

Welcome 8<sup>th</sup> grade scholars and families! In the 8<sup>th</sup> grade we have an intense focus on high academic achievement and challenging our students with a rigorous academic program. We encourage parental support so that the students can increase their ability to demonstrate his/her mastery of subject material. Discipline is also equally important so please read through the handbook so that we can make the classroom a safe environment for learning. We look forward to getting to know you and creating a sense of family between you and all of our scholars.
