Student Creed

We believe we can.

We are proud students of Aspire Charter Academy.

We are exceptional because we work hard every day.

We will successfully complete high school and college.

We are dedicated, committed and focused.

We never fail because we never give up.

We believe in ourselves. We believe in each other. We believe in Aspire.

We believe.

School Mission

The mission of Aspire Charter Academy is to offer high quality education that emphasizes the learning of core academic knowledge and foundational character values. Parents, students, and staff work together to create a safe and caring environment where quality scholarship, punctuality, and good citizenship are developed; and to encourage in our pupils the desire and capacity to be life-long learners.

National Heritage Academies

National Heritage Academies (NHA) is an educational management company based in Grand Rapids, Michigan pursuing its purpose of *challenging each child to achieve* and its vision to *better educate more children*. **NHA's Parent Relations Department** provides assistance to parents and the school in resolving concerns. The classroom teacher and principal should be the first line of communication.

Our Purpose, Vision, and Philosophy

Purpose and Vision

Working in partnership with parents and the community, the school's purpose is to challenge each child to achieve. We offer a challenging, character-based education through a rigorous curriculum with high academic and social expectations with the vision to better educate more children.

Educational Philosophy

The educational philosophy is based on the principles set forth in *Effective Schools Research* developed by Professor Ronald R. Edmonds. *Effective Schools Research* recommends research-based school attributes that are associated with quantifiably improved student learning.

In his book *What Works in Schools*, Robert J. Marzano translates these principles into the following factors:

School-Level Factors:

- A guaranteed and viable curriculum
- Challenging goals and effective feedback
- Parent and community involvement
- A safe and orderly environment
- Collegiality and professionalism

Teacher-Level Factors:

- Instructional strategies
- Classroom management
- Classroom curriculum design

Student-Level Factors:

- Home environment
- Learned intelligence and background knowledge
- Student motivation

The school employs a continuous improvement model that focuses on principles and practices that are simple and supported by research.

The school supports its researched based approach to education by including the following practices in its daily operation of the school:

College Readiness: The school's focus on a liberal arts education provides the academic foundation necessary to succeed in an increasingly global and competitive society. In grade school, the vast majority of time is spent on mastering the core subjects of English, history, mathematics, reading, and science. Furthermore, the school's first priority is to bring students up to grade level in reading and math, so they will be able to master other subjects as well. In all grades, at least twice as much time is spent on language arts and mathematics than on other academic subjects.

Longer School Day: School days are approximately seven hours long, which is longer than most traditional public schools. This includes at least six hours of instructional time.

Structured Discipline: Students are expected to follow a clearly defined and structured discipline program. This program encourages personal responsibility and respect for others. As a result,

students who have had behavior problems at other schools are often drawn back into a positive learning environment.

Moral Focus Program: Part of the school’s purpose is to instill a strong moral identity in each of our students. The Moral Focus curriculum comprehensively identifies the skills, behaviors, and virtues students will need for character growth and development to prepare them for success, both academically and throughout their lives. The curriculum includes explicit and integrated instruction around three key components of character to provide students with a strong foundation for leading an ethical life. The Moral Focus program is an essential part of every student’s education.

Parental Involvement: Research indicates that a leading predictor of student success is parental involvement; therefore, parents are included in many aspects of the education program. The school governance structure relies on significant parental input and cultivates a close working partnership between staff members and parents. In addition, parents are asked to volunteer by participating in playground activities, becoming a member of school committees, or helping in the classroom, library, or office. To encourage involvement, parents sign a “Commitment to Excellence Contract” upon their child’s enrollment, committing to active involvement in the school.

American Heritage: It is appropriate to demonstrate a great deal of both pride in the history of the United States and gratitude for our unique roots and founding by gifted men and women.

The Four Pillars of NHA

Academic Excellence

National Heritage Academies has invested significant financial resources in the development of a strong academic program that provides students with an excellent academic foundation. In partnership with NHA, we have carefully selected the finest curriculum to be used by our teaching staff in order to accomplish our purpose. All of our curriculum meets or exceeds the state educational standards.

Moral Focus

We believe that a strong moral identity is foundational to student success. It is our goal to not only support the virtues parents try to instill at home, but to explicitly teach students the skills, behaviors, and virtues necessary for leading an ethical life. NHA's nine monthly virtues are Wisdom, Respect, Gratitude, Self-control, Perseverance, Courage, Encouragement, Compassion, and Integrity. Students will learn to internalize these virtues through the intentional and consistent focus on the application of Moral Focus concepts throughout all aspects of school life. This integration is essential for students to learn the importance of developing and maintaining strong personal character and to create a learning environment built on a foundation of respect and care where everyone works hard to achieve academic goals and improve school culture. The Moral Focus program is an essential part of every student's education.

Student Responsibility

In addition to preparing our students for academic success, we seek to develop a strong sense of responsibility in each child. We want students to take personal ownership of their success or failure, regardless of their background or previous experiences. This includes sound decision-making, an ability that is becoming critical in our ever-changing, complex world. Students must meet high expectations both academically and behaviorally. Our teachers work with students and parents to promote the responsibility necessary for success both in and out of school.

Parental Partnership

A successful learning experience would not be possible without the partnership and dedication of our students' parents. Parental participation in each school's program is solicited and highly encouraged. Our parents are involved on leadership committees, in the classroom, and in the details that make a school function effectively. NHA parents know they are always welcome and that they are a key to the success of every NHA student.

NHA believes that open communication between school and home improves the quality of the educational experience. Every nine weeks, parents receive detailed written reports of student performance and accomplishments. These reports are coupled with fall and spring parent-teacher conferences. The reports and conferences include interpretation of internal and external measures of assessment. Teachers and parents may also schedule additional meetings.

At all other times throughout the year, parents can use NHA's Secure School Website via the Internet to view their child's grades and progress. This web-based information center provides parents with both classroom information and student academic data. The Secure School Website promotes the increased accountability of all participants in the educational process—teachers, students, and parents.

Academic Excellence: Curriculum

The school uses the National Heritage Academies (NHA) curriculum, a rigorous and challenging curriculum uniquely designed to prepare them for high academic achievement in successive schooling environments. Our goal is to graduate students who have not only had the opportunity to experience academic excellence but have also acquired the knowledge and skills necessary to thrive in high school and beyond.

English Language Arts

The NHA English Language Arts curriculum, aligned with the Common Core State Standards, provides students with the knowledge, skills, and strategies necessary for success in listening, reading, speaking, viewing, and writing. Early reading instruction focuses on the building blocks of reading—phonemic awareness, phonics, vocabulary, comprehension, and fluency. These building blocks lay the foundation for the intellectual processes necessary for students to remember, understand, analyze, evaluate, and apply the ideas they encounter while reading.

Mathematics

To provide students with the mathematical skills they will need in everyday life as well as in the rigors of high school and post-high school mathematics, NHA has developed a strong mathematics curriculum, aligned with the Common Core State Standards, that emphasizes communicating, computational and procedural skills, making connections, reasoning and proofing, problem solving, and using representations. Students learn to represent and communicate ideas through graphs, mathematical terms, models, signs, symbols, and writing.

Science

NHA has developed an engaging science curriculum that encourages students to participate actively in scientific inquiry while developing scientific literacy. When participating in inquiry, students describe objects and events, ask questions, construct explanations, test those explanations against current scientific knowledge, and communicate their ideas to others. Students' scientific knowledge is developed in the areas of The Nature of Science, The Living Environment, Physical Science, and Earth and Space Science.

Social Studies

NHA's Social Studies curriculum includes the examination of historical documents, so students can demonstrate their understanding of the major themes, developments, and turning points in our nation. The curriculum is strong in the study of National and World Geography. We build a strong knowledge of economic principles, so students understand the impact of economic forces both internationally and personally in their daily lives. Additionally, the curriculum is comparative in examination of world cultures. This creates a point of reference by which students compare the freedoms of American life with non-democratic societies both historically and currently. Our students are reminded of the rights and liberties they enjoy and the due reason to participate in and protect those liberties.

Art

Art classes allow students to explore the many different aspects of art while acquiring an understanding of the significant role art has played in the expression of ideas throughout history. Hands-on art projects help develop student creativity and self-expression and are frequently related to current classroom topics.

Music

Students are exposed to a wide variety of music education and many periods of music during their classes. Basic music concepts such as beat, rhythm, fast/slow, high/low, and music notation are taught from kindergarten through 8th grade. Students also spend time developing an appreciation for different genres of music and their great composers. All concepts are introduced in kindergarten and further developed in each subsequent grade level.

Physical Education

Physical Education is a sequence of developmental experiences in which students learn through movement. Students work on individual skill development and learn about teamwork and the importance of sportsmanship. In addition, they are given the opportunity to develop a positive attitude toward life-long physical activity.

Library and Educational Technology

Our Library and Educational Technology collections are developed to support the NHA curriculum and to provide students with quality literature and a variety of informational and technological resources. The NHA Library curriculum is built on expectations for students derived from the *Big6* model for teaching information skills, created by Mike Eisenberg and Bob Berkowitz (1998), and from *Information Literacy Standards*, developed by the American Association of School Librarians (AASL) and the Association for Educational Communications and Technology (AECT).

Moral Focus

We believe it is imperative to equip students with both the moral and academic foundations necessary to interact successfully in today's society. Our Moral Focus Program is centered on the study of 9 Virtues: Wisdom, Respect, Gratitude, Self-control, Perseverance, Courage, Encouragement, Compassion, & Integrity. Virtues are fundamental to a great education, and great schools place equal importance on developing the heart and mind of students.

MONTHLY VIRTUES				
WISDOM (September)	RESPECT (October)	GRATITUDE (November)	SELF-CONTROL (December)	PERSEVERANCE (January)
COURAGE (February)	ENCOURAGEMENT (March)	COMPASSION (April)	INTEGRITY (May)	

Character is defined by which virtues our students determine are important to their lives and there are certain necessary steps to acquire or strengthen those virtues. Our Moral Focus Program is structured around a clearly defined process for teaching and learning virtues. The process outlines those steps, allowing teachers to intentionally guide students through the process of teaching virtues. They provide them with the opportunity to learn virtues in a way that will not only affect their mind, but change their heart.

- Step 1: Introduction - Define the virtue
 - Students learn to name the virtue and simply define it in terms they understand as a foundation for their journey. (focus for the 1st week of each month)
- Step 2: Connection - Understand the importance of the virtue to create personal meaning and value
 - Students learn to describe the value & meaning of a virtue. A necessary step that motivates them to put forth the effort to put virtue into action. (focus for the 2nd week of each month)

- Step 3: Reflection - Recognize the positive impact the virtue has and know exactly how to display it
 - Students learn what it looks like and sounds like through intentional modeling and careful study, allowing them to recognize it in others. (focus for the 3rd week of each month)
- Step 4: Application - Find ways to display the virtue and be intentional about practicing it
 - Students are given regular opportunities to practice virtues. Practice is the key to virtues becoming a learned behavior or habit. (focus for the 4th week of each month)

To support the Moral Focus program, time is dedicated each day to the teaching of Moral Focus virtues. The 4 steps of the process described above form the core of Moral Focus instruction. Every month is broken down into 4 weeks of instruction that correspond to the 4 steps for teaching virtues. Each grade bases instruction on a definition of each virtue designed for their grade level. The definitions scaffold in complexity from grade to grade, allowing students to deepen their understanding and extend their ability to display each virtue.

