

Dear Parents, in preparation for next school year, we ask the following:

1. Students will no longer access community supplies at school. The supplies listed below need to remain in their original packaging. The classroom teacher will be responsible for setting up your child's individual school supplies and store the remainder for use throughout the school year.
2. It is important that your child have all supplies listed by the first day of school. If you find yourself in need of support in obtaining your child's school supplies, please do not hesitate to let the front office know before school opens, so your child is ready for his or her first day.
3. Headphones are required and provide your child daily access to online learning, intervention, and progress monitoring. While earbuds are smaller and can be less costly, they are easier to lose and more difficult to keep sanitary. Your child's teacher will place individual headphones in a Ziploc bag, label with your child's name, and store in a safe place. You will be notified if or when an immediate replacement is necessary.
4. Personal pencil sharpeners, mechanical pencils, ink pens, and markers **are NOT permitted** at school. If the need arises, the classroom teacher will provide.

KINDERGARTEN SUPPLIES:
