

Young Fives

Dear New Young Fives Student and Parents,

I hope that you are enjoying your summer with family and friends. I am certainly doing the same as I enjoy grilled food, playing outside, and relaxing with my family.

Please have your child come with these essential items on the first day of school.... a regular size backpack, a tub of Lysol wipes, a hard plastic school supply box, 3 glue sticks, 3 pencils, a 24 count box of crayons, and 3 Expo markers.

Have an enjoyable summer and I will see you all very soon!

Mrs. Faga
