

Vanderbilt Charter Academy

Dear Second Grade Families,

I want to welcome you as an integral part of your child's second grade year. I am excited about the possibilities this year holds!! In order to encourage continual communication between home and school, each day your child will bring home a folder and assignment agenda. Each Monday you will also receive a weekly newsletter in your child's folder to inform you of our learning goals for the week.

Your child will need the following materials for a successful school year:

- Crayons (Crayola– box of 24)
- Colored pencils (Crayola– box of 12)
- 2 dozen #2 **Ticonderoga** Pencils (please do not purchase decorated or plastic coated pencils. These pencils are hard to sharpen and ruin our pencil sharpeners.)
- 6 Glue sticks (bigger ones last longer)
- Scissors
- Backpack
- Folder
- Four EXPO markers for our personal white boards
- Headphones (Please do not buy ear buds as they do not last)

These items are needed for the classroom:

- | | |
|------------------|-------------------------|
| • Kleenex boxes | Clorox or Lysol wipes |
| • Paper towel | Band-Aids |
| • Hand sanitizer | Ziploc bags (all sizes) |

I have been excitedly preparing for this school year! I know that if we work as a team, we will provide a supportive and challenging environment for your child.

Please join us on August 20th for our Vanderbilt Open House!

Have a blessed summer!

Sincerely,
Miss Heneveld