This comprehensive approach provides students with a strong foundation for leading a moral life. Students will learn to internalize these virtues through the intentional and consistent focus on the application of Moral Focus concepts throughout all aspects of school life. This integration is essential for students to learn the importance of developing and maintaining a strong personal character and the qualities necessary for success as both a student and a citizen. Additionally, all students are given the opportunity to participate in service learning projects.

Academic Excellence: Achievement

Supporting our vision *to better educate more children*, the school has implemented grading practices that best match the needs of our students, parents, and teachers, with the ultimate goal of supporting high-quality learning for all students.

Teachers utilize the myNHA gradebook application to track students' academic performance on identified learning goals, with the ultimate goal of ensuring high levels of learning and proficiency on state accountability tests.

We encourage you to speak with your child's teacher or talk with a member of the school's leadership team if you have questions or would like more detailed information related to the school's grading practices.

Honors Ceremonies

At the end of each quarter, special recognition is given to those students who have achieved excellence in their academic progress as well as in the Moral Focus. An honors ceremony is held as an extension of the opening ceremony. Students are given awards based on their individual accomplishments during the previous quarter and are acknowledged as follows:

- Principal's Award..... 3.25 or above in Core Academic Areas
- Dean's Award 3.0 (in all Core - Academic Areas)
- Student of the Month Award (Moral Focus Recognition)
- Attendance Award for No absences or tardies (by quarter)
- NWEA and ISTEP Progress and Achievement Recognition (Spring)

Student Grade Placement, Acceleration, Promotion, or Retention

The principal is authorized to make initial grade placement of a student and to promote, accelerate or retain students after initial grade placement. After initial grade placement, a student is expected to progress through the grades one year in each grade receiving the benefits of academic, social and physical growth usually accompanied with a full year of development. On occasion, it may be in the best interest of the student to have a new grade placement, be accelerated more than one grade, or be retained in the current grade. In this event, supporting documentation with interventions already offered to the student will be provided by the school. If a student's parent or teacher believes one of these grade changes should be considered, a written request for consideration should be provided to the principal, including the reasons for such consideration. The final decision regarding placement, acceleration, promotion, or retention of a student rests solely with the principal.

The principal shall consider the following, when making such decisions:

1. The education record of the student, including but not limited to a student's grades, standardized test scores, attendance, discipline, reading, speaking and math skills, the curriculum of each grade, the available teacher(s) skill(s) delivering the instruction and available programs
2. The physical, social and emotional readiness of the student for the curriculum of each grade
3. The current research on grade placement, promotion, acceleration and retention
4. The recommendation of the student's parents and teachers
5. The completed Student Placement Form including, but not limited to, a) an initial request by the school for a parent meeting before winter break, b) a request by the school for a progress meeting with the parent prior to March 1, and c) a request by the school for a final parent meeting prior to the last day of the school year.
6. The applicable laws governing these decisions.

Requirement for Grade 3

In addition to the standards and criteria described above, if a student does not achieve a passing score on the IREAD-3 assessment during the previous school year or during a subsequent attempt at passing IREAD-3, the student shall be retained.

The goal of placing, accelerating, promoting or retaining a student is to enhance the opportunity for the student to achieve learning goals, meet state and school performance expectations, and to be prepared for high school, college, and career plans.

Special Education Students

The decision to retain a student with a disability is approached with great caution and is determined by the building principal. Information provided by the Individualized Education Planning Team (IEPT) should be taken into consideration when making this decision. A student with a disability may not be retained based on their disability, but may be retained for other factors. The parent of a student with a disability may appeal the decision to the school board of directors or may choose to have the student leave the school. If a parent appeals the principal's decision to the school board of directors, the school's special education supervisor must be contacted for consultation and guidance.

English Learner Students

The retention of an English Learner (EL) student is a decision that is carefully considered by the building principal. The principal, in collaboration with the EL Coordinator, EL teacher, and Special Populations Team, should consider evidence related to the student's performance in each subject area when making this determination. An English Learner student may not be retained solely based on a lack of language skills, but may be retained for other factors.

Academic Excellence: Student Support Services and Special Education

It is the goal of the school to provide appropriate educational opportunities for all students.

It is the school's obligation to provide appropriate educational opportunity to all students with suspected disabilities or disabilities, as defined under the Individual with Disabilities Education Act ("IDEA") and state special education rules and regulations. For additional specifics regarding a student's special education rights, parents are encouraged to review the *Procedural Safeguards* that are available from a school administrator or special education provider.

Child Find

The IDEA includes a Child Find Mandate. Child Find requires all school districts to locate, identify and evaluate all children with disabilities regardless of the severity of their disability. This obligation encompasses all children who are suspected of having a disability, including children receiving passing grades and "advancing from grade to grade...". A parent who suspects that their child may have a disability and is in need of special education and related services may initiate a free evaluation of their child by contacting the school principal and providing a written request for an evaluation under IDEA and/or Section 504. The school must take the parents request into consideration and provide a response consistent with State and Federal special education requirements. If the school does not suspect a disability, it may refuse to conduct an evaluation. If the school refuses, it must give the parent written notice explaining the reason(s) why it is declining to initiate an evaluation, what data the decision was based upon, and other factors considered. The parents then have the right, if they choose, to request a due process hearing to seek a ruling to conduct an evaluation.

Rehabilitation Act of 1973 - Section 504 (General Education)

Section 504 of the Rehabilitation Act of 1973, 29 USC 794, (sometimes referred to as "Section 504") prohibits discrimination against individuals with disabilities solely on the basis of their disability. If you have Section 504 questions please contact the school's principal who has been designated as the Section 504 Coordinator. The Section 504 Coordinator is responsible for investigating and resolving complaints. In addition, any individual who desires information related to the Rehabilitation Act of 1973, or the Americans with Disabilities Act, may contact the school's principal or the NHA Special Education Department at (616) 222-1700. The school does not discriminate against individuals seeking to access a program or service of the school based on disability. Where an individual desires to participate in a program or service and needs a reasonable accommodation in order to do so, they should contact the school's principal to request an accommodation. In addition, if you suspect that your child has a disability which may qualify him/her for support under Section 504, you should contact the school's principal to begin the referral process. Upon initiation of the Section 504 referral process, parents will be provided with a copy of the Section 504 Procedural Safeguards and Parent/Student Rights which contains complaint and due process procedures.

The Intervention Assistance Team

The Intervention Assistance Team (IAT) is a committee of school personnel set up by the principal to ensure ongoing and effective support for students and classroom teachers. Parents are informed if their child is being considered for referral to the IAT for behavioral and/or academic support. The IAT is a general education intervention process and team membership will generally include: a building administrator, the student's general education teacher, and a staff member knowledgeable in accommodations and interventions. Parents may also be invited to participate in this meeting. The team provides a forum to discuss the student's academic and behavioral data and needs. In addition, the team generates, initiates, and monitors implementation of interventions designed to address the

individual needs of the student. This includes use of the resources of the school, family, and the community. This process creates awareness and understanding of the issues affecting the student and their academic and behavioral performance. The IAT may serve as the pre-referral intervention-planning team for those “unidentified” students whose difficulties may suggest the presence of a disability. As appropriate, the IAT may refer a student to the Special Education team for formal assessment. Parents should be informed if the IAT is considering a referral of their student to the Special Education team. Prior to initiating a special education evaluation, written parental consent/permission must be obtained. Information gathered through implementation of interventions identified by the IAT will be taken into consideration as a part of the special education evaluation along with progress monitoring and other data sources provided by the parent, educational staff, and others as deemed appropriate. The IAT’s review of documentation of intervention strategies, the student’s response (progress monitoring data), in addition to a referral for special education testing for a suspected disability, fulfills the Child Find requirement under IDEA and State special education requirements.

The Individual Education Program

The school will comply with the IDEA and state regulations and every student identified as having a disability will be provided an Individual Educational Program (IEP) designed to address their unique needs. All required components of the IEP will be addressed including but not limited to: a description of the student’s present level of academic achievement and functional performance including disability related needs, goals and objectives, supplementary aides and services, program services, ancillary services, extended school year, etc. All students with disabilities are considered general education students first. Each IEP is designed to assure that eligible students receive a free appropriate public education (FAPE) and specialized instruction delivered by highly qualified special education staff within the least restrictive environment (LRE). Prior to the opening of school, registration forms are reviewed to identify students with current IEPs from previous schools attended. The parents are informed of their rights, procedures, and responsibilities under special education law. Decisions regarding an IEP are made by the IEP Team. This team has required participant’s which minimally includes, general and special education providers, administrators, and the parent(s).

The IDEA includes specific rights for parents of children with disabilities. This information is contained in the document commonly referred to as the *Procedural Safeguards*. We encourage parents to review this document carefully so they are fully informed of their rights. Copies of this document are provided at a minimum of at least once per school year and can be obtained from your school office or by contacting the state’s Department of Education.

Educational Placement of Students with Disabilities

The school is committed to educating students with disabilities in the least restrictive environment (LRE) in order to meet their educational needs as determined by the student’s IEP Team. This means that to the maximum extent appropriate, children who are disabled are educated with children who are nondisabled and special classes, separate schooling or other removal of children with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

In an effort to meet with the LRE requirements, the school must ensure that a continuum of placement options is available to students with disabilities, including: services provided within the general education classroom; pull-out services; special classes; home instruction; instruction in hospitals and institutions; and in unique circumstances, access to programs and services located in settings outside the school. Placement decisions are the determination of the Individualized Education Program Team (IEPT).

Transfer Students:

In-State transfer: If a child with a disability (who had an IEP in effect in a previous public agency) transfers to a new school in the same state and enrolls in the new school within the same academic year, the public agency (in consultation with the child's parents) shall provide the child with a free appropriate public education, including services comparable to those described in the prior IEP, until the public agency adopts the prior IEP or develops, adopts, and implements a new IEP that is consistent with federal and state laws.

Out of State Transfer: If a child with a disability (who had an IEP in effect in a previous public agency) transfers to a new school in a different state and enrolls in the new school within the same academic year, the public agency (in consultation with the child's parents) shall provide such a child with a free appropriate public education, including services comparable to those described in the prior IEP's until the public agency conducts an evaluation, if determined to be necessary by the agency, and develops a new IEP, if appropriate, that is consistent with federal and state laws. The evaluation conducted is considered an initial evaluation as special education eligibility within the new state must be determined.

In order to comply with these transfer requirements, under certain circumstances the school may need to contract with another school/entity for the provision of educational services.

Parent Participation

Parents are an important member of the school community and have the right to participate in all meetings involving the evaluation, identification, and educational placement of their student. Parents will be invited to participate and share information about their student prior to and during the IEPT meeting. Parents are encouraged to review the *Procedural Safeguards* so that they are fully informed of their rights.

Crisis Management: De-escalation, Isolation and Restraint of Student

The school is committed to maintaining a safe learning environment for all students, staff, and visitors. It is the policy of our school to only utilize approved physical restraint in response to emergency or crisis situations. Use of restraint procedures should: (a) not be viewed as a behavior change or intervention strategy, (b) be implemented only under extreme situations and as a matter of last resort, (c) be implemented only by trained personnel, and (d) be accompanied by school wide pro-active positive behavior supports to prevent the need for their use. When such activities are utilized, documentation procedures are required in addition to timely communication with parents and other key members of the educational system. This documentation must remain on file at the school and is considered part of the student's educational record.

Moral Focus

Philosophy

At NHA, we believe it is our job to ensure our students leave us not only with a quality education, but with strong moral character to guide them. They will inevitably be faced with challenges throughout their lives that we cannot anticipate, but must prepare them for. One of our primary academic goals is college readiness for all students, and we cannot achieve that goal by focusing on our rigorous academic program alone.

