# Leading Edge Program Information

Our lab based programming means your children will have unique and fun activities daily.

**Challenge Lab:** Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.

**Art Enrichment Lab:** Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.

**Physical Lab:** A wide variety of physical challenges and games that will get students moving and playing.

**STEM Lab:** Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.

**Reading Lab:** Group reading of age-appropriate books led by teachers.

**Homework Lab:** Time devoted to supporting students in completing that day's assignments.

“

“My son enjoys his time at Leading Edge aftercare, and most days he doesn't want to leave. That's because he has amazing teachers and friends.”

*-Family at Mountain View Academy*

"I cannot thank the teachers at Leading Edge enough. My daughter wants me to pick her up later so that she gets to spend time there. I notice that she is more talkative and outgoing than when the year started and I attribute this to all the support this staff has shown the kids."
