

July 2018

Dear 4th grade student,

Hi!! I hope your summer has been going well. I can't wait to hear about all the fun and exciting things you are doing! I have been busy getting my son ready for his 2nd year of college and relaxing.

I have your desk and cubby all set up and full of fun things you will need for a successful school year. You will begin the year with a pencil pouch containing two pencils, several erasers, a highlighter, a correcting pen (to be used for self editing), and a whiteboard marker for when we use whiteboards. You will receive a Vanderbilt agenda and you will also receive a folder to bring home notes and homework. You may also bring in any extra school supplies you feel you will need.

This year is going to be really busy and we have a lot to learn. Mrs. Creevy, the other 4th grade teacher, will be teaching you history and I will be teaching you science, math and reading/language arts. I am so excited because in social studies you get to learn all about Michigan's history and even take a trip to Lansing! We will also read many great books, write fun stories, and work on cursive. We will also have **four orange card parties** (my favorite one is the trip to the Aquatic Center)!!

Our classroom is upstairs, room **209**. It will be your first year upstairs! Be sure to come visit me at Vanderbilt's Open House on August 20!

Get plenty of rest and be ready to work hard!!! Enjoy the rest of your summer!

See you soon!

Ms. Salas

P.S. As you can see, I am a Michigan Wolverines fan! We'll be having some fun competitions this year with Mrs. Creevy's class as she is a Michigan State fan! If you want to make me a fun poster or card with a University of Michigan chant or picture, bring it in to our Open House night!