Through an intentional focus on the development of character, our students will acquire all of the skills they will need to prepare them for college and the challenges they will face in life. Moral Focus provides students with a moral foundation to stand on and the strength to withstand whatever comes their way. Parents are the first and most important influence on the development of a child’s character, but it is our job to partner with you by reinforcing those positive values in the classroom. Guiding the growth and development of character can often be more impactful in the lives of our students than anything else we teach them. It is during this critical period of their lives that they will learn how to be the adults they will one day become.

It is an essential component of the education of our students that simply cannot be left out. The role teachers play in shaping the character of their students is one of profound importance. It is a responsibility that NHA takes very seriously through our work to maintain an intentional and consistent focus on the character development of our students and the character being modeled for them.

Moral Focus Expectations

Our Moral Focus program greatly impacts the development of a positive school culture. Each classroom works diligently to uphold the following expectations related to the implementation of Moral Focus.

- Moral Focus monthly virtues are posted in all classrooms and around the school.
 - Students will be able to identify the moral focus virtue of the month.
- Monthly virtues are taught through lessons, activities, or assemblies.
 - Students will be able to define each Moral Focus virtue.
- Moral Focus virtues are incorporated throughout day-to-day interactions.
 - Students will be able to provide examples of behavior that exemplify each Moral Focus virtue.
 - Teachers will be able to capitalize on teachable moments using the Moral Focus virtues.
 - Teachers will redirect student behavior referencing the Moral Focus virtues.

By intentionally teaching the Moral Focus virtues and weaving them into the fabric of the classroom, teachers are better able to support their efforts in creating systems that support students in taking responsibility for what they need to do and how they need to do it with a sense of urgency that increases the time spent learning. Teachers intentionally guide students as they acquire or strengthen virtues in their lives. Through this process, they provide students with the opportunity to learn virtues in a way that will not only affect their mind, but change their heart. To support teachers as they work to develop the character of the students they serve, time is dedicated each week to the teaching of Moral Focus virtues.

Moral Focus Assemblies

To support the Moral Focus program and philosophy, monthly Moral Focus assemblies are held. During assemblies, students recite the Student Creed. The staff and/or students lead a brief discussion of the month's virtue and perform a skit or lead another activity to exemplify the virtue. At times, students are recognized for outstanding citizenship and academic achievement.

Leadership Curriculum

The school has developed a leadership curriculum for use at the middle school level based on the Flippen Group Teen Leadership curriculum. Written by teachers and NHA corporate staff members and coordinated with the Covey research, the leadership curriculum offers students the opportunity to prepare for leadership in high school and beyond. Developing strong leaders is a natural component of our school's focus on both academic excellence and character development.

Student Responsibility: Homework

Philosophy

The school staff believes that homework is an important component of the educational process. It is expected that the following objectives will be accomplished through regular and well-planned homework:

- Students will develop more self-direction and individual responsibility.
- Students will develop independent study skills.
- Students will become organized.
- Students will learn to budget their time.
- The learning process will be expanded through extensions not accomplished in the school setting.

Guidelines

1. Parents and students should expect homework each weekday evening. Students in grades 4-8 may also be assigned homework to complete during the weekend.
2. Assigned homework that requires completion is a part of each student's evaluation. Any homework assignment that is not turned in on time will receive a maximum of 50 percent credit. If a homework assignment is one week or more late, the assignment will be recorded in the teacher's grade book as a zero. After four missed homework assignments, the teacher may assign the student a detention or homework help session.
3. Homework will be planned and assigned for specific instructional purposes related to classroom objectives.
4. The quantity of homework will be within reason. As the school year progresses, the amount of homework and the number of days homework is assigned may increase depending on the maturity and ability of the students.
5. Each student in grades 4-8 is issued an assignment book by the school.
6. Parents are to initial the student assignment book each evening to signify that their child has completed the assignment. Students must complete their own homework assignments.

Suggested Homework Guidelines

<u>Grade</u>	<u>Minutes per day</u>	<u>Days per week</u>
Kindergarten	15-30	4
First	25-30	4
Second	30-45	4
Third	30-60	4
Fourth	30-60	5
Fifth	60-90	5
Sixth	90-120	5
Seventh	90-120	5
Eighth	90-120	5

Make-Up Work

Students have an obligation to complete assignments missed during illness or other excused absence from school. In keeping with our belief that students should develop a sense of responsibility, we expect them, with their parents' help, to contact their teachers to secure missed assignments. Students are guaranteed one school day for each day excused absent from school to make up their work. Additional time may be given at the teachers' discretion.

In cases of prolonged absence due to illness, the school office should be called, so necessary arrangements can be made to have assignments picked up. At the request of the parents, the teachers will provide assignments for a student who is absent two or more days. Parents must call before 8:30 a.m. on the day the homework is needed in order to allow the teachers adequate time to assemble the assignments. Parents may pick up the assignments after 3:15 p.m. on the date requested.

Suspended students' homework may be picked up in the main office after 3:15 p.m. on the first day of suspension. Suspended students are required to turn in their late work the day they return to school. They do not receive make-up days.

Student Responsibility: Technology Use and Internet Safety Practices and Procedures

Students are offered access to the National Heritage Academies (NHA) computer network for creativity, communication, research, and other tasks related to the NHA academic program. All use of computers, furnished or created data, software, and other technology resources as granted by NHA are the property of NHA and are intended for school business and educational use. Students are to use the computer network responsibly. The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and using the NHA computer network and the school's technological resources.

The school educates students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response.

General Rules

1. **Privacy:** The school and NHA reserve the right to monitor Internet traffic and to retrieve and review any data composed, sent, received, or stored using the NHA network or Internet connections, including e-mail. Users do not enjoy any expectation of privacy when using any NHA technology or transmissions originating within or around school property.
2. **Bullying:** The school prohibits cyber-bullying, "sexting" or any act involving the use of information and communication technologies, including but not limited to e-mail, text messages, blogs, instant messages, personal Web sites, on-line social directories and communities, video-posting sites, and online personal polling Web sites, to support deliberate or repeated hostile behavior, by an individual or group, that is intended to defame, harm, threaten, intimidate, or harass students, staff members, or the school during or outside school hours and on or off school premises.
3. **Materials and Language:** Use of or accessing profane, abusive, pornographic, obscene, and/or impolite materials or language is not permitted. Accidental access should be reported to the instructor immediately. Intentional circumvention of web-filtering is prohibited.
4. **Installing/Copying:** Students are not to install or download any hardware, software, shareware, or freeware onto any media or network drives. Software installed by anyone other than the network administrator will be removed. Downloading of non-work related files is permitted only with an instructor's permission. Students may not copy other people's work or intrude into other people's files. All copyright laws must be respected. Use of any other organization's network or technology resources via the NHA network requires the instructor's permission and must comply with the rules appropriate for that network.
5. **Access:** Users may not access the computer network without proper authorization. Users are to use their own username and password when using a computer. Users must log off the computer when they are finished with their work and are not to log on to a computer for someone else or tell others their password. Students are to notify the instructor if someone else is thought to know his/her password.
6. **Data Protection:** Users must not attempt to damage or destroy equipment or files. Though efforts are made by NHA to ensure the safety and integrity of data, NHA makes no warranties of any kind, either expressed or implied, for the service it provides. NHA will not be responsible for any damage to data.

7. **Storage:** Users are to delete their files and materials they no longer need.
8. **Printing Resources:** Paper and toner are costly, and excessive use is wasteful. Documents must be proofread before printing. Users are to print only the needed part(s) of documents. Students must obtain permission from an instructor before printing documents.

Internet Use

The World Wide Web is a vast collection of resources readily available to any user on any computer connected to the Internet. NHA integrates the use of these resources into student instruction. Student Internet usage is permitted only in the presence and supervision of a teacher, the child's parent, or other designated adult school personnel. NHA is not responsible for the accuracy or quality of information obtained through the Internet or the NHA computer network.

Some material accessible via the Internet contains illegal, defamatory, inaccurate, or potentially offensive language or images. While the school uses Internet resources to achieve educational goals, there is always a risk of students accessing other materials. However, we believe that the benefits of using technology outweigh the disadvantages. Teachers are trained in the appropriate use of technology with students, but ultimately, parents of students are responsible for setting and conveying the expectations regarding the use of media and information sources at home and at school.

The Children's Internet Protection Act (CIPA) is a federal law enacted by Congress to address concerns about access to the Internet and other information. Under CIPA, schools must certify that they have certain Internet safety measures in place. These include measures to block or filter pictures that (a) are obscene, (b) contain child pornography, or (c) when computers with Internet access are used by minors, are harmful to minors. Schools subject to CIPA must adopt a policy such as this to monitor online activities of minors and to address (a) access by minors to inappropriate matter on the Internet and World Wide Web, (b) the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications, (c) unauthorized access, including so-called "hacking," and other unlawful activities by minors online, (d) unauthorized disclosure, use, and dissemination of personal information regarding minors, and (e) restricting minors' access to harmful materials.

NHA complies with CIPA by deploying a Web content filtering product called OpenDNS, which categorizes Internet sites and sends updates to NHA site-based hardware. A process is in place for changing the categorization of Web sites. The following categorizations are currently in place:

- **Obscenity and Pornography Filtering:** OpenDNS allows schools and libraries to manage Internet access to over 90 URL categories pertinent to CIPA.
- **Accurate Web Filtering:** OpenDNS offers the best-of-breed filtering database.
- **Filtering of Search Engine Images:** OpenDNS filters inappropriate images that can be found in search engine query results.
- **Monitoring:** OpenDNS reporting tools Explorer, Reporter and Real-Time Analyzer offer many different ways to monitor and report online activities of minors.
- **Policy Management:** OpenDNS allows customization of Internet policies, based on a user or group, with the ability to set appropriate policies based on age or need.

Student Responsibility: Search and Seizure Practices and Procedures

Lockers are School Property

All lockers assigned to students are the property of the school. At no time does the school relinquish its exclusive control of its lockers. The school principal or his/her designee shall have custody of all combinations to all lockers or locks. Students are prohibited from placing locks on any locker without the advanced approval of the school principal or his/her designee.

Legitimate Use of School Lockers

The school assigns lockers to its students for their convenience and temporary use. Students are to use lockers exclusively to store school-related materials and authorized personal items such as footwear, grooming aids, lunches, or outer garments. Students shall not use lockers for any other purpose, unless specifically authorized by school board policy, the school principal, or his/her designee prior to students bringing the items to school. Students solely are responsible for the contents of their lockers.

Search of Locker Contents

Searches of school lockers and their contents deter violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for students and personnel. Accordingly, the Board of Directors authorizes the principal or his/her designee, upon reasonable cause under the circumstances, to search lockers and locker contents at any time, without notice, and without parental or student consent.

The principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The principal or his/her designee shall supervise the search. In the course of a locker search, the school principal or his/her designee shall respect the privacy rights of the student regarding any items discovered that are not illegal or in violation of school policies and rules.

Seizure

When conducting locker searches, the principal or his/her designee may seize any illegal or unauthorized items, items in violation of board policy and/or school policies or rules, or any other items reasonably determined by the principal or his/her designee to be a potential threat to the safety or security of others. Such items include but are not limited to the following: contraband, controlled substance analogues or other intoxicants, dangerous weapons (or look-a-like weapons), explosives, firearms, flammable materials, illegal controlled substances, poisons, and stolen property. Law enforcement officials shall be notified immediately upon seizure of such dangerous items or items that schools are required to report to law enforcement agencies. Any items seized by the school principal or his/her designee shall be removed from the locker and held by school officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent of a student shall be notified by the principal or his/her designee of items removed from the locker.

