

# PLYMOUTH S.T.A.R.S.

## 2025-2026 REGISTRATION

**At S.T.A.R.S. Latchkey, we alleviate the stress of having to transport your child to and from an outside childcare facility and provide an on-site environment for your child to minimize transitions during their otherwise busy day.**

Online registration will open school-wide on our website, [starslatchkey.com](https://starslatchkey.com), on June 1st. Priority registration is held from June 1st-15<sup>th</sup> and **registration fees are 50% off** during this timeframe.

If you have confirmed that your student is attending Plymouth Scholars in the 2025-2026 school year, this registration is for you!

Once your paperwork is processed, please return to your Brightwheel account within 2 business days, you will receive either a confirmation message or “Changes Requested” on your submitted paperwork. You can see these requests under the “Paperwork” tab. This year your registration fee is due before paperwork can be submitted, please do not begin your paperwork process unless you’re prepared to pay the registration fee and complete all of the documents. To ensure your spot is reserved, please complete paperwork changes within 3 days from the requested date.

**Please download the Brightwheel app for all communication purposes!**
