

MILWAUKEE SCHOLARS CHARTER SCHOOL SCHOOL SUPPLY LIST

A note for the 2020-2021 school year:

Milwaukee Scholars recognizes the unique state of our country and community during this time. Due to the pandemic, we want to ensure the health and safety of our students and families. We understand that purchasing supplies could cause you or your loved ones to be exposed or put at unnecessary risk. Therefore, in lieu of a supply list for each grade level, we are asking for a supply fee of \$10 per child. This supply fee will be used to purchase supply kits that will contain the supplies necessary for learning this year.

1	Supply kit for in school learning
1	Supply kit for at home learning
Not included in the supply kits but will need to be purchased by families:	
1	Large Backpack (to transport Chromebook and school materials)
1	pair of headphones (for virtual learning)