Search and Seizure of Electronic Devices

Cell phones, PDAs, iPods, MP3 players, video equipment, cameras, gaming devices, laser pointers and any other electronic devices are not permitted on school grounds or at school-related events, unless approved by the principal. If approved, an electronic device shall not be used in a manner that disrupts the educational process or purpose, including but not limited to posing a threat to academic integrity, violating confidentiality or privacy rights of another individual, or violating the Student Code of Conduct. If the principal or his/her designee has a reasonable suspicion that a violation has occurred, he/she shall have the right to search for and confiscate the electronic device.

Search and Seizure of Person and/or Personal Property

The school will conduct a search if the principal (or principal designee) has a reasonable suspicion that a violation of the Student Code of Conduct has occurred. When determining the nature and scope of the search, the principal (or the principal designee) will consider the age and sex of the student as well as the nature of the act of misconduct. The search may include the student's person, backpack, purse, pockets, shoes, and/or other personal property. A physical search of a student will only be conducted when there is a reasonable suspicion that the student has an illegal weapon, drug and/or alcohol on his/her person. A physical search may only be conducted by a staff member of the same sex as the pupil. School personnel shall not conduct strip searches or body cavity searches of any pupils under any circumstances.

Student Responsibility: Student Code of Conduct

Our goal is to offer a quality education program. To fulfill this goal, students need a positive, safe, and orderly school environment in which learning can take place without disruption. Students who do not observe the rules of good conduct in the classroom or on the playground decrease both the learning and safety of others and their own opportunities to learn. Therefore, our staff takes a very proactive role in enforcing the Student Code of Conduct outlined below.

Students are expected to demonstrate respect and courtesy by obeying staff members, being kind to others, and being considerate of others' and the school's property.

Acts of Misconduct

The acts of misconduct listed in this Student Code of Conduct are not to be construed as an all-inclusive list or as a limitation upon the authority of school officials to deal appropriately with other types of conduct which interfere with the good order of the school, the proper functioning of the educational process, or the health and safety of students.

A student violating any of the acts of misconduct listed in this Student Code of Conduct may be deemed to be guilty of a gross misdemeanor and will be disciplined. Additionally, a student who engages in an act of misconduct that violates the law may be referred to law enforcement. A student who engages in an act of misconduct when the student was enrolled in another school for which the disciplinary action has not been fully served may be required to serve out the length of the suspension or expulsion.

Students are expected to follow the Code of Conduct when

- on school property;
- in a motor vehicle being used for a school related purpose;
- at a school-related activity, function or event;
- en route to or from school;
- at any time or place when the student's behavior has a direct and immediate effect on maintaining order, safety, health and discipline in the school

Acts of misconduct include, but are not limited to, the following:

- Failure to cooperate or comply with directions of school personnel and volunteers
- False allegations against staff, volunteers, or students
- Falsification of records or scholastic dishonesty (including cheating and plagiarism)
- Misuse of copyrighted materials
- Improper or disrespectful communications to staff, volunteers, or students
- Use of profane and/or inappropriate language
- Disruption of school
- Bullying and harassment
- Cyber-bullying as defined by the Technology Use and Internet Safety Practices and Procedures
- Criminal Sexual Conduct as defined by state law
- Improper dress in violation of the Dress Code
- Indecency (either with clothing/exposure, pictures or public display of affection)
- Any public display of affection having sexual connotations
- Violations of building rules and regulations
- Violations of rules or policies as set forth in the Parent and Student Handbook
- Smoking, tobacco possession or use

- Trespassing, loitering
- Suspended or expelled student on school property or attending school activities
- False alarms
- Possession of electronic device(s) defined by school policy
- Damage of property or theft/possession of stolen property
- Coercion, extortion or blackmail
- Arson
- Possession of firework(s), explosive(s) and/or chemical substance(s)
- Possession of a knife consisting of a sharp edge or sharp pointed blade capable of inflicting cutting, stabbing or tearing and intended to be used as a weapon
- Possession and/or sale of alcohol and/or drugs (narcotic drugs, look-a-like substances and illegal chemical substances)
- Possession of look-a-like weapons
- Possession of firearms, deadly weapons or destructive devices as defined by state law and other dangerous instruments not otherwise enumerated herein
- Possession of personal protection devices (such as tasers, mace, pepper-spray, etc.)
- Fighting, assault and/or battery on another person
- Gangs and gang related activity or recruitment
- Violation of Technology Use and Internet Safety Practices and Procedures
- Misconduct prior to enrollment
- Substantial disobedience. Out of school suspensions show a disregard for the rules and regulations established by the School Board.
- Verbal assault
- Extreme acts of defiance and/or threats toward teachers/other adults/fellow students
- Habitual Truant as defined in the Attendance Policy.

The principal reserves the right to deny enrollment to any student who has a pending or current disciplinary action imposed upon him/her by another school. Failure to notify the principal of a current disciplinary action or separation based upon a pending disciplinary action from the previous school does not prohibit the principal from withdrawing the student pending an informal meeting between the parent, student and principal prior to the withdrawal.

Harassment, Intimidation, and Bullying

The school prohibits acts of harassment, intimidation, and bullying (including cyber-bullying and sexual harassment) of any student on school property or at school sponsored events. Bullying is defined as any overt, repeated acts or gestures by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate or harm the other student. Acts of bullying may be verbal, written communication, physical acts or any other behaviors with one or more of the following effects and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive environment:

- Physically or mentally harming a student
- Damaging student property
- Placing a student in reasonable fear of harm
- Placing a student in reasonable fear of damage to his/her property
- All school employees, volunteers, and students are required to report prohibited incidents of which they are aware to the principal. The principal is then responsible for determining whether an alleged incident constitutes a violation. In so doing, the principal will conduct a prompt, thorough, and complete investigation of the reported incident and prepare a report documenting the prohibited incident that is reported. Disciplinary procedures under this Student Code of conduct will be followed for any act of harassment, intimidation, or bullying. Those procedures will include protecting any victim from additional harassment, intimidation,

and bullying, and from retaliation following a report. The school will follow any applicable federal or state reporting requirements.

Unlawful Activity

A student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or education function or the student's removal is necessary to restore order or protect persons on school property. A suspension or expulsion may occur if the unlawful activity occurs during weekends, holidays, school breaks and the summer period when a student may not be attending classes or other school functions.

Possession of Firearms, Deadly Weapons, or Destructive Devices

Indiana law prohibits students from bringing to school or possessing at school firearms, deadly weapons, or destructive devices. Therefore, under Indiana law, the penalty for possession of a firearm, deadly weapon, or destructive device is an expulsion from school for at least one calendar year with the student's return at the beginning of the first semester after the one year period. The principal may reduce the length of the expulsion, depending on the circumstances.

Parents or students who are unsure of what conduct is prohibited by each act should consult with the principal.

Disciplinary Procedure

A student may be disciplined at any level depending upon the frequency and/or severity of the act of misconduct. A Behavior Referral Report will be completed for each violation of the Code of Conduct and copies are made for the parent and kept in the student's file. Discipline records will be included in any student file properly requested by the parent to be transferred to a subsequent school. Corporal punishment is prohibited as a means of discipline.

Level 1 EARLY INTERVENTION: The behavior may be a violation of the code of conduct or a disruption of the orderly operation of the classroom or a school activity. The inappropriate behavior with the student is addressed.

Level 2 PARENT NOTIFICATION: The parent is notified by mail or a note home of the misbehavior.

Level 3 PARENT CONTACT: A conference with the parent, teacher is held in order to discuss the incident and appropriate disciplinary action.

Level 4 BEHAVIOR SUPPORT PLAN (BSP): When the behavior(s) has reached a level of substantial disobedience, the teacher and/or principal shall schedule a meeting with the parents in order to implement a Behavior Support Plan or BSP. A BSP will take into consideration the cause of the inappropriate behavior, positive interventions that might be utilized to diminish the inappropriate behavior and necessary consequences that will take place if the behavior continues. The BSP shall be signed by all parties and copies are made for the parent and kept in the student's file. If the disciplinary action is related to unexcused tardies or absences an Attendance Corrective Action Plan (A-CAP) will be implemented.

Level 5 SUSPENSION OF 10 SCHOOL DAYS OR LESS OR OTHER DISCIPLINARY INTERVENTIONS: When the act of misconduct disrupts the school environment, the resulting consequence issued by the school administration may include suspension of up to 10 school days, or other disciplinary interventions such as restitution, counseling and exclusion from school activities. The school administration convene a meeting with the student, parents and others to develop or update an existing Behavior Contract that outlines the expected behavior and disciplinary action. The Behavior Contract shall be signed by all

parties and copies are made for the parent and kept in the student's file. The student will be granted a right to due process as described in the Due Process Procedures of this Code of Conduct.

Level 6 **EXPULSION**: When the act of misconduct is considered a crime under state law, constitutes extreme non-compliance with school rules, or is so extreme that it threatens the safety of others or the student is substantially disobedient, the student may be expelled from the school. The student will be granted a right to a due process hearing.

Students who are served under IDEA (Special Education) or under Section 504 of the Rehabilitation Act of 1973 are entitled to certain additional rights in the area of discipline based upon their qualification for services under these federal laws.

Due Process Procedures

The following due process procedures only govern the suspension or the expulsion of a student from the school's regular educational program. If a student charged with violation of this Student Code of Conduct has been returned to the regular school program pending a decision, then such action of reinstatement shall not limit or prejudice the school's right to suspend or expel the student following that decision.

A. Suspension of Ten (10) School Days or Less

As a general rule, prior to any suspension of the student, the principal shall provide the student with the following due process:

1. The principal shall inform the student of the charges against him/her, and, if the student denies the charges, the principal shall provide the student with an explanation of the evidence the principal possesses.
2. The student shall be provided an opportunity to explain to the principal his/her version of the facts.

If a student's presence in school poses an immediate danger to persons or property or an ongoing threat of disruption to the educational process, the principal may immediately suspend the student, and as soon thereafter as reasonable, provide the student with his/her due process rights as set forth in this section.

If, after providing the student with his/her due process rights, the principal determines that the student has engaged in a prohibited act under this Student Code of Conduct, then he/she may impose a disciplinary penalty of a suspension not to exceed ten (10) school days. The student's parent shall be informed in writing of the suspension and of the reasons and conditions of the suspension. A Conduct Report is to be completed, with copies going to the parent and the student's file. A decision to suspend a student for ten (10) or fewer school days is final and not subject to further review or appeal.

Teacher Empowerment to Suspend

If a student's conduct in a class, subject, or activity significantly or repeatedly interrupts the educational environment, the teacher may suspend that student from the class, subject, or activity for up to one full school day. The teacher shall immediately report the suspension to the principal and send the student to the principal or the principal's designee for appropriate action. After a suspension, the principal or principal designee shall ask the parent of the student to attend a parent-teacher conference regarding the suspension.

B. Suspension of More than Ten (10) School Days Prior to an Expulsion

A suspension of more than ten (10) school days may be imposed prior to an expulsion hearing if it is determined that the student's continued suspension will prevent or reduce the risk of interference with the orderly school environment or a physical injury to students or staff.

