and Crafts, Values Time and Character Building, Team Building Activities, Free Play/Choice Time, Quiet Games, and Homework.

What happens in the event of Inclement Weather?

In the event that Wake Forest Charter cancels school or has an early release due to inclement weather, please be on the lookout for an email from your after school director about after school plans. Our goal is to keep all campers, families, and staff safe, so we will make decisions as quickly as possible and with everyone's safety and best interest in mind.

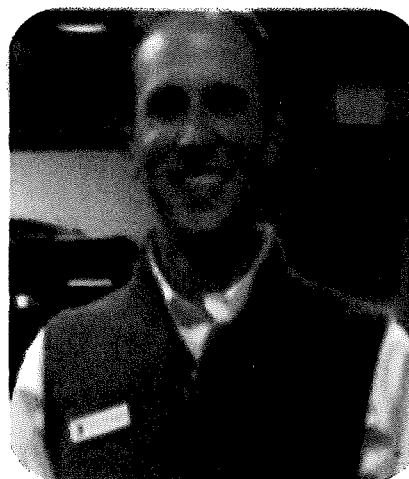

Who is hired to work with my child?

Our YMCA youth staff are High school, college and graduate students who are leaders in their schools and community. Each staff member goes through an interview process and is trained in First Aid and CPR. Each program's staff holds monthly trainings to increase the staff members' leadership skills.

How will I receive communication from the program?

All important information and updates are communicated throughout the month by email or flyer from the director. Please make sure that you register with an accurate email address.
