What is this book mainly about?

---

---

What are the most important ideas? What information from the text let you know? (Use examples with quotes and page numbers!)

---

---

---

---

---

---

---

---

---

---

How can this text, and other texts about this topic, help you academically? What subject area would this be beneficial? How could it assist you in this subject? Are there any other ways you could benefit from texts on the same topic?

---

---

---

---

---

---

---

Write two interesting words you came across while reading. Write the way it was used in the text (quote and page number!) and use a dictionary to find the definition.