The principal or principal designee has the discretion to recommend an expulsion. Upon recommendation of an expulsion, the principal shall designate a Hearing Administrator to provide notice of the expulsion action to the student and parents and preside over the expulsion hearing, if any. The Hearing Administrator may be a member of the school's administrative staff or legal counsel, but shall not be the principal or any other person who has been involved in (i) expelling the student, (ii) the events giving rise to the expulsion, or (iii) any other disciplinary matter in the past involving the student, whether or not related to the current expulsion matter.

1. Hearing for Expulsion

If a student is charged with a violation of the Student Code of Conduct carrying a consequence of an expulsion, the student and his parent shall be notified of such in writing by registered mail or personal delivery, as well as the student's rights of due process as set forth herein.

The written notice of violation shall state:

- a. The identity of the Hearing Administrator
- b. The nature of the violation
- c. The recommended consequence
- d. The opportunity to request or waive their right to an expulsion hearing
- e. That the student and parents will be deemed to have waived their right to an expulsion hearing if they do not request the hearing within ten (10) school days of their receipt of the written notice of violation.
- f. The right of the student to have an advocate of the parent's choice participate in a hearing at their expense
- g. The right of the student to hear and/or see the evidence offered against the student during a hearing
- h. The right of the student to present oral or written evidence or testimony on the student's behalf during a hearing
- i. The right to a written record of the result of a hearing.

If a parent, on behalf of the student waives their rights to a hearing or fails to appear at an expulsion hearing, the parent and student shall forfeit all rights administratively to contest and appeal the expulsion. If the parent and student request an expulsion hearing, the Hearing Administrator shall contact the student and parent to notify them of the time, date, and location of the expulsion hearing, which should be held within fourteen (14) days of the Hearing Administrator's receipt of the request thereof.

A Hearing Administrator has the power to (i) issue subpoenas (ii) compel the attendance of witnesses and (iii) administer oaths to persons giving testimony at the hearing. A written summary of the evidence heard shall be kept by the hearing administrator. Within a reasonable time following the hearing, the

Hearing Administrator will provide the parent with a written record of the decision by registered mail or personal delivery. This record will inform the parent of their right to request an appeal before the Board of Directors.

2. Appeal of an Expulsion

An appeal of an expulsion decision must be requested within ten (10) days of the receipt of the written decision of expulsion. The appeal request must contain the reasons that the decision should be reviewed or reconsidered, and must be signed by the parent and delivered to the Board of Directors by way of certified first class mail. If the appeal is properly made, the Board of Directors will consider the appeal unless the board votes not to hear the appeal. If the Board of Directors decides not to hear the appeal, written notification of the denial shall be sent to the parent and student within ten (10) days of the decision.

If the Board of Directors votes to hear the appeal, a meeting shall be convened in closed, executive session and shall be conducted in accordance with the rights of confidentiality adhering to Education Records as that term is defined in 20 USC 1232g. In reviewing the appeal request, the Board of Directors will consider the written summary of the expulsion meeting and the arguments of the school administration and the student and/or student's parent. Although the hearing of the appeal shall be conducted in a closed, executive session, the final action of the Board of Directors must be taken at a meeting open to the public. The Board of Directors shall also notify the student and his parent of its decision in writing within five (5) days of the meeting at which the final action was taken.

All appeals heard before the Board of Directors are final, subject to the right of the student and parent to submit the decision to judicial review.

Definition of Terms

Behavior Referral Report is a specific written record of the student's act of misconduct. It documents the date, nature of the offense, and the disciplinary action taken by the teacher and/or school administration.

Attendance Corrective Action Plan (A-CAP) is a written document that identifies the causes for excessive tardies and/or absences and what steps will be taken to minimize the number of occurrences. It is signed by the parents, student, and staff member.

Behavior Support Plan (BSP) is a written document that identifies the cause of repeated misconduct and what steps will be taken in order to help a student overcome inappropriate behavior. It is signed by the parents, student, and staff member.

Behavior Contract is a written document that outlines the expected behavior and disciplinary action for a student. It is signed by the parents, student, and staff member.

In-School Suspension refers to a decision to temporarily remove a student from the mainstream classroom and to place the student in a segregated environment within the school building that allows the student to continue to progress in their coursework but denies them access to regular classroom instruction and social interaction with their peers. The In-House Suspension room must be supervised by an adult employee of the building at all times.

Out-Of-School Suspension refers to a decision to temporarily remove a student's right to attend school or any school-related activity not to exceed ten (10) school days. A meeting with the parents may be convened to discuss the incident that led to the suspension and to develop a Behavior Contract for the future.

Expulsion is defined as a decision to remove a student from school due to extreme non-compliance with school rules/state law. An expulsion may last for the remainder of the current semester plus the following semester. An expulsion that was issued more than three (3) weeks before the beginning of the second semester or an expulsion that will remain in effect during the first semester of the following school year must be reviewed and may lead to a recommendation by the individual conducting the review that the student be reinstated. The review

1. shall be conducted after giving notice to the student and parent
2. is limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original expulsion hearing

Permanent Expulsion is defined as a decision to permanently remove the student from school for one (1) calendar year if the student is found in possession of a firearm, destructive device, or deadly weapon. The principal may modify a one (1) year expulsion if the student establishes in a clear and convincing manner at least one (1) of the following:

1. A recommendation from the group of persons knowledgeable of the student's educational needs in accordance with IDEA.
2. The weapon was not knowingly possessed by the student.
3. The student did not know or have reason to know that the object or instrument possessed by the student constituted a weapon.

Parental Partnership: Communication

Effective communication between the school and home is vital to the successful academic, emotional, and social well-being of students. To keep parents informed of school events and student growth, the school communicates often with parents through newsletters, telephone calls, and individual and group meetings.

Secure School Website

National Heritage Academies is committed to student achievement and parental involvement. NHA maintains a secure website containing student information to link these two core values. This secure online tool can be accessed by visiting the school website and logging-in through the Parent Login link on the homepage. Administrators and teachers update this site daily to record student records, analyze data, and communicate important information.

NHA recognizes the value of informed and involved parents in the learning process. The website provides another way for parents to stay connected to the school. The online connection begins as soon as a student applies to attend an NHA school. The parent(s) of the applicant are sent a letter with detailed instructions for accessing their own *free* online account. After following these instructions, parents can log on to the system from any computer on the Internet and review their child's admissions information, attendance, and grades. Using the website, parents can also e-mail staff members, review important publications, check calendars, and subscribe to automated e-mail updates about their child. Questions related to the website should be directed to info@nhaschools.com.

Parent Satisfaction Survey

Measuring and understanding parent satisfaction is an important part of our culture. In an effort to understand school-wide parent satisfaction, our students' parents are surveyed once per year. Parents are expected to complete one survey for each child enrolled at the school.

Parent-Teacher Conferences

Parent-teacher conferences are conducted face to face twice each school year. In addition, parents are encouraged to inquire about their child's performance any time during the school year. We believe that by continually monitoring students' progress, the parent-teacher conferences will serve as a review with very few surprises. In order for the instructional time to be protected, parents must make appointments to meet with any staff member during the school day.

During each conference, teachers review the student's progress and discuss his/her strengths and opportunities. Parents are encouraged to ask questions in order to learn as much as possible about their child's performance. We aim to make parent-teacher conferences a positive experience for everyone involved.

Parental Partnership: Attendance

Regular attendance establishes good work habits and self-discipline. Our school records attendance every morning, afternoon, and in each middle school class period.

Arrival

Students in grades K-5 with siblings in 6-8 should arrive at school at 7:15 a.m. for breakfast. Student in grades 6-8 without siblings in K-5 should arrive at 7:30 a.m. for breakfast. Students who are not eating breakfast should arrive by 8:00 a.m. Students should not come to school prior to 7:15 a.m. as there is not available staff to supervise them.

Once students arrive and after exiting their vehicle, students should proceed directly into the building through Door A. Students may not run, shout, or otherwise act in a disorderly manner. All students wearing hats should remove them upon entering the building. Prompt arrival is essential for an orderly opening ceremony. Parents who are dropping off should follow the drop off procedures and drive at no more than 5 mph in the school parking lot.

Dismissal

Our students are dismissed at staggered times in order to ensure their safety during the dismissal process. School dismisses beginning at 3:05p.m. The dismissal process will end promptly at 3:30 p.m. At this time, parents must enter the building to sign their child out.

Driveline is our process for dismissal and a way that we ensure your child's safety. When entering the school parking lot parents must follow the traffic flow and do not exceed 5 mph, while following parking lot procedures. Anyone picking up must have an orange driveline tag in their front passenger side window, in order to pick-up students. Those who are walking up to pick up scholars must carry their orange driveline tag in their hand and walk to Door B to pick-up. Students who walk home will be dismissed from Door K and walked out to 15th Ave. Parking on 15th Ave. is prohibited. Students who walk should be walking home, not walking to a car. If you do not have an orange driveline tag, please come to the schools main office to receive a tag prior to 2:30 p.m. and one will be ordered for you.

In the interest of students' safety and teachers' preparation time, parents are asked to pick up their children immediately after dismissal. Because of professional and personal obligations, no staff members are available to supervise students after school hours. Parents who have an emergency and cannot pick their child up on time should call the school office to ensure their child's safety. If parents are chronically late in picking up their child, Child Protective Services will be called. Our office is closed from 2:45 p.m. - 3:15 p.m. daily to assist with dismissal. Parents who are entering for dismissal may not use their cell phone while in the office.

Tardiness and Early Dismissal

Students are considered tardy if they arrive to their homerooms after the start of either class or morning ceremony, if held prior to class. Early dismissals from school will be marked accordingly in the student's record. Parents who dismiss their child early from school, for any reason, must sign the child out.

The tardy is considered unexcused unless communication is provided by the parent the day of the tardy and the tardy is excused under the reasons below. This communication should be documented for record-keeping purposes. The communication should contain the following information:

- Student's name
- Teacher's name
- Date of tardy

- Reason for tardy
- Phone number
- Signature of parent

If a tardy is due to a doctor or dental appointment, a note from a physician may be requested. Tardies are excused for only the following reasons:

- Personal illness or injury
- Funerals
- Doctor or dental appointments (which could not be arranged outside school hours)
- Religious observances
- Late arrivals due to weather conditions (which do not require a parent note)
- Authorized tardy (approved by the principal)

Abuse of excused tardies may be addressed by the principal and could result in disciplinary action taken under the Student Code of Conduct in the sole discretion of the principal.

Absences

All absences are to be verified by communication from the parent to the school office. This communication should be documented for record-keeping purposes. Voicemail is available before and after school hours.

If an absence is not verified by communication from the parent, the absence is considered unexcused. An absence may be excused if communication is provided by the parent within five days following the absence and meets the guidelines below for an excused absence. The communication should contain the following information:

- Student’s name
- Teacher’s name
- Date of absence
- Reason for absence
- Phone number
- Signature of parent

If an absence is due to illness and lasts five days or more, a note from a physician may be requested. Absences are excused only for the following reasons:

- Personal illness or injury
- Funerals
- Doctor or dental appointments (which could not be arranged outside school hours)
- Religious observances
- Authorized absence (approved by the principal)

Abuse of excused absences may be investigated by the principal and could result in a referral to Juvenile Court or Bureau of Motor Vehicles or other disciplinary action.

Unexcused tardies and absences are handled in the following manner:

Unexcused Tardies	Unexcused Absences	Progressive Consequences
3	2	Early Intervention
6	4	Parent Notification (Email or note)

9	6	Parent Contact (Phone or meeting)
12	9	Completion of Attendance Corrective Action Plan (A-CAP)*
16	14	Appropriate Consequence*
20	18	Appropriate Consequence*
24	22	Possible Expulsion/Withdrawal*

*Potential referral to Juvenile Court or Bureau of Motor Vehicles with certified return receipt to parent. Factor considered in grade promotion.

