

Parental Partnership: Dress Code

To enable students to reach high academic standards, the school has put in place a dress code designed to reduce distractions. Implementing a dress code promotes student learning and increased academic instruction time. Interpretation of the Dress Code is at the principal and staff's discretion and their decision is final.

Dress code guidelines prohibit student dress or grooming practices which present a health or safety risk to the student or others, disrupt the educational program, or limit a student from achieving educational goals because of blocked vision or restricted movement.
