**A Note about Lockers:**

All items stored in lockers must be school-related. Students must use school-issued padlock to keep personal belongings safe throughout the day. Items left in unlocked lockers are not the schools responsibility. Students may adorn the inside of their lockers with inspirational pictures or encouraging words from parents, teachers, or friends. Pictures of celebrities or athletes, unless they are relatives of the student, do not qualify and should not be placed in student lockers. Magnets or clips that do not serve to uphold the moral character traits that we ascribe are also prohibited. Please no hanging lights/decorations as they just take up space. All material in lockers must be easily removed and cannot cause any harm to the locker itself. A wire shelf is encouraged to help with organization of shoes (if taking PE as an elective) and binders in the bottom of the locker.

# 8<sup>th</sup> Grade Supply List