Note: Any student who accumulates 15 consecutive school days of unexcused absences will be subject to potential withdrawal from the school.

Truancy

A student is habitually truant if his/her unexcused absences total five (5) or more school days in a school year. If truant, the student will be referred to the Juvenile Court and Child Protection Services, if applicable.

The principal may act as the school’s attendance officer or delegate that duty. The school’s attendance officer investigates possible school attendance violations and takes other necessary actions to enforce the compulsory education laws.

Family Vacations

Parents planning to take their child on a trip must notify the principal or secretary at least two weeks before departure. The student’s absence will be an unexcused absence unless approved by the principal. Lengthy trips are discouraged and may be cause for withdrawal. It becomes the student’s responsibility, with the help of the parents, to make arrangements with each teacher for missed assignments and to complete assigned work upon his/her return to school. The student is to complete all assignments within the same number of days as the length of the vacation. Incomplete assignments will not receive credit. Students who miss an announced test during their absence will take the test when all missed work is completed and within the same number of days missed due to the vacation.

Family Death or Terminal Illness

If there is a death, terminal illness, or similar traumatic situation in a student’s family that may affect his/her attendance, emotional well-being, and/or level of concentration, the office staff members should be notified.

Illness During the School Day

If a student becomes ill during the school day, appropriate arrangements will be made for the student’s care while waiting for parent pick-up. Students with vomiting or fever must be symptom-free for 24 hours before returning to school.

Voluntary Withdrawal

To withdraw a student, a parent must complete a Student Withdrawal form available in the office.

Parental Partnership: Dress Code

To enable students to reach high academic standards, the school has put in place a dress code designed to reduce distractions and competitions. Implementing a simple, flexible, cost-effective dress code promotes student learning and increased academic instruction time. Interpretation of the Dress Code is at the principal and staff's discretion and their decision is final.

Personal Hygiene

The personal grooming of students should be in accord with the standards set by the uniform dress code. Students should be clean and neat when at school.

All Students

- Students must wear grey or maroon collared polo shirts. Undershirts are not appropriate for outerwear. All visible undergarments (i.e. undershirts, t-shirts) should be solid black, grey, or white with no designs or additional colors.
- All students must wear plain black dress or black athletic shoes with no designs or additional colors. Boots are permitted only as outerwear. Students must remove boots and put on proper school shoes upon arrival. Boots are not permitted to be worn during the school day.
- Cold weather attire may include sweaters or vests that are solid grey, black or maroon. There must be no insignia. Hoodies are not allowed.
- Hats or bandanas/scarves of any kind may not be worn inside the building.
- Hairstyles must be neat and appropriately groomed.
- Extreme hairstyles that are deemed a distraction to the learning environment (or contain objectionable symbols) are not permitted.
- Gym uniforms consist of grey or maroon sweatpants or shorts and an official Aspire t-shirts. There must be no insignias on any part of the gym uniform. Gym shoes should be worn with gym uniforms.
- Dark solid-colored belts must be worn at all times with pants.

Boys

- Boys are required to wear grey pants. Belts must be worn with pants or shorts that have belt loops. Shirts must stay tucked in pants.
- Boys must wear dark or solid colored socks that match the school uniform.
- Hairstyles must be conservative with hair being off the collar. Mohawks or designs cut into hair are not permitted.
- **Middle School:** Black or grey blazers, black, or grey cardigans (sweaters), or black or grey vests with grey, white, or black polo shirt, with grey pants are required.

Girls

- Girls are required to wear grey pants, or grey/maroon plaid school jumpers, skirts, or skorts. All bottoms must be either longer than the student's fingers when her arms hang at her sides or no more than three inches above the knees.
- Girls must wear solid colored socks or tights that match the uniform.
- A reasonable number of earrings are permitted. Only ears may be pierced.
- Makeup is not permitted.
- Girls may not carry purses.
- **Middle School:** Black or grey blazers, black or grey cardigans (sweaters), or black or grey vests with grey, white, or black shirts with plain uniform bottoms (burgundy plaid) or grey pants or skirt are required.

Parental Partnership: Title I Parent and Family Engagement Policy

The school has adopted a policy addressing the importance of parent and family engagement. The Title I Parent and Family Engagement Policy, included below, was jointly developed with, and agreed on, by parents and family members of Title I participating children. In addition to existing policies and guidelines, the school also recognizes the need for a policy that meets the requirements under Section 1116 of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds (ESSA) Act of 2015 (P.L. 114-95).

Parents and family members of students are vital contributors in the education of their children. Accordingly, they are encouraged to participate in the development and structure of Title I activities and to be kept informed about programs in which their children belong. Moreover, they are to be kept informed of the academic progress their children make as a result of participation in these programs, for it is through mutual understanding and close cooperation between the school and home that a student’s academic success improves. Two-way communication between the school and home, both verbal and written, provides a sound base for a good partnership to provide an effective educational program for all students. Full realization of the partnership will be achieved through the on-going commitment and active participation by both home and school. The policy describes how federal and applicable state requirements for parental engagement will be met and sets the school’s expectations and objectives for meaningful parent and family involvement and engagement.

ESSA Section	Ways in Which School Staff Accomplish these Activities
<p>1116 (c) (1) The school shall convene an Annual Title I Parent and Family Meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under Title I, to explain requirements of Title I, and their right to be involved.</p>	<p>Early in the school year, parents and family members are invited to an annual Title I Parent and Family Meeting to meet the staff, learn more about Title I programs, ask questions, and give suggestions. The following information is part of the meeting:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Title I requirements <input type="checkbox"/> The right for parents and family members to be involved and to provide input on the Title I program, the Title I Parent and Family Engagement Policy, the School-Parent Compact/Commitment to Excellence Contract, and the Homeless Dispute Resolution process <input type="checkbox"/> How progress is measured and how they receive feedback about their child’s progress. <p>Parents and family members who are unable to make this meeting are invited to schedule a meeting with school staff to go over the information at a time that is convenient for them.</p>
<p>1116 (c) (2) The school shall offer flexible number of meetings at times convenient to parents and provide transportation, child care, or home visits as it relates to parental involvement.</p>	<p>Meetings are offered at times convenient for parents and family members and if needed, transportation, child care, and home visits can be arranged. Teachers, deans and principal also available by email, voicemail, and appointment.</p>

<p>1116 (c) (3) The school shall involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of Title I programs, including the planning, review, and improvement of the school’s parent and family engagement policy and joint development of the schoolwide program plan.</p>	<p>Parents and family members are involved in the planning, review, and improvement of the school’s parent and family engagement policy, and the joint development of the school improvement plan, Parent and Family Engagement Plan, and Title I Program. At least annually, the school, parents and family members convene to evaluate the school improvement plan, Parent and Family Engagement Plan, and Title I Program. This assessment includes metrics so the school can evaluate the effectiveness of parent and family engagement policy initiatives and the level of responsiveness to parent and family concerns. This assessment initiative helps the school identify barriers to greater parent and family participation. The school uses the findings of this assessment initiative to design strategies for more effective parent and family engagement and to revise, if necessary, this Parent and Family Engagement Policy. Further, these metrics may be used as a measure in the performance evaluations of the school, principals, and staff. Examples of metrics include, but are not limited to:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Responses to, and the results of, the annual Parent Satisfaction Survey <input type="checkbox"/> Increase or decrease in the number of parents and family members involved in school activities <input type="checkbox"/> Percent of signed School-Parent Compacts/Commitment to Excellence Contracts <input type="checkbox"/> Attendance at parent-teacher conferences <input type="checkbox"/> Workshops and learning experiences offered for parents and family members
<p>1116 (c) (4) (A) The school shall provide parents of Title I children timely information on Title I programs.</p>	<p>In order to build meaningful, consistent, and effective communication between the home and the school, parents and family members of Title I children are provided timely information regarding the school programs in the following ways:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Annual Fall Title I Parent and Family Meeting <input type="checkbox"/> Annual Spring Parent and Family SIP Meeting <input type="checkbox"/> The Parent and Student Handbook <input type="checkbox"/> Regular school and classroom newsletters <input type="checkbox"/> The annual school calendar <input type="checkbox"/> Special event and reminder notices <input type="checkbox"/> Report cards <input type="checkbox"/> Parent-teacher conferences <input type="checkbox"/> Parent and Family Nights <input type="checkbox"/> School assemblies/ceremonies (parents invited) <input type="checkbox"/> The School-Parent Compact/Commitment to Excellence Contract
<p>1116 (c) (4) (B) The school shall provide parents of Title I children a description and explanation of the curriculum used at the school, the forms of academic assessment used to measure progress, and the achievement levels of challenging State academic standards students are expected to meet.</p>	<p>Parents of Title I children are provided a description and explanation about the school’s curriculum, assessments, and proficiency level expectations. Efforts are made to assist parents of Title I children in understanding challenging State academic standards and the achievement levels established for students, the school curriculum, and school expectations and assessment results. This is accomplished by scheduling regular parent and family meetings throughout the school year.</p>

<p>1116 (c) (4) (C) The school shall provide parents of participating Title I students opportunities for regular meetings to formulate suggestions, and to participate as appropriate, in decisions relating to their child’s education, and to respond to any suggestions as soon as practicably possible.</p>	<p>Parents and family members have opportunities to share suggestions, participate in decision making on issues relating to their child’s education, and respond to any suggestions as soon as possible in the following ways:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Annual Fall Title I Parent and Family Meeting <input type="checkbox"/> Annual Spring Parent and Family SIP Meeting <input type="checkbox"/> Parent and Family Learning Events <input type="checkbox"/> Meetings with the principal as needed and or upon request
<p>1116 (c) (5) The school shall ensure that if the schoolwide program plan is not satisfactory to parents of participating students, submit any parent comments on the plan when the school makes the plan available to the local education agency.</p>	<p>At least one parent representative participates on the School Improvement Planning Committee and is included in the school’s comprehensive needs assessment process. Parents and family members have the opportunity to attend the annual Spring Parent and Family SIP Meeting and submit comments about the school improvement plan and goals via a survey or directly to school administration. Any comments from parents on the plan are submitted to the local education agency by the school in conjunction with submission of the school’s improvement plan.</p>
<p>1116 (d) (1) The school shall jointly develop, with parents, a school-parent compact that outlines how the entire school staff, parents, and students will share the responsibility for improved student achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State’s high standards. This compact must describe the school’s responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment and the ways in which each parent will be responsible for supporting their children’s learning, volunteering in their child’s classroom, and participating in decisions relating to the education of their children and positive use of extra-curricular time.</p>	<p>The School-Parent Compact/Commitment to Excellence Contract was developed with input from parents and family members. This contract describes how the parents, school staff, and students share the responsibility for improving student achievement. It is given to all parents prior to school opening and is presented to parents and family members annually for further development. Parent and family member input is collected through parent and family meetings and surveys.</p>
<p>1116 (d) (2) (A) The school-parent compact must address the importance of communication between teachers and parents on an ongoing basis through elementary parent/teacher conferences, at least annually, during which the compact will be discussed with parents as it relates to the individual child’s achievement.</p>	<p>The School-Parent Compact/Commitment to Excellence Contract is shared annually at parent-teacher conferences each fall. This is an opportunity for the parents and the teacher to share ways in which they can jointly support the child’s learning at home and school.</p>

