

Colorado Testing and Assessment FAQ's:

What Tests Are Required?

Students are required to take all or some of the following assessments:

- 1) Lesson assessments
- 2) Unit assessments
- 3) Semester assessments
- 4) Diagnostic and formative assessments
- 5) Norm-referenced, computer adaptive assessments
- 6) Colorado State assessments

For a more comprehensive listing please view the assessment spreadsheet on the School Operations page.

Do Students Have to Participate in State Testing?

ALL students are required, by National Heritage Academies, to participate in state testing.

If a parent wishes to opt their child out from state testing, please provide the principal in writing, the desire for the opt out using the "2021-22 Parent Opt Out Letter" provided on the school's website under **School Operations**. You will find the information under **Testing & Assessments**.
