Dear First Grade Student,

We are so excited that you will be coming to First Grade at River City Scholars this year! We are going to have so much fun and learn lots of new and exciting things. We like to sing and dance and play lots of games! You will learn to read and write, to add and subtract numbers, and get to do lots of really fun science experiments! We get to go to gym, art, music, and the computer lab every week, and most importantly, we get to go play on the playground every day! You are going to just love being in First Grade!