<p>1116 (d) (2) (B) The school-parent compact must provide for frequent reports to parents on their child’s progress.</p>	<p>Student progress is reported to parents in several different ways at a variety of times throughout the school year including:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Unit assessment results sent home with students <input type="checkbox"/> NWEA results given to parents during Parent-Teacher Conferences <input type="checkbox"/> State test results given to parents annually <input type="checkbox"/> Report cards <input type="checkbox"/> myNHA is a tool parents can use at home to access student progress
<p>1116 (d) (2) (C) The school-parent compact must afford parents of children receiving Title I services, reasonable access to staff, opportunities to volunteer, and participate in their child’s class, and observation of classroom activities.</p>	<p>Parents of all children including those receiving Title I services are encouraged to visit the school for volunteer training and information, participate in and/or observe their child’s classes, actively volunteer in the life of the school, and attend other meetings and events. In addition, the school encourages parents and family members to offer their ideas and suggestions to the school staff.</p>
<p>1116 (d) (2) (D) The school-parent compact must ensure regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language family members can understand.</p>	<p>Private meetings with parents are held to explain information as needed. Information is shared with parents in a language and format they can understand. Examples include:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Bilingual staff for interpretation <input type="checkbox"/> Offering translators during parent meetings <input type="checkbox"/> Translation of documents
<p>1116 (e)(1) The school shall provide assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child’s progress and work with educators to improve the achievement of their children.</p>	<p>The school provides assistance to parents of children served by the school or LEA, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of 1116 (e)(1), and how to monitor a child’s progress and work with educators to improve the achievement of their children.</p>
<p>1116 (e) (2) The school shall provide materials and training to help parents work with their children at home to improve their children’s achievement.</p>	<p>The school provides materials and training to help parents and family members develop and use at-home skills that support their children’s academic achievement and social development. Parents and family members are given techniques and strategies that they may use to improve their children’s academic success and to assist their children in learning at home. Parental Partnership: Visitor and Volunteer Guidelines

Visitors and volunteers are expected to review and honor the following guidelines while visiting or volunteering for the school. Violation of these guidelines endangers the safety of students and their right to an education. Those not abiding by these guidelines may be barred from the building and/or prevented from participating in future volunteer opportunities. Please contact the school's office for information on becoming a volunteer.

General

1. Potential volunteers are required to complete the appropriate level of background check before a volunteer assignment begins. Parents and guardians may complete the online Volunteer Authorization and Release form on the parents' form site to begin the background check process. Individuals who do not have access to the parents' form site may obtain a Volunteer Authorization and Release form in the school office.
2. All visitors and volunteers must be processed through the electronic visitor management system, using their driver's license and must wear a form of identification provided by the school. They may also be required to submit to a criminal background check.
3. All visitors and volunteers must sign both in and out in the school office. They may not walk directly to any classroom unless given permission by the office staff.
4. All visitors and volunteers must reinforce and demonstrate the school's Moral Focus Philosophy.
5. The distribution of literature, without prior approval from the classroom teacher or the principal, is prohibited.
6. Visitors and volunteers must abide by staff instructions, asking for clarification if necessary.
7. Corporal punishment is prohibited. As an alternative, the Student Code of Conduct disciplinary procedures are to be followed by school personnel or the classroom teacher.
8. The school is a public school with a Board policy of neutrality regarding religion. Visitors and volunteers may neither show preference for any one religion over any other religion nor share their personal religious views with students.
9. Appropriate dress is required at all times.
10. Smoking, tobacco, and alcohol use are prohibited anywhere on school property, in all indoor facilities, and in the presence of students.

Classrooms

1. The teacher is ultimately responsible for the students and activities in his/her classroom.
2. Volunteers should enter classrooms quietly and wait for a break in the activity before communicating with the teacher and students.
3. Student infractions must be addressed by the classroom teacher.
4. Classroom issues regarding students are confidential. Visitors and volunteers may not talk with others about the learning or disciplinary needs of any child other than their own.
5. Classroom visitors are allowed for a limited time and must have the principal's permission.

Field Trips

1. Volunteer drivers must provide a valid driver's license, proof of insurance, and a sufficient number of seat belts to transport their assigned students. Volunteer drivers, overnight chaperones, and anyone in attendance of a field trip may be required to submit to a criminal background check.
2. Volunteers should follow all instructions provided by the teacher or school.
3. Smoking is prohibited in the presence of students.
4. Volunteer drivers must drive directly to the event and return directly to school (or pre-approved location) immediately after the activity. "Side trips" are prohibited.
5. Volunteer drivers should leave radios off and avoid playing music.

6. Volunteers should behave appropriately when participating on field trips.

Field trips are a privilege, not a right, and participation is determined at the teachers' and administrators' discretion.

General School Procedures

Transportation

Because the school does not own a fleet of buses, parents are expected to provide the means for their children to get to and from school. Student may not be dropped off prior to 7:15 a.m. Supervision of school grounds begins at 7:15 a.m. Students must be picked up within 20 minutes of dismissal. After 3:25 pm, all late student pick-ups should be signed out in the main office or designated area.

Drivers and Carpools

Many parents form carpools. Should there be an interest, a list of parents interested in carpooling may be available in the school office.

With so many parents driving to school, significant traffic congestion can occur on a daily basis. Parents are asked to be patient and to plan on some delays, particularly during inclement weather.

Bicycles

Riding bicycles to and from school is strongly discouraged due to safety reasons. If it is necessary for a student to ride a bicycle to school, he/she must park and lock the bicycle in the school's bike rack before school begins and leave it untouched until school is dismissed. The school does not assume responsibility for damage or theft of bicycles. The student should register his/her bike with the police department and must wear a bicycle helmet.

Walkers

Students who walk to and from school should go directly home following dismissal. Failing to do so may cause undue worry for parents and staff members.

Meals

For grades 1-8, the school schedule allows for a 15-minute lunch period and a 15-minute outside recess period, weather permitting. A nutritious lunch, including milk, may be purchased at school, or students may bring sack lunches from home. Sack lunches should include healthy choices. Candy and soda are not permitted. Breakfast is also offered prior to the start of school. Breakfast will not be served after 8:00 a.m.

Your student's school is participating in Community Eligibility Provision (CEP), a Federal program which offers free meals to all enrolled students. Parents should complete a Household Information Survey as part of the program participation. These forms are available in the school's front office. The Household Information Survey determines the funding your student's school will receive to provide supplemental student support services. Incomplete forms may result in the elimination of these school services.

Snacks

A snack period may be offered at the discretion of kindergarten teachers. Students must bring their own snacks from home as they are not provided by the school. During the snack time, students must be in their seats. They may talk quietly with those sitting near them. Snacks should be nutritional (e.g., fruit, vegetables, cheese and crackers). Candy, pop/soda, hot chips and sweets are not acceptable. Gum is not permitted.

Recess

Students typically need and want a time during the day to engage in self-directed activity. Recess is provided for a breath of fresh air, a moment of solitude, a private conversation, or a game. As in the classroom, the supervising adult is the authority during recess. When playing games, students are

encouraged to include anyone interested in participating. Games that are abusive or demeaning are not permitted. All students are to remain in the designated recess area. Students may not use playground equipment while waiting for school to begin, waiting for rides, or following dismissal.

Holiday Celebrations

Birthdays

Because birthday celebrations tend to disrupt the normal progress of the day, students are encouraged to donate a book to the library rather than bring treats for their classmates. Birthdays are announced during morning announcements and students are given certificates, a ribbon and birthday pencil. Birthday parties are not allowed during instructional time. Any treats will be distributed to the class during lunch or at the end of the day.

Halloween

Halloween is not celebrated at Aspire. Consequently, costumes are not worn to school.

Christmas/Winter Holiday

Classes may have a small party at the end of the last day before the Christmas/winter holiday.

St. Valentine's Day

Students who bring valentines must give one to each of their classmates. Students in grades 3-8 make special valentines at home that are shared with veterans, senior citizens, hospitalized children, or members of the armed services. Students in grades K-2 may exchange sealed valentine treats that can be taken home.

Field Trips

When students travel away from school, they are subject to the same rules, regulations, and appropriate politeness observed at the school. As in the classroom, the teacher will judge behavior as acceptable or unacceptable. Misbehavior or disregard of school policies can result in denial of field trip privileges. Signed permission slips must be on file with the teacher for each student on each field trip.

Lost and Found

The lost and found is located in an area designated by the office. Unclaimed items are donated to charity bi-weekly.

Personal Items

The school will not accept responsibility for the personal items of students. We expect students to leave belongings that are not necessary for their education at home. Any personal items that staff members judge to be unsafe, inappropriate for school, or interfering with students' educational focus will be confiscated and held in the office or remain in the possession of a staff member until the parents retrieve them. The school shall not be responsible for any items lost or damaged while in its possession.

Students shall not possess cell phones, PDAs, iPods, MP3 players, video equipment, cameras, gaming devices, and electronic devices during the instructional day at school or school-related events. Subject to the Search and Seizure Practices and Procedures, the possession of such electronic devices during those restricted times constitutes the consent to search for and confiscate the device(s) by school personnel. Confiscated devices may be returned at the end of the school day after the first offense. A parent is required to claim confiscated items for second time offenses. If a parent provides a cell phone for security reasons, phones must be stored in the student's lockers or book bags in the off-position during the entire school day. Phones may also be given to teachers during the school day. Students are not permitted to carry phones on their person during the school day.

Coaches and personnel in charge of extracurricular activities may make exceptions to this rule upon obtaining the principal's permission.

Any exceptions to this general rule sought by parents for specific health or safety concerns should be brought to the attention of the principal. The principal's determination is final.

Emergency School Procedures

In the case of severe weather (e.g., major snowstorm, ice storm, dangerous wind chills, heavy fog), the principal will notify local radio and TV stations regarding the decision to close school or delay its opening. A phone message will also be sent out to each family through our SchoolMessenger calling system.

Severe Thunderstorm Watch or Warning

If school is already in session when the watch or warning is issued, the school stays open. The staff takes safety precautions.

Tornado Watch

Students remain in school, and the staff takes safety precautions. Students are released to parents or other designated adults upon request.

Tornado Warning

All students and staff members remain in the building and take shelter in designated areas. Students may be detained beyond the usual dismissal time. Students are released to parents or other designated adults upon request.

Emergency Drills

Emergency drills are held throughout the year. Safe areas inside and outside the building are designated for each classroom.

On rare occasions, law enforcement may invoke an exterior lockdown if there is a dangerous situation in the area that may present a safety hazard to our students and staff. The principal may also conduct an exterior lockdown if there is reasonable cause to believe that the students and staff may be in danger. During an exterior lockdown, no one is allowed to exit or enter the building until the lockdown has been lifted.

Tobacco Use

The school is a non-smoking facility. Any form of smoking and tobacco use are prohibited anywhere on school property, in all indoor facilities, and in the presence of students.

Payments Made to School

Checks written to the school that are returned for insufficient funds are processed through a service called Payliance. If a check is returned, Payliance contacts the person who wrote the check to collect the check's face value plus a collection fee. If he/she cannot be contacted or fails to respond properly, the check may be resubmitted to the bank with applicable collection fees.

Medical Information

To maintain a healthy learning environment, students are offered certain health services and are required to provide evidence of required immunizations.

Health Screenings

Our students receive special health services through the Health Department. These services include vision screening for students in grades K, 1, 3, 5, and 8 and hearing screening for students in grades 1, 4, and 7.

