Before & After School

“Exposing students to new experiences by connecting learning beyond the classroom”

We are pleased to offer the families of Wake County and surrounding areas an on-site Before and After School program available at a school near you! We are committed to providing quality and structured before and after school care for students in Kindergarten through Eighth grade. We work passionately to improve the education beyond school hours by offering students experiences that ignite interest and link learning to the real world.

We are excited to offer our families Part-time or Full-time program options.
