

Queen's Grant Community School's State and Federal Tests That Are Administered

2023 - 2024 School Year

Test Name	State or Federal	Test Purpose/Type	Test Subject	Test Delivery Mode	Grade Level(s)	Testing Window	Time Allotted for Standard Administration	Availability of Results
								<p>State Board of Education policy TEST-001 requires that "LEAs (local education agencies) shall, at the beginning of each school year, provide information to students and parents or guardians advising them of the districtwide and state-mandated tests that students will be required to take during that school year. In addition, LEAs shall advise students and parents or guardians of the dates the tests will be administered and how the results from the tests will be used. Information provided to parents shall include whether the State Board of Education or the local board of education requires the test(s)." Additionally, the policy requires LEAs to "report scores resulting from the administration of districtwide and state-mandated tests to students and parents or guardians along with available score interpretation information within thirty (30) days from generation of the score at the LEA level or receipt of the score and interpretive documentation from the North Carolina Department of Public Instruction (NCDPI)."</p>

Kindergarten Entry Assessment (KEA)	State	Formative Assessment A process used by teachers and students during instruction that provides feedback to adjust ongoing teaching and learning to help students improve their achievement of intended instructional outcomes.	Multiple Domains of Development: Approaches to Learning, Cognitive Development, Social-Emotional Development, Language Development and Communication, and Health and Physical Development.	Evidence of student learning is collected in the context of classroom instruction through observation, questioning, work samples, anecdotal notes, and embedded tasks.	Kindergarten	On-going through the first 60 days of school entry	N/A	Teachers use collected evidence of student learning to place individual children on continuum of development specfic to each domain. This "summary status rating" is accessible at the classroom level and is integral to informing further classroom instruction. At the end of 60 days, the rating is reported to the state to inform state-level reporting on the condition of children at school entry.