Immunization Requirements

Students are not permitted to attend school beyond the first day without furnishing a record of immunization unless:

- The school issues a waiver (for period not to exceed 20 days); or
- Local health dept. or physician determines the immunizations have been delayed due to extreme circumstances and the required immunizations will not be completed by 1st day of school. Parent/guardian must furnish written statement and time schedule for completing vaccinations, approved by health dept. or physician; or
- Medical exemption or religious objection is on file (forms available in office).

Human papillomavirus (HPV) is the name of a group of viruses that includes more than 100 different strains or types. More than 30 of these viruses are sexually transmitted. Most people who become infected with HPV will not have any symptoms and will clear the infection on their own. Some of these viruses are called "high-risk" types and may lead to cancer. The virus lives in the skin or mucous membranes and usually causes no symptoms. There is no cure for HPV infection, although in many cases, the infection goes away on its own. The HPV vaccine is recommended for adolescents 11-18 years of age and can be given to those as young as nine. The vaccine is given through a series of either two or three doses. Parents are encouraged to talk with their child's health care provider or local health department about HPV and immunization. More information is also available at the Center for Disease Control's website: <http://www.cdc.gov/std/hpv>.

Medication Administration

Only necessary medications that must be given during regular school hours will be administered.

All medications, whether prescribed or over-the-counter, require written permission from the custodial parent. They must complete the Medication Administration Permission form (one form per medication). The form must be renewed each school year or upon any change in medication or dosage.

Though we encourage a physician's written permission in all cases, a physician signature is required under the following conditions:

- Any prescribed medications
- Any possession or use of an inhaler or epinephrine injector
- Any self-possession or self-administration of any medication

Parents must include any prescribed treatment or care plan. An emergency care plan from the physician is required for asthma and epinephrine medications.

Prescribed medication must be delivered to the school in the original container prepared and labeled by a pharmacy. The label must include the dosage and frequency of administration. Over-the-counter medication must be in the original package and have the student's name affixed to the package.

The medication supplied to the school must be in the exact dosage prescribed, so the individual administering medications is not responsible for dividing or splitting pills. All medication must be picked up by the parent at the end of the school year or upon a student's withdrawal. Any medication not picked up will be discarded.

If a parent is accompanying his/her child on a field trip, the parent will be required to administer the child's medication.

Meningococcal Disease

Meningococcal disease is a dangerous disease that can strike children and youth and is caused by bacteria. The bacteria are spread from person to person by direct contact with an infected person's nose or throat secretions. Illness often starts with a sudden fever, headache, stiff neck, a rash, and possibly nausea and vomiting. An infected person may become very sick within a few hours of the first symptoms and should seek medical care immediately. The disease could result in death or permanent disability.

There are two immunizations available: one for people who are 11-55 years old and another for people who are 2-10 or 55+ years old if certain medical conditions exist that put them at higher risk of contracting the disease.

Parents should talk with their child's health care provider or local health department about meningococcal disease and immunization.

Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents certain rights with respect to their child's education records. These rights are:

- The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents should submit a written request to the school principal clearly identifying the record(s) they wish to inspect. A school official will make arrangements for access and notify the parents of the time and place the records may be inspected.
- The right to seek an amendment of the student's education records that the parent believes are inaccurate, misleading or in violation of the student's rights of privacy. Parents should submit a written request to the school principal, clearly identifying the part of the record they want amended and specifying its inaccuracy. If the school decides not to amend the record as requested, it will notify the parents of the decision and advise them of their right to a hearing to challenge the content of the student's education records. Hearing procedures will be provided to the parents when a hearing is requested.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school does not need written consent to disclose a student's education records if the disclosure meets one or more of the following conditions and the disclosure is to or for: (see 20 U.S.C. §1232g; 34 CFR Part 99.31):
 1. School administrators, teachers, support staff, NHA personnel and other school officials which have a legitimate educational interest
 2. Persons or organizations with whom the school or NHA has outsourced services or functions and which have a legitimate educational interest (e.g., attorneys, auditors, medical consultants, special and supplemental education providers, therapists)
 3. Officials of another school where the student seeks or intends to enroll or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment, and as long as a proper records release request is received by the sending school
 4. Certain federal and state officials and educational authorities (for audit, evaluation, reporting, or compliance purposes) or state and local authorities concerning the juvenile justice system in accordance with state statute
 5. Appropriate parties in connection with financial aid to a student
 6. Organizations conducting studies for, or on behalf of, the school or NHA to develop, validate, or administer predictive tests, administer student aid programs, or improve instruction
 7. Accrediting organizations to carry out accrediting functions
 8. Compliance with a judicial order or lawfully issued subpoena after the school makes a reasonable effort to notify the parent of the order or subpoena
 9. Appropriate parties in a health or safety emergency
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA:

Right to Know under Federal Law

Parents of students have the right to know the professional qualifications of the school's classroom teachers and the school must give this information to parents in a timely manner if they ask for it. Specifically, parents have the right to ask for the following information about each of their child's classroom teachers:

- Whether the State Department of Education has licensed or qualified the teacher for the grades and subjects he/she teaches
- Whether the State Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances
- The teacher's college major
- Whether the teacher has any advanced degrees and, if so, the subject of the degrees
- Whether any teachers' aides or similar paraprofessionals provide services to their child and, if they do, their qualifications

Rights Under the Protection of Pupil Rights Amendment

The Protection of Pupil Rights Amendment (PPRA) affords parents certain rights concerning student privacy, parental access to information, and administration of physical examinations to minors. These include the right to:

- Consent before students are required to submit to a survey, which is funded in part or in whole by a program of the U.S. Department of Education, that concerns one or more of the following protected areas ("protected information survey"):
 1. Political affiliations or beliefs of the student or student's parent
 2. Mental or psychological problems of the student or the student's family
 3. Sexual behavior or attitudes
 4. Anti-social, demeaning, illegal, or self-incriminating behavior
 5. Critical appraisals of others with whom respondents have close familial relationships
 6. Legally-recognized privileged relationships, such as with lawyers, doctors, or ministers
 7. Religious affiliations, beliefs, or practices of the student or parent
 8. Income, other than as required by law, to determine program eligibility
- Receive notice and an opportunity to opt a student out of the following:
 1. Any other protected information survey, regardless of funding
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of the student (except for hearing, vision, scoliosis, or any other physical exam or screening permitted or required under state law)
 3. Any activity involving the collection, disclosure, or use of personal information or the marketing, selling, or distributing of such information to others
- Inspect the following, upon request and before administration or use:
 1. Surveys created by a third party before their distribution by a school to its students
 2. Instruments used to collect personal information from students for marketing, sales, or other distribution purposes
 3. Instructional material used as part of the educational curriculum

The school protects student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The school will also both directly notify parents through U.S. Mail, e-mail, parent meetings, or the Parent and Student Handbook of the specific or approximate dates (if such events are planned and/or scheduled) of the above activities and provide an opportunity to opt a student out of participating in them. *Parents who believe their rights have been violated may file a complaint with:*

Boy Scouts of America

The school does not discriminate against any group officially affiliated with either the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code (as a patriotic society) that wishes to conduct a meeting within an open forum. The school does not deny such access or opportunity or discriminate for reasons based on the membership or leadership criteria or the oath of allegiance to God and country of the Boy Scouts of America or the youth groups listed in Title 36 of the United States Code (as a patriotic society).

Title IX

The school certifies compliance with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C 1681 et seq. (Title IX), and its implementing regulation, at 34 C.F.R. Part 106, which prohibits discrimination based on sex. The school, as a recipient of federal financial assistance from the United States Department of Education, is subject to Title IX and does not discriminate based on sex, sexual orientation, gender, gender identity and expression, or pregnancy in employment or any educational program or activity it operates.

If students, their parents/guardians, or anyone else on their behalf believe they have been subjected to discriminatory harassment, including but not limited to harassment related to the students' sex, sexual orientation, gender, gender identity and expression, or pregnancy by school board members, staff, students, vendors, contractors, or other persons doing business with the School, it should be immediately reported to the Title IX Coordinator of the school and should provide specific details regarding the event, the date of the event, and the parties involved. The complaint will be considered confidential and will be expeditiously investigated by the Title IX Coordinator with the assistance of NHA legal counsel as necessary and appropriate.

Unsafe School Choice Option

A student attending a persistently dangerous school or a student who is a victim of a violent criminal offense on school property has the right to transfer to another safe school in the district, if his/her parent requests a transfer. If there is not another safe school in the district providing instruction at the student's grade level, the school shall contact neighboring districts to request that the student be permitted to transfer to a school in one of those districts.

Asbestos Management Plan

The Asbestos Hazard Emergency Response Act (AHERA) requires us to annually notify parents, students, staff members, and others who regularly occupy the school building of compliance with AHERA. An Asbestos Management Plan (AMP) has been developed for the school and is on file in the school office. Parents may schedule an appointment with the principal if they wish to review the AMP.

Pesticide Notification

The school aims to control pest populations and to reduce the use of active pesticides throughout the school by implementing an integrated pest management program. The health and safety of all persons within the school's facilities are of primary concern. The school will notify parents in advance of pesticide applications. Notice will be posted on the front door of the school and in the school newsletter. A parent can also request to be notified by letter 48 hours before the application is to take place. Please contact the school office if you wish to be notified by letter or wish to review the school's integrated pest management program or records.

COMMITMENT TO EXCELLENCE CONTRACT

To successfully challenge each child to achieve, parents, students, and teachers must work together, committed to the school's high expectations and standards. Each parent, student, and teacher is asked to pledge his/her commitment by signing below:

Parent/Guardian Commitment: *I fully commit to my child's education in the following ways:*

- I understand that my child is enrolled in this school so he/she has opportunities to achieve.
- I realize that the expectations and standards at this school are high and agree to support them.
- I understand and agree to be bound by all provisions outlined in the Parent and Student Handbook and acknowledge receipt of the Parent and Student Handbook by signing below.
- I will ensure that my child arrives to school on time and is promptly picked up after dismissal. I will arrange transportation if my child is required to stay after school.
- I will monitor my child's attendance, homework completion, and read school correspondence.
- I will participate in parent-teacher conferences and volunteer for school activities when possible.
- I will read school correspondence, check my child's homework and promptly notify the school if he/she will be absent.
- I understand that my child must behave respectfully and responsibly to protect the safety, interest, and rights of others in the school. I will model appropriate behavior while in the school.

Please add any other commitment statements you would like to note:

Student's Commitment: *I fully commit to this school in the following ways:*

- I am enrolling in this school, because I want to achieve. I will put forth my best effort every single day.
- I agree with my school's expectations, standards, and requirements, because I have high expectations for myself.
- I understand and agree to follow the Student Code of Conduct and Dress Code in the Parent and Student Handbook.
- I will attend school all day, every day, unless I have an excused absence.
- I will complete my homework, submit it on time, and contact my teacher about any questions.
- I will behave respectfully and responsibly to protect the safety, interests, and rights of others in the school. I will accept responsibility for my actions.

School-Wide Volunteer Opportunities

The school Board and staff members support the school’s commitment to parental involvement, believing strongly that it is a main ingredient for student success. On the back of this page is a listing of the volunteer opportunities available to parents at the school. The committees are listed first, followed by committee support and other opportunities. Please check all opportunities in which you are interested. As you participate in these opportunities, you will be fulfilling the Commitment to Excellence Contract by helping to provide an exemplary educational experience for our students. Thank you in advance for helping make our school exemplary for our children.

Volunteer opportunities specific to your child’s classroom are on a separate form.

Volunteers may be required to submit to a criminal background check.
