# Fourth Grade Supply Checklist

The first table below contains a list of supplies your students will need this year. Please label personal supplies with your student's name. We understand that not all students will be able to gather the supplies. We ask that you do your best, but please do not stress. We will make sure your students receive what they need.

That brings us to the second table below. If you are able to donate any classroom supplies, we would be so grateful. The classroom supplies are for everyone in our class, and if there are students in need of some supplies we will be able to provide them with help from others who donate them.

Thank you! - The Fourth Grade Reach Team
