Please note: Your child's bus assignment is not final until you receive an official notification from Student Transportation Specialists

This Section is mandatory for students in Kindergarten, 1st, 2nd, and 3rd Grade Only.

*The transportation provider is not legally responsible to ensure that anyone is at the bus stop at the time a student is discharged from the school bus. However, it is a best practice to transfer custody of students in grades K-3 directly to a responsible adult at the bus stop. This means that if an authorized adult, **with ID**, is not at the stop at the scheduled drop-off time, the student will not be permitted to exit the bus and will be returned to the school until an authorized adult can be located. **The only exception will be K-3rd grade students who exit with a sibling in grade 4-8.***

If I am not at the bus stop location, the following individuals may receive my passenger.
