

North Dayton School of Discovery

January/February 2020

Happy 2020! Welcome back everyone! We are looking forward to helping your child succeed in this new year! Please remember parents that it is vital for your child to be on time and present for the whole school day everyday in order to be successful in school. The educational day starts promptly at 8:00 a.m. Our attendance slogan is: "Grades go down when you're not around."

Re-enrollment Forms for 2020-2021: It's time to start planning for the 2020-2021 school year. Re-enrollment forms will be sent home with Kindergarten—7th Grade students on Monday, January 9, 2020. Please fill out and return your child's re-enrollment form by February 7, 2020. Parents may also submit this form online by logging into the parent portal at northdayton.org. If you need assistance with your parent login please contact the school office at 937-278-6671. Returning this form helps the school plan for enrollment and the lottery, if needed, for the next year. Remember that this form secures your child's seat for the next year. However, please know that each year we require new signed and online forms to be submitted by the parent prior to the beginning of the school year as well as to provide a proof of residency.

Inclement Weather School Closings: Should we experience a school closing, we will notify parents through the Schoolmessenger phone alert system. Please be sure to keep the school office updated on any phone number changes you may have. We will also notify parents through Channels 2, 22, 7 and 45. If we close, the television screen will show "North Dayton School of Discovery" Closed. K-8 teachers will release google assignments on inclement weather days. Your child can access google class by computer, chromebook, or iphone.
