

6th Grade Supply List 2018-2019

Hello from Mrs. McDonald, Mrs. Hagen, and Ms. Wilmer!

Personal Supplies:

- One half-inch binder with pockets on the inside (the planner will be clipped in.) This will serve as a take-home folder also. Our 6th grade mission: to get the students organized ☺
- One notebook of the students' choosing—any size, any color. This will be a moral focus journal.
- Pencil **bag** that contains:
 - hand-held pencil sharpener
 - pencils and erasers
 - 2 glue sticks
- Colored pencils—will be needed for Social Studies and Science

Language Arts

- 1 "thick" yellow spiral bound notebook, preferably with sections built in.
- One folder of any kind or any pattern.

Mathematics

- 1 red folder
- 3 red spiral notebooks

Science

- 1 green folder
- 2 green composition notebooks

Social Studies

- 1 "thicker" blue spiral bound notebook, preferably with sections built in.

For the Classroom (we'll leave the amount to you. However, we go through a LOT of these! We also appreciate mid-year donations.)

- Tissue, Clorox wipes (or off-brand), paper towel. These are SO needed, especially when flu season hits!
- Dry-erase markers
- #2 Pencils

We have class sets of these, but they are nice to accumulate if you want to contribute to our classroom stores. We'll happily take used/older supplies from previous years that might be in your cupboard...
